Charlie Goodbear Tom Thunderhorse, 2007-10-17 Nothing in life is to be feared It is only to be understood Marie Curie The nature of people is to shun the unknown which is what a handful of people in the town of Springdale were doing to Charlie Goodbear Charlie Goodbear by Tom Thunderhorse is an inspirational tale about the lives of a few small town folks and a good hearted and misunderstood man named Charlie The book begins with a detailed explanation of the characters and the town of Springdale Thunderhorses perfect description of the stereotypical small town life makes you feel close to the characters It is as if you are part of the gang and not just a silent spectator The story unfolds only to pull you deeper into the lives of these colorful characters A wonderful element this book has to offer is humor and more than one kind This book will have its reader laughing as well as sitting in silent amusement at some particular quirk Do not think for one minute that this book is a comedy however it will have you near tears at some points too A word of warning to all the books potential readers This book is religious Thats right Ive said the R word However what is more important for those who are sensitive about the aforementioned R word it is not preachy This story does not attempt to convert you or convince you of the benefits of believing what these characters do believe Feel safe people of all faiths your beliefs are out of harm s way so if you can get past the rest of it just sit back and enjoy the tale Charlie Goodbear offers an ending that can only be described as bittersweet but I will not spoil it for any potential readers who may be reading this You will just have to acquire a copy of this wonderful book for yourself When I stand before God at the end of my life I would hope that I would not have a single bit of talent left and could say I used everything you gave me Erma Bombeck I have known Tom Thunderhorse for a good amount of time now and knowing him has made this book all the more enjoyable for me I could hear his voice in my head as I read and his sense of humor and personality comes through in every character I feel very touched to have been given the opportunity to enjoy his novel before it becomes available to the rest of the world and truly blessed to have met him This Review By Christina Malley

**Gadsby** Ernest Vincent Wright,2014-12-11 Example in this ebook The entire manuscript of this story was written with the E type bar of the typewriter tied down thus making it impossible for that letter to be printed This was done so that none of that vowel might slip in accidentally and many did try to do so There is a great deal of information as to what Youth can do if given a chance and though it starts out in somewhat of an impersonal vein there is plenty of thrill rollicking comedy love courtship marriage patriotism sudden tragedy a determined stand against liquor and some amusing political aspirations in a small growing town In writing such a story purposely avoiding all words containing the vowel E there are a great many difficulties The greatest of these is met in the past tense of verbs almost all of which end with ed Therefore substitutes must be found and they are very few This will cause at times a somewhat monotonous use of such words as said for neither replied answered nor asked can be used Another difficulty comes with the elimination of the common couplet of course and its very common connective consequently which will unavoidably cause bumpy spots The numerals also cause plenty of trouble for none between six and thirty are available When introducing young ladies into the story this is a real barrier for what young woman wants to have it known that she is over thirty And this restriction on numbers of course taboos all mention of dates Many abbreviations also must be avoided the most common of all Mr and Mrs being particularly troublesome for those words if read aloud plainly indicate the E in their orthography As the vowel E is used more than five times oftener than any other letter this story was written not through any attempt to attain literary merit but due to a somewhat balky nature caused by hearing it so constantly claimed that it can t be done for you cannot say anything at all without using E and make smooth continuity with perfectly grammatical construction so twas said Many may think that I simply drop the E s filling the gaps with apostrophes A perusal of the book will show that this is not so All words used are complete are correctly spelled and properly used This has been accomplished through the use of synonyms and by so twisting a sentence around as to avoid ambiguity The book may prove a valuable aid to school children in English composition People as a rule will not stop to realize what a task such an attempt actually is As I wrote

along in long hand at first a whole army of little E s gathered around my desk all eagerly expecting to be called upon But gradually as they saw me writing on and on without even noticing them they grew uneasy and with excited whisperings amongst themselves began hopping up and riding on my pen looking down constantly for a chance to drop off into some word for all the world like sea birds perched watching for a passing fish But when they saw that I had covered 138 pages of typewriter size paper they slid off onto the floor walking sadly away arm in arm but shouting back You certainly must have a hodge podge of a yarn there without Us Why man We are in every story ever written hundreds of thousands of times This is the first time we ever were shut out Pronouns also caused trouble for such words as he she they them theirs her herself myself himself yourself etc could not be utilized But a particularly annoying obstacle comes when almost through a long paragraph you can find no words with which to continue that line of thought hence as in Solitaire you are stuck and must go way back and start another which of course must perfectly fit the preceding context To be continue in this ebook     *The Terrible Personal Shopper* Laura Burton,2024-01-14 Get ready for a whirlwind romance with *The Terrible Personal Shopper* the laugh out loud romantic comedy that will have you swooning and giggling in equal measure Meet Leila Scott a hopeless romantic who stumbles into a job as a personal shopper for her ultimate celebrity crush Blaze Hopkins But there s a catch she knows nothing about being a personal shopper Despite this Blaze makes her an offer she can t refuse join him on his world press tour As they jet set around the globe Leila tries to keep things professional but when you re traveling with your celebrity crush that s easier said than done With her heart on the line and her job at stake Leila must navigate the pitfalls of being a terrible personal shopper while falling head over heels for Blaze If you re a fan of Sophie Kinsella and love a good romantic comedy with plenty of witty humor *The Terrible Personal Shopper* is the book for you So what are you waiting for Join Leila on her crazy adventure and fall in love with Blaze Hopkins Scroll up and one click now Romantic Comedy Laugh out loud Romance Celebrity Crush Romance Heartwarming Love Story Whirlwind Romance Novel Rom Com Books Personal Shopper Romance Love and Humor Novel Sophie Kinsella Style Romantic Adventure Charming Love Story Contemporary Romance Comedy Feel Good Romance Book Hilarious Love Story Jet Setting Romance Celebrity Romance Novel Romantic Escapades Witty Romantic Fiction Love on Tour Romance Heartfelt Rom Com     Sarah Margie,2013-10 At the age of eight Sarah witnessed the gruesome killing of her parents She would have died that night but wolves gathered to protect her With no family to care for her she grew up in an orphanage Unknown to Sarah her future husband had been chosen prior to her parent s deaths and he was watching over her She was also being watched by the FBI and the Mafia Sarah is beautiful inside and out charming trusting and very naive The orphanage overprotected all of their wards That would only lead to trouble and Sarah was a magnet to trouble     **The First Time She Drowned** Kerry Kletter,2017-03-14 The beautiful struggle of a girl desperate for the one relationship that has caused her the most pain In one of the most lyrical novels I ve ever read Haunting and exquisite Nicola Yoon 1 New York Times bestselling author of *Everything Everything* and *The Sun is Also a Star* Cassie O
