The Nation Looks at its Resources Henry Jarrett,2016-03-17 The Nation Looks at its Resources records the key points of the Mid Century Conference on Resources for the Future held in Washington in 1953 Originally published in 1954 this report reveals the concern felt by those attending the conference about the mounting pressure on our resources from the growing population and expanding Economy Rather than taking a specific view point the discussions cover a wide range of resource issues from multiple angles with an unintended emphasis on the need for research education and cooperation to better understand the resource issues facing the U S and the rest of the world after World War II This title will be of interest to students of Environmental Studies *Alaska National Interest Lands Workshops* ,1979 Looking unt o Jesu s. A view of the everlasting Gospel, etc Isaac AMBROSE,1816 **Proceedings** ,1963 *Park Science* ,2009 *Looking for God* Alexys V. Wolf,2009-11 Discerning the difference between religion and spirituality provides uncertainty for even the most devoted believer For a newborn Christian or non believer being tossed into the sea of confusion when it comes to the mysteries of God and the fleshy church can be daunting enough to have anyone run the other way Maybe you are confused by different religions or find hypocrisy in the church Maybe you find your relationship with God leaves you feeling bored and lifeless or the hype surrounding the church does not meet your needs Whatever your reason for lacking a personal relationship with

God you can still learn the tools to strengthen build and mend a spiritual union with your Creator While many straddle the fence between religion and spirituality author Alexys V Wolf hopes to guide you in your transition from rigid religion to spiritual intimacy with God Learn to walk in divine light and authority grow the courage to live a fulfilled life of peace and understanding without judgment and develop patience and wisdom with your fellow believers By creating a private bond with God you will hunger for the Word and never again get lost in the mundane world of man made religion By learning to die to the flesh and accept God s powerful association in your life you will no longer be lost at the crossroads of religion rather you will develop a friendship like none other with the Father and radiate a light that will shine for others Challenge yourself now to Look for God
