Looking For Alibrandi:

Looking for Alibrandi Melina Marchetta, 2007-12-18 For as long as Josephine Alibrandi can remember it's just been her her mom and her grandmother Now it's her final year at a wealthy Catholic high school The nuns couldn't be any stricter but that doesn't seem to stop all kinds of men from coming into her life Caught between the old world values of her Italian grandmother the nonsense wisdom of her mom and the boys who continue to mystify her Josephine is on the ride of her life This will be the year she falls in love the year she discovers the secrets of her family's past and the year she sets herself free Told with unmatched depth and humor this novel which swept the pool of Australian literary awards and became a major motion picture is one to laugh through and cry with to cherish and remember *Australian Cinema After Mabo* Felicity Collins, Therese Davis, 2004-10-27 Publisher Description **Excel Senior High School Fundamentals of English** David Mahony, 2002 This comprehensive study guide offers coverage of all five modules in the HSC English course **An Instant Unit of Work on Looking For Alibrandi by Melina Marchetta** Annemarie Lopez, 2000 *Literary and Social Diasporas* Gaetano Rando, Gerry Turcotte, 2007 This volume seeks to map an understanding of the Italian experience onto the broader picture of diasporic stories though with an anchor in the Australian Italian experience It brings together key essays and testimonials that frame a picture of Italy's rich legacy at home in Europe more widely and in the post colonial sphere with a particular emphasis on the Australian experience The essays collected here focus on the way an Italian Australian story has emerged and evolved in its own unique way In some respects it might be possible to define Australia through this community as an Italian space very much inscribed and described by the many voices that characterise it What is clear throughout these pages is that past present and future circulate through and around each other just as notions of nation colonial postcolonial emigrant and immigrant jostle for purchase in what is in fact a contested space always under negotiation Back cover
