her children and grandchildren she was suddenly stricken down and after half an hour's illness calmly her spirit winged its departure from a world that her whole life had so adorned With the arrival of the Earl of Dalhousie in June 1820 commenced a new Parliamentary era The offer made by the assembly in 1810 to provide for the whole civil list always supplemented by drafts on the British treasury had been accepted in 1818 and our Parliament was now when there was a deficiency of in the Provincial Chest called upon to make good its undertaking Though the act of 1791 which gave to Canada an Assembly that might justly claim all the powers and privileges of the House of Commons was mainly urged on by the English portion of our population who had a vague notion of its powers rather than by the French few of whom had any notion whatever these English soon finding themselves in a minority cared not for the exercise of these powers while too many of the French to whom the clergy had preached quiet submission for half a century and who were all the time charged with disaffection and seditious aspirations feared that any opposition to the whims of the Executive might give color to the charges of their opponents Its great value with many members was its use as an inquisition for calling to account obnoxious officials while others were satisfied in exercising their right of enacting petty laws Other politicians were occupied with the thousand details of private affairs of which Mr Papineau had none Throwing these to the winds with his whole soul absorbed in questions of state he alone grasped the spirit of the British constitution in its entirety and alone fully comprehended the positive and paramount authority in many questions conferred by the act of 1791 on the Commons House of Canada Others were supplied with only the rudimentary weapons of early warfare he came fully armed and equipped in the strongest of constitutional armor with the keenest of weapons for the grand coming tournament throughout which the Earl of Dalhousie figured as the champion of colonial misrule and Papineau as the champion of colonial emancipation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)
