

A photograph of Louise Bourgeois, an elderly woman with short, light-colored hair, smiling and looking directly at the camera. She is wearing a light blue button-down shirt and small hoop earrings. She is holding a large, intricate sculpture made of thin, dark, curved metal wires that form a complex, web-like structure around her face and hands. The background is dark and out of focus, suggesting an indoor setting with some architectural elements.

Louise Bourgeois' Spider Mieke Bal, 2001-06-29 The sculptor Louise Bourgeois is best known for her monumental abstract sculptures one of the most striking of which is the installation *Spider* 1997 Too vast in scale to be viewed all at once this elusive structure resists simple narration It fits both no genre and all of them architecture sculpture installation Its contents and associations evoke social issues without being reducible to any one of them Here literary critic and theorist Mieke Bal presents the work as a theoretical object one that can teach us how to think speak and write about art Known for her commentary on the issue of temporality in art Bal argues that art must be understood in relationship to the present time of viewing as opposed to the less immediate contexts of what has preceded the viewing such as the historical past of influences and art movements biography and interpretation In ten short chapters or takes Bal demonstrates that the closer the engagement with the work of art the more adequate the result of the analysis She also confronts issues of biography and autobiography key themes in Bourgeois's work and evaluates the consequences of ahistorical experiences for art criticism drawing on diverse sources such as Bernini and Benjamin Homer and Eisenstein This short beautiful book offers both a theoretical model for analyzing art out of context and a meditation on a key work by one of the most engaging artists of our era

Doble exposición Beatriz Colomina,2006-03-17 Este libro reúne una serie de reflexiones sobre la relación entre arte y

arquitectura Explora las aspiraciones arquitectónicas del arte y las artísticas de la arquitectura El título del libro Doble exposición en inglés Double Exposure se utiliza aquí en el sentido fotográfico de dos imágenes superpuestas o mejor dos fotografías en un mismo negativo una misma emulsión suspendidas en un mismo medio Arquitectónicamente puede pensarse en el cristal de un gran ventanal panorámico que de noche refleja el interior de la casa y lo superpone a una vista del exterior Este sentido de dislocación en el espectador el habitante de la casa o el que mira a una fotografía de doble exposición o quizás incluso el que mira a cualquier obra de arte refleja también el de la autora Doble exposición significa textos sobre arte escritos desde la arquitectura O como indica el subtítulo sobre la arquitectura a través del arte Porque en el fondo lo que estos textos acaban buscando no es tanto el arte como la arquitectura en el arte Aprender arquitectura escribiendo sobre arte entonces Mirando desde nuestra casa la disciplina de la arquitectura hacia afuera hacia el arte vemos el interior reflejado en el cristal como si fuera por primera vez **Pioneras, escritoras y creadoras del siglo XX** Eva María Moreno

Lago, 2019-12-02 Esta publicación pretende visibilizar tanto el mundo femenino de las escritoras que no salieron de las restricciones patriarcales como los discursos y prácticas feministas de todas aquellas que lucharon por sus derechos y la emancipación El objetivo es recuperar y analizar las obras de diversas artistas que comparten un mismo siglo pero países y continentes diferentes Los artículos de los especialistas e investigadores de diferentes literaturas de este periodo que se encuentran en este volumen reconstruyen nuestro pasado y recuperan una parte olvidada de nuestra memoria histórica para poder alcanzar un presente y un futuro igualitario en el que las autoras intelectuales artistas ocupen el lugar que les corresponde formando parte del auténtico legado de nuestra cultura Documenta , **Bibliographic Guide to Art and Architecture** New York Public Library.
