Louisiana Women Writers New Essays And A Comprehensive Bibliography:

Louisiana Women Writers Dorothy H. Brown, Barbara C. Ewell, 1992 This invaluable volume consisting of eleven critical and biographical essays and an extensive bibliography represents a rich source of insight and information on Louisiana women writers past and present The book focuses on an array of authors from Grace King and Alice Dunbar Nelson to Shirley Ann Grau and Ellen Gilchrist associated with a state whose imaginative appeal is singular even in a region rife with mythologies The essays are linked by a common thread the interaction of gender and place as a dynamic of significant critical interest In the Introduction Barbara C Ewell details the fundamental issues noting that writing about Louisiana and writing as a Louisiana woman involves writing about life at the margins on the borderlines where dominant and muted cultures role definition and identity race and class place and places impinge She argues that the peculiar otherness of that experience imposed onto the more familiar layers of southern myth gender roles and racial prejudice distinguishes the contributions of this group of writers to the place that Louisiana occupies in the American psyche Rather than attempting to confirm a canon these essays emphasize the diversity of Louisiana women writers The critical approaches vary from specialized or speculative comments such as the essays on Sarah Morgan Dawson and on Kate Chopin's Desiree's Baby to introductory or biographical treatments such as those on Mollie Moore Davis and Berthe Amoss Other writers considered in the volume include Sidonie de la Houssaye Ada Jack Carver Katherine Anne Porter Sheila Bosworth and Nancy Lemann The Bibliography provides an indispensable new tool for researchers and a fascinating guide for anyone interested in the rich legacy of Louisiana's women writers It is the first major survey of Louisiana women writers in more than fifty years Although chiefly limited to imaginative writing in English it includes entries on some two hundred authors making it the most complete available The entries supply names and pen names dates of birth and death birthplaces and other biographical information lists of works with available publication data and lists of secondary sources Intended for both scholarly and casual readers *Louisiana Women Writers* will stimulate renewed interest in a rich and vigorous body of literature

Literary New Orleans in the Modern World Richard S. Kennedy,2006-03-21 Cleanth Brooks may have summarized it best New Orleans has become one of the cities of the mind and is therefore immortal Its writers make it so Like Richard S Kennedy s earlier collection Literary New Orleans these nine essays explore the belletristic Crescent City its history authors myths and realities This volume focuses on twentieth century New Orleans beginning with modernism s brief blooming in the 1920s followed by the fading of New Orleans s peculiarly dreamy romanticism and the flourishing of a distinctive realism and concluding with a recurrence and transformation of the earlier romantic strain in contemporary Gothic and mystery fiction Literary New Orleans in the Modern World provides chapters in the history of a unique American city written in the very spirit of New Orleans as it has cast its spell on writers

Imagining the Creole City Rien Fertel,2014-11-17 In the early years of the nineteenth century the burgeoning cultural pride of white Creoles in New Orleans intersected with America s golden age of print to explosive effect Imagining the Creole City reveals the profusion of literary output histories and novels poetry and plays that white Creoles used to imagine themselves as a unified community of writers and readers Rien Fertel argues that Charles Gayarr s English language histories of Louisiana which emphasized the state s dual connection to America and to France provided the foundation of a white Creole print culture predicated on Louisiana s exceptionalism The writings of authors like Grace King Adrien Rouquette and Alfred Mercier consciously fostered an image of Louisiana as a particular social space and of themselves as the true inheritors of its history and culture In turn the forging of this white Creole identity created a close knit community of cosmopolitan Creole elites who reviewed each other s books attended the same salons crusaded against the popular fiction of George Washington Cable and worked together to preserve the French language in local and state governmental institutions Together they reimagined the definition of Creole and used it as a marker of status and power By the end of this group s era of cultural prominence Creole exceptionalism had become a cornerstone in the myth of Louisiana in general and of New Orleans in particular In defining themselves the authors in the white Creole print community also fashioned a literary identity that resonates even today

Louisiana Culture from the Colonial Era to Katrina John Wharton Lowe,2008-12-15 In 1803 President Thomas Jefferson acquired 828 000 square miles of French territory in what became known as the Louisiana Purchase Although today Louisiana makes up only a small portion of this immense territory this exceptional state embraces a larger than life history and a cultural blend unlike any other in the nation Louisiana Culture from the Colonial Era to Katrina a collection of fourteen essays compiled and edited by John Lowe captures all of the flavor and richness of the state s heritage illuminating how Louisiana despite its differences from the rest of the United States is a microcosm of key national concerns including regionalism race politics immigration global connections folklore musical traditions ethnicity and hybridity Divided into five parts the volume opens with an examination

of Louisiana's origins with pieces on Native Americans, French and German explorers, and slavery. Two very different but complementary essays follow with investigations into the ongoing attempts to define Creoles and creolization. No collection on Louisiana would be complete without attention to its remarkable literary traditions, and several contributors offer tantalizing readings of some of the Pelican State's most distinguished writers, a dazzling array of artists any state would be proud to claim. The volume also includes pieces on a couple of eccentric mythologies distinct to Louisiana and explorations of Louisiana's unique musical heritage. Throughout the international slate of contributors explores the idea of place, particularly the concept of Louisiana as the center of the Caribbean wheel, where Cajuns, Creoles, Cubans, Haitians, Jamaicans, and others are part of a New World configuration connected by their linguistic identity, landscape, and climate, religion, and French and Spanish heritage. A poignant conclusion considers the devastating impact of Hurricanes Katrina and Rita and what the storms mean for Louisiana's cultural future. A rich portrait of Louisiana culture, this volume stands as a reminder of why that culture must be preserved.

Newcomb College, 1886-2006 Susan Tucker, Beth Willinger, 2012-05-07 In 1886 Josephine Louise Newcomb donated funds to Tulane University for the founding of the H. Sophie Newcomb Memorial College. Her contribution created the nation's first degree-granting coordinate college for women. For more than a century, Newcomb College educated thousands of young women in the liberal arts and sciences, preparing them for positions in the civic and economic world of New Orleans and the South. *Newcomb College, 1886-2006* explores the rich history and tradition of the college through a diverse and multidisciplinary collection of essays. Early chapters focus on the life of Josephine Louise Newcomb and her desire to memorialize her daughter Sophie, as well as the development of student culture in the Progressive Era. Several essays explore the staples of a Newcomb education, from its acclaimed pottery and junior year abroad programs to lesser-known but trailblazing work in physical education and chemistry. Concluding biographical and autobiographical chapters recount the lives of distinguished alumnae and the personal memories of Newcomb's influence on New Orleans. The essays offer insight into the work of artists Caroline Wogan Durieux and Ida Kohlmeyer, education reformer Sarah Towles Reed, U.S. representative Lindy Boggs, and other Newcomb leaders in various fields. Throughout the book, contributors reflect on the curriculum, pedagogy, and alliances that created paths for students not only for advanced studies but also for their roles as friends, wives, mothers, reformers, and professionals. Touching on three centuries, the book concludes in 2006 when Tulane University closed Newcomb College and Paul Tulane College, the arts and sciences college for men, and united the two as Newcomb Tulane College. This absorbing collection offers both a scholarly history and an affectionate tribute to a Newcomb education.

American Naturalistic and Realistic Novelists Edd C. Applegate, 2001-11-30 Realistic writers seek to render accurate representations of the world and their novels contain authentic details and descriptions of their characters and settings Like Realistic authors Naturalistic ones similarly try to portray the world accurately but they tend to depict the darker side of life Realism was born in Europe in the nineteenth century and soon became popular in the United States while Naturalism became prominent at the beginning of the twentieth century Both traditions have continued in one form or another to the present day and Realistic and Naturalistic

novelists include some of America's most significant authors such as Sherwood Anderson, Saul Bellow, Ambrose Bierce, Willa Cather, Theodore Dreiser, Ralph Ellison, and Jack London. This reference includes biographical and critical entries for more than 120 American Naturalistic and Realistic novelists. An introductory essay discusses the history of the Realistic and Naturalistic traditions, points to the difficulty of defining them, and surveys the many authors who have been associated with the two movements. The entries that follow are arranged alphabetically to facilitate use. Each includes basic biographical information and a narrative overview of the writer's educational background, professional career, and published works. The writer's works are briefly discussed in relation to the Realistic and Naturalistic traditions. Entries include primary and secondary bibliographies, and the volume closes with a list of works for further reading. **Awakenings** Bernard

Koloski, 2009-12-01 One of the most often repeated anecdotes about the direction of literary studies over the past three decades concerns a graduate student who complained of reading Kate Chopin's *The Awakening* in three classes and Herman Melville's *Moby Dick* in none. But Chopin has not always been featured in the literary curriculum. Though she achieved national success in her lifetime (1850-1904) as a writer of Louisiana local color fiction, after her death her work fell into obscurity until 1969 when Norwegian literary scholar Per Seyersted published *The Complete Works of Kate Chopin* and sparked a remarkable American literary revival. Chopin soon became a major presence in the canon, and today every college textbook surveying American literature contains a Chopin short story, her novel *The Awakening*, or an excerpt from it. In this unique work, twelve prominent Chopin scholars reflect on their parts in the Kate Chopin revival and its impact on their careers. A generation ago, against powerful odds, many of them staked their reputations on the belief, now fully validated, that Chopin is one of America's essential writers. These scholars energetically sponsored Chopin's works in the 1970s and 1980s and encouraged reading, studying, and teaching Chopin. They wrote books and articles about her, gave talks about her, offered interviews to newspapers and magazines, taught her works in their classes, and urged their colleagues to do the same, helping to build a network of teachers, students, editors, journalists, librarians, and others who continue to promote Chopin's work. Throughout these essays, stress is placed on several elements vital to the revival's success. Timing proved critical: as the rise of the women's movement and the emergence of new sexual norms in the 1960s helped set an ideal context for Chopin in the United States and abroad, in the 1970s and 1980s Seyersted's biography of Chopin and his accurate texts of her entire oeuvre allowed scholars to quickly publish their analyses of her work. Popular media, including *Redbook*, *New York Times*, and PBS, took notice of Chopin and advanced her work outside the scholarly realm. But in the final analysis, as the contributors point out, Kate Chopin's irresistible writing itself made her revival possible. Highly personal at times, amusing and always thought-provoking, these revealing recollections and new critical insights offer a fascinating firsthand account of a decisive moment in American literary history. **Louisiana** Bennett H. Wall, John C. Rodrigue, 2013-11-19 Covering the lively even raucous history of Louisiana from before First Contact through the Elections of 2012, this sixth edition of the classic Louisiana history survey

provides an engaging and comprehensive narrative of what is arguably America's most colorful state. Since the appearance of the first edition of this classic text in 1984, *Louisiana: A History* has remained the best loved and most highly regarded college level survey of Louisiana on the market. Compiled by some of the foremost experts in the field of Louisiana history who combine their own research with recent historical discoveries. Includes complete coverage of the most recent events in political and environmental history including the continued aftermath of Katrina and the 2010 BP oil spill. Considers the interrelationship between Louisiana history and that of the American South and the nation as a whole. Written in an engaging and accessible style complemented by more than a hundred photographs and maps. **Bulletin of Bibliography**, 1999

Beatrice of Bayou Têche Alice Ilgenfritz Jones, 2001. *Beatrice of Bayou Têche* is a work of great historical and artistic interest: a late nineteenth century novel by a white woman about a black woman artist protagonist. As the introduction for this reprint edition shows, Alice Ilgenfritz Jones was the first white woman to take an extended interest in the intersection of creativity, race, and gender. In *Beatrice*, Jones seeks to unveil the relationships between white and African Americans during the twenty years before the Civil War by following her mixed race protagonist from her childhood as a slave in New Orleans through her career as a free woman and inspired painter and opera singer. *Beatrice* renders the white author's effort to find a place for the mixed race woman in relation to paradigms of creativity that are not only gendered but racialized. In the process, it exposes the fault lines of ideology and literary convention that underlie attempts to negotiate issues of race, gender, and creativity in late nineteenth century America. **African American Authors, 1745-1945** Emmanuel S. Nelson, 2000-01-30. There has been a dramatic resurgence of interest in early African American writing. Since the accidental rediscovery and republication of Harriet Wilson's *Our Nig* in 1983, the works of dozens of 19th and early 20th century black writers have been recovered and reprinted. There is now a significant revival of interest in the Harlem Renaissance of the 1920s and in the last decade alone several major assessments of 18th and 19th century African American literature have been published. Early African American literature builds on a strong oral tradition of songs, folktales, and sermons. Slave narratives began to appear during the late 18th and early 19th century and later writers began to engage a variety of themes in diverse genres. A central objective of this reference book is to provide a wide ranging introduction to the first 200 years of African American literature. Included are alphabetically arranged entries for 78 black writers active between 1745 and 1945. Among these writers are essayists, novelists, short story writers, poets, playwrights, and autobiographers. Each entry is written by an expert contributor and provides a biography, a discussion of major works and themes, an overview of the author's critical reception, and primary and secondary bibliographies. The volume concludes with a selected general bibliography. **Bibliographic Index**, 1994
