investment and focus on communicating attractive place attributes to create a differentiated spatial product that will appeal to particular target audiences In seeking to achieve this place marketing campaigns have been criticized for emphasizing generic attributes such as accessibility infrastructure and a skilled workforce which can serve to homogenize places which in reality are very different However a city s distinctive character is a consequence of its history and development over time and this book analyses the role of these temporal dimensions in place marketing and branding The book analyses how the past both material i e the historic built environment and intangible i e routines practices and the character of the populace is appropriated in order to sell the city into the future It acknowledges the inherent selectivity involved and discusses the factors influencing what is remembered from the past and equally importantly what is forgotten Adopting a range of theoretical approaches to understanding temporality in this context the book will appeal to advanced students academic researchers and reflexive place branding practitioners by introducing a temporal paradox incorporating both fixity the material and immaterial elements of the city s past and fluidity relating to the creation of the place product as a dynamic assemblage of individual elements and attributes aimed at particular target audiences Cincinnati Magazine ,2001-08 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **Opportunity** Charles Spurgeon Johnson,1969 *Crowley's* Bruce Allen Kopytek,2015-11-30 Operating in the shadow of the enormous J L Hudson Co Crowley s earned Detroit s trade with fine merchandise and good service all in an atmosphere that made it the Motor City s friendly department store Generations of customers still hold Crowley s close in their memories fondly recalling the store s ancient wooden escalators fashionable merchandise and special events like Breakfast with Santa Wander back in time with historian Bruce Allen Kopytek through the venerable old store and its suburban branches to discover all the things that made Crowley s such a special retail destination **History of the Rise and Progress of the Alton Riots** Henry Tanner,1878 *Proceedings of The 5th International Conference on Linguistics and Cultural Studies 5 (ICLC-5 2024)* Muhammad Hasyim,Mardi Adi Armin,Yusuf Yusuf,2025-05-19 This is an open access book Research and teaching activities in the fields of language literature and culture are still being carried out even during the Covid 19 era that hit the world It is undeniable that the results of research and learning of language literature and culture at this time were a bit hindered because most activities were carried out from home During the Covid 19 period which started in early 2020 practically more activities were done at home Likewise institutions during the Covid 19 era were carried out online For example the Language Agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the Language Agency carried out using a hybrid method or completely online Various events are packaged creatively and innovatively to produce a new spirit in speaking Research and teaching of language literature and culture during the Covid 19 period resulted in many amazing innovations and creativity in line with technological

Giacomazzo,2023-02-15 An entertaining yet candid examination of the popular sketch show In Living Color When the pilot for In Living Color aired for the first time on April 15 1990 America had never seen anything like it And they loved it Over five seasons the show broke racial cultural and comedy boundaries creating unforgettable sketches that dealt almost exclusively with Black subject matter In Living Color A Cultural History celebrates the iconic show and its creators while also providing a conscientious examination of the sketches themselves Bernadette Giacomazzo reveals how the show successfully tackled topics that are still salient today from diversity in Hollywood and workplace racism to mass incarceration and blackfishing while other sketches have not aged quite so well Giacomazzo also looks at how the show helped break the careers of Jamie Foxx Jim Carrey and David Alan Grier amongst others and how its most infamous sketches such as Fire Marshall Bill Homey the Clown East Hollywood Squares and Men on Film helped shape comedy in the twenty first century In Living Color was one of the few sketch shows of the 1990s that effectively tackled racial and social issues with humor It did so more successfully than Saturday Night Live ever did because unlike the long standing late night show In Living Color had a largely Black writer s room This cultural history finally gives the influential show and its creators the recognition they deserve for their role in changing the face of television
