The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute,1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *Her Evil Genius: Within Love's Call, the Girl He Loved, Saved From Herself* Adelaide Stirling,2010-01-01 The summer holidays had begun and the great convent school was deserted all its pupils gone but two who were in the alcove belonging to the elder of them and as if that breakage of rule were not enough were seated on the small white bed which was counted a crime to rumple The elder girl was eighteen and after to day convent rules would concern her no more for that very afternoon she was going out into the world to earn her own living as a governess She was wild with excitement and would have been enraptured with the foretaste of liberty had it not been for the child who clung to her sick and exhausted with stormy crying She looked down on her pityingly and the reverend mother could have told you Andria Heathcote was not given to compassion Her red brown hair grew too strongly on her forehead for that her full rose lips were too heavy Yet something in the very strangeness of the girl who clutched her had caught at her hard young heart For Beryl Corselas was only a child and young for her years at that It seemed to Andria that

the sins of eleven years old were too seriously taken when they were considered crimes and yet her goblin ways were enough to provoke a saint or Sister Felicitas Beryl look here repeated Andria don t cry any more I ll write to you I m not going very far away The child lifted her face from the girl s shoulder It was a curious face with something almost vacant about it yet what the lack was no one could quite say She had extraordinary eyes strangely and uncannily beautiful so light a brown as to be almost yellow tawny golden under the heavy eyelashes that were black as ink The warm whiteness of her cheeks was blurred with crying paled with real despair and the startling crimson of the childish lips had been hard bitten to check the sobs that might be heard She pushed away the long cloud of straight hair that was not black nor brown but dusky a cloud of darkness with no color to be named from her face and spoke with sullen unchildlike contempt You won t write Her eyes were like burned out coals You ll mean to but you won t You re always trying to save other people s feelings outside but inside you never care You ll forget I ll try not to said Andria with a sudden pang Was she really what Beryl said Did her hatred of giving pain really make her more cruel in the end She kissed the wet cheek If I do forget if I am like that will you promise me something Remember that I don t mean to forget and that I don t really Think to yourself it s just my way and that some day you ll see me again Will you try Beryl It s no use my trying anything without you in the house with Sister Felicitas Keep out of her way then Why are you always getting into her black books Because she hates me I m never myself with her You are with Mother Benedicta I might as well be comfortable with the statue in the chapel I see about as much of her She clung suddenly to the arm that enwrapped her Oh it s you I want you she gasped If I m going to be good it will be for you Who else do I like Just you and animals and I haven t any of them except my rabbits And I hate hate hate Sister Felicitas A shadow tall slight and angular fell on them Andria looked up with a start since convent tradition was still strong in her and she was breaking rules openly Sister Felicitas stood in the doorway black against the sunlit passage You ve no right to be here Beryl Corselas her voice seemed to float out into the shaded whiteness of the alcove calm and cool as frost Go away and do your weeding Your garden is not a pretty sight Andria felt the quick shudder in the child s body Please sister she said let me stay Andria is going away I have nothing to do with that But while I am in charge of the kitchen garden you must do your share there Go at once she said very softly but the downcast eyes were angry Andria Heathcote could not be reprimanded and Sister Felicitas longed to do it she was always making that hateful child rebel against lawful authority But to morrow she would be gone A few minutes more or less cannot matter to you Go to your weeding she said scornfully Beryl Corselas sat up her slim childish body quivering I won t go her voice low and passionate You know there are no weeds for me to dig up I hate gardens I wish everything in yours would die or else choke you when you ate it nasty nasty old onions she cried in a transport of temper Beryl Even Andria who hated Sister Felicitas was aghast You can do your weeding or not that is for you to say said Sister Felicitas whose face was quite untroubled but she was trilling her fingers against her black habit But it is for me to say what will happen to you if you disobey I don t care what you do to me No Andria knew that far off sound in Sister Felicitas voice

there was not a girl in the convent whose nerves did not twitch when she heard it Then I suppose I can send those rabbits of yours to market It will be time for rabbit soup soon No no no The child s voice was dreadful in its wild scream of supplication If there had been any one in the empty corridor they must have hurried to the sound of it Not my bunnies I love them They re truly people You you couldn t be so wicked If you can talk such nonsense about your rabbits the sooner they are gone the better said Sister Felicitas icily No get up child You will tear my habit For Beryl Corselas was on the floor clutching at the immaculate black folds of the sister s robe You won t take them away say you won t sister She paid no attention to the hand that tried to disengage hers I ll do anything I ll work in the garden I ll say I m sorry The miserable voice made a listener start but Sister Felicitas only drew her skirts away deftly That you will be obliged to do she said I ll beg your pardon now sobbed Beryl only please don t send my rabbits to market I ll go and weed I truly will You make an idol of senseless things You will be better without them In the world the tone would have been called cruel The child jumped to her feet her wild dusky hair streaming her face white and furious If you take them away I ll kill you she cried out shaking and gasping I hate you You make me wicked and then punish me I She stopped as if something had turned her to stone In the doorway stood the reverend mother Mother Benedicta who had never been known to visit an alcove who was high above the girls and their rulers was in front of her a gracious stately figure in her black habit and white bands There was a curious look on her beautiful placid face enough to stop the tongue even of Beryl Corselas in a temper Yet she was not looking at the child but at Sister Felicitas I think breaking rules and sorrow at Andria s going has made some one a little hysterical this morning Is that it Beryl Come to me my child and she put an arm round the sinner who stood petrified as if at the sight of a saint from heaven Mother Benedicta s cool fingers felt the hot throbbing of the child s lax hands and her face grew sterner You are sorry for your rudeness to the good sister is it not so Beryl Yes at the dumb nod that was a lie of despair I will see to the child then sister I know you are busy Sister Ignatia is waiting for you She needs your help Sister Felicitas face grew white Yes reverend mother she returned quietly but her face was not quiet as she left the alcove To have Andria Heathcote incite that hideous child to mutiny was bad enough but to have Mother Benedicta set aside her authority was worse And there had been that in the face of the reverend mother that told Sister Felicitas that even rancorous hatred must go softly Reverend mother my rabbits gasped the culprit as the sister s steps died away You won t let her take them It was not meant Beryl The good sister thought to touch your heart that is a hard little heart is it not she said smiling But run away now and wash your face Then you can go to my room and wait there quietly till Andria and I come to you I will ask Sister Felicitas to let her onions wait for to day
