working at a bookstore in a rapidly gentrifying Los Angeles neighborhood where he is thrown into the company of a younger generation with whom he has little in common Embittered by his lowly position at this late stage of what had once been a promising career he collapses his longtime ambition of writing a novel into a hilariously cathartic litany of contempt for his present circumstances Service examines the plight of the unrepentant artistic outsider in an unforgiving day and age It alternates between passages that painstakingly describe the protagonist s fraught attempts to write his novel and such scenes of service work as wrapping children s books for Silver Lake moms and being pilloried by dunces on Yelp As his writing process stalls in a stale ceremony of indolence and self doubt these unfamiliar humiliations become a toxic wellspring for his irascible observations With his notoriously dry wit John Tottenham s debut novel reflects on a farrago of contemporary afflictions gentrification debt friendship aging gracelessly self medication male vanity professional jealousy the perils of political correctness and the role of literature in the digital era Eventually after endlessly agonizing about matters of form and style he finds that despite himself he has actually written a book Life Is Abracadabra Baisakhi Saha,2023-03-07 I think people are afraid to dream because they don t want to be disappointed she told the Belgian guy But what if there was a way to co create our dreams with the universe And what if the universe responded to us in a tangible way At the tender age of seventeen Baisakhi left her home to pursue higher studies abroad Since then she has dwelled in different continents from Asia to Europe to Africa to South America to North Central America studying life through myriad mirrors of reality She has lived with local families eating their food adopting their lifestyles contributing to their economy negotiating extreme realities and belief systems and navigating diverse traditions and religions for several years to answer life s most pertinent questions Coming from a conservative family in India she had to overcome all limitations to fly This book narrates the magical adventures and marvellous encounters of an ordinary girl who believes in extraordinary possibilities as she traverses the globe to fulfil her destiny Life Is Abracadabra is peppered with true anecdotes of hope and faith of meaningful coincidences and miracles that will make you perceive life from an altogether new dimension It is about noticing the signs and synchronicities strewn on our paths and acting on them Because when we do life will be on our side too **Ask Ciscoe** Ciscoe Morris,2011-01-04 Ciscoe Morris answers 400 the most interesting oft asked most urgent and puzzling gardening questions Even if Ciscoe s signature exclamation Ooh la la delivered with a thick Wisconsin accent is completely disarming do not underestimate his gardening chops Master Gardener certified arborist teacher at the University of Washington s Center for Urban Horticulture In his first book he addresses the full range of issues from ornamental gardening and trees to vegetables fruit trees shrubs lawns containers weeds and more **Arun Deep's Self-Help to ICSE Treasure Chest (A Collection of ICSE Short Stories) Class 9 : 2023-24 Edition (Based on Latest ICSE Syllabus)** Dr. Jaideep Randhawa, Arun Deep s I C S E Treasure Chest A Collection of ICSE Short Stories has been written keeping in mind the needs of students studying in Class 9th This book has been made in such a way that students will be fully guided to prepare for the
