Love Is A Beautiful Thing:

Love Is a Beautiful Thing PPP Inc.,1999-11 Meaningful sentiments in a small elegant package Love is golden as well and this Pocket Gold Edition TM celebrates the spirit and the joy of love **ASCAP Index of Performed Compositions: Love is a beautiful thing** American Society of Composers, Authors and Publishers,1952 **Living is a beautiful thing** Suat Ünsal,2024-07-10 Pitch dark You can t see your hand in front of your face You don t see anything When you don t see you don t know you aren t known Something like nothingness But suddenly as if you ve pushed a button everything becomes illuminated visible known What a beautiful thing it is to exist Living is a beautiful thing indeed Life is the button of that light Our Lord gave us life while we were far from life and friends He gave us both life and friends What a beautiful thing life is Whatever is beautiful we know it through life we taste it through life we experience all the beauties of life We also find ourselves with life Life is such a beautiful thing It s beautiful like air like breathing It s beautiful like feeling as if you re drowning surfacing quickly and taking a deep breath We save ourselves from drowning with every breath It would be so good if we could enjoy being kept alive with every breath How to be grateful for living how to pay for the blessing of life Getting used to things makes us blind we can no longer see Although the blessing we take for granted is staring us in the face we throw it into that pitch darkness When you can t see it as a blessing you can t be grateful Is there a cure for habituation Yes there is Let s close our eyes for a few seconds Let s open our eyes as if we were using them for the first time after the darkness What is it like to see to be able to see What would you miss if you didn t see You can apply such a method of breaking habituation for every blessing you have received and everything you love This is how you can tear the veil of habituation As the poet says Living is such a beautiful thing By understanding like a master a book Like a love song Living in wonder like a child As we get used to something and take it for granted the taste meaning and beauty of seeing it for the first time disappears We can tear the veil of habituation and renew the meaning of life in our minds by changing our perspective There lies the taste of life Isn t this important too The perfect level of life is the life of heaven Our most vital issue is to turn this world into heaven on the one hand and to do things that will elevate our lives to heavenly life on the other hand Man was created for happiness in two worlds However happiness on earth and happiness in heaven are not the same Since opposites coexist in the world it will be unrealistic to seek full happiness However man can find peace with a faithful attitude among the waves turmoil changes and the hustle and bustle of the world One should live life to the fullest He should increase his good deeds He should fill his life with beauty Living is really beautiful if you live like this One should not forget the one who gave this beautiful life We should not forget that we have Lord who loves us more than anything He created He is the one who creates love He is the one most worthy of being loved we should not forget it Flowers roses especially butterflies the stars the moons the sun the seasons one should live by appreciating them In other words we should give them their due on behalf of Allah Living is really beautiful when you live like that Otherwise you see that living has become a dungeon and

something meaningless Inshallah Living is a Beautiful Thing will touch hearts and lead people to good deeds May Allah be with you

Plato's Forms William A. Welton,2002-01-01 The theory of forms usually attributed to Plato is one of the most famous of philosophical theories yet it has engendered such controversy in the literature on Plato that scholars even debate whether or not such a theory exists in his texts Plato s Forms Varieties of Interpretation is an ambitious work that brings together in a single volume widely divergent approaches to the topic of the forms in Plato s dialogues With contributions rooted in both Anglo American and Continental philosophy the book illustrates the contentious role the forms have played in Platonic scholarship and suggests new approaches to a central problem of Plato studies Shelley on Love Percy Bysshe Shelley,1980-01-01 This anthology brings together for the first time Shelley s almost unknown prose writings on the subject of love Drawn from his notebooks his essays his reviews his fictional fragments his translations and his continuous stream of private philosophical speculations it does not merely give a Romantic poet s view of romantic passion but treats of love at large in all its forms and manifestations childhood and parental adolescent and idealized heterosexual and homosexual
