Trifles in Verse John Marjoribanks,1784 **Gethsemane, Or, Incidents in the Great Sorrow** William Poole Balfern,1882 The Mystery of Individuality Mark Perry,2012-07-13 The Mystery of Individuality explores the nature of human individuality through twelve chapter mirrors whose main focal points are spirituality psychology sociology and love and also the meaning of sacred art The issues of leadership and justice as well as of politics and even crime are also examined in depth along with the roles of sexuality and marriage Finally man and woman are defined in the context of both cosmology and society with a special emphasis on the divine nature of a human being and what this entails morally and socially Perry bases his assessments on the guiding image of archetypal man namely of a being created in the image of God At the same time he does not shy away from addressing what the distortion of this archetype entails He asserts that in creating man God lent him his own immortal personhood namely all that we find most lovable in another human creature in other words his personality But finally the question for each of us comes down to remembering our divine essence without forgetting our human nothingness *Genesis* R.
