Love Me Love You:

Think Again Fabulous Fabel, 2012-06 I was born 1966 as Randall Fabel When I was young I moved from Minnesota to Louisiana I have lived in Florida Texas and Arkansas Now Louisiana is my home I've been everything from a truck driver to a painter now I'm a construction foreman They have been calling me fabulous Fabel for many years I don't really know why I guess it's just because of my creative mind I have been married twice and have two step kids as well as two of my own I also a proud step grandfather I've always thought that I was born to do something else Music always has been part of my life With every word I write there's a melody in my head I can sing along to any one of these songs Although when I was younger I never would write down these melodies in my head Now that I'm older I have two teenage kids of my own that I love very much I tell them to follow their dreams I have been sitting on my dream all along which is to be an acknowledged song writer My kids give me all the inspiration that I need to succeed in life I am up and down in this crazy life and I think it's about time to become who I was meant to be Maybe something good will happen here who knows the sky's the limit so they say So peace love and happiness
