Love Otto:

Design for Living Noël Coward, 2023-05-04 Its fusion of passion and mischief remains striking and there is something undeniably heady about its celebration of a kind of sexual liberation that looks a lot like flippancy Evening Standard From 1930s bohemian Paris to the dizzying heights of Manhattan society a tempestuous love triangle unravels between a vivacious interior designer Gilda playwright Leo and artist Otto three people unashamedly and passionately in love with each other But can such a lavish love affair survive the real world Exploring themes of bisexuality celebrity success and self obsession *Design for Living* is a stylish and scandalous comedy that is often revered as Coward s most controversial and risqu work This new edition is published in Methuen Drama s iconic Modern Classics series to coincide with the 50th anniversary of Coward s death and features a new introduction by Oliver Soden **Billboard** ,1955-03-19 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Italian Conversation-grammar on Otto's System** Levina Buoncuore Urbino,1864 **THE CONFERENCE OF BERLIN** Elizabeth Fretty,2023-06-20 In the late 19th century a group of men in Berlin decided the fate of an entire continent The scramble for Africa culminating in the infamous Berlin Conference laid the groundwork for the European colonization of Africa irrevocably changing its history and destiny The Berlin Conference How Europe Divided Africa and Ignited a Curse delves into the dramatic events that led to the partitioning of Africa by European powers Witness the power plays negotiations and political maneuvering in Berlin s opulent halls The narrative takes a tight turn when it introduces Otto a German participant in the conference and Adia a beautiful woman from a village in the Congo Their star crossed love story unfolds against the backdrop of the colonial era illuminating the human stories behind historical events Discover the story of the curse laid upon the European colonizers by a village elder a curse believed to have shaped the destinies of Otto s lineage and the generations of Africans and Europeans that followed The tale explores the African resistance the deceptions of the Europeans and the devastating impact of their false promises The book finally reflects on the enduring legacy of the Berlin Conference the continuous struggle of African nations to overcome the effects of colonization and the essential role of understanding and acknowledging Europe s part in shaping Africa s past and present An enthralling journey through history love and betrayal The Berlin Conference How Europe Divided Africa and Ignited a Curse is a poignant reminder of the human cost of greed and the indomitable spirit of those who resist oppression Billboard ,1955-03-05 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Freres* Mrs. Alexander,1882 **Billboard** ,1955-03-26 In its 114th year Billboard remains the world s premier weekly music publication and a diverse

and lesser known works Sean O Connor examines the legacy of Wilde as a playwright and as a gay man and explores in the works of Somerset Maugham Noel Coward and Terence Rattigan the resonance of Wilde's agenda for tolerance and his creed of individuality O Connor contextualises these plays against the enormous social and historical changes of the twentieth century He also examines the legal restrictions which regulated the personal lives of these writers and required them to evolve sophisticated strategies in order to express on stage albeit obliquely their dilemmas as gay men From the delicate homoerotic frissons of Rattigan's early comedies to Coward's defiantly pro sex stance *Straight Acting* is a provocative and witty insight into the subtly subversive tactics of gay writers working in that apparently most conservative of forms the well made play
