

Love Of My Life

**Here i am looking into the future
planning on how to get the picture
of love so pure that makes me so sure,
oh sweet love, like dew from above
coming down to sooth my wounds
and like the lark heralds daylight
that i may carry you beyond all bounds
to my hearts utmost delight.**

**This love,so blind and still so right
takes me through the darkest of nights
that i may awaken to find myself
as glorious as an elf
in this true picture of love
that is a gift from above.**

Heiss,2010-12-10 If you ever had the right opportunity in life to feel alive in love as you always dreamed would you take it These series of poems depict such a journey for me with a younger woman making me feel younger again with every hope and aspiration I'd imagine now for then During the same time there was its harsh reality with all its problems you might dare face wanting to overcome more than any time in your life It was joyous ecstatic inspiring yet frustrating depressing and even a sense of utter hopelessness Throughout I'd cling to the faith that I wanted to be so integral to the whole dynamic speaking often of its importance Neither of us no matter where we really were in all this can remain unaffected rh *POETRY ELEGANT EXTRACTS: Or Useful & Entertaining PASSAGES in Verse* , **Experimentalism as Reciprocal Communication in Contemporary American Poetry** Elina Siltanen,2016-10-06 The poems of John Ashbery Lyn Hejinian and Ron Silliman may seem to offer endless small details of expression observation thought and narrative which fail to hang together even from one line to the next But as Elina Siltanen shows here this extraordinary flow of uncoordinated detail can stimulate readers to join the poets in a delightful exploration of ordinary language When readers take a poem in this spirit they actually begin to read as members of a community the community not only of themselves and other readers but also including the poet and other poets plus all the speakers of the language in which the poem is written For all these different parties that language is indeed a shared resource and the way for readers to get started is simply by recalling or imagining some of the numerous kinds of context in which the given poem's words phrases sentences could or could not be successfully used The rewards for such proactive readers are on the one hand a heightened sense of the subtle interweavings of language and life and on the other hand a freshly empowered self confidence The point being that within the community of contemporary experimental poetry poets
