Love That Works The Art And Science Of Giving:

Love That Works ,2009 This original highly readable book poses a clear distinction between our customary form of love which almost guarantees failure and higher more generous ways of loving that can succeed and enrich both individuals and society as a whole Love That Works draws on history psychology and the theology and science of love to offer a proposal on how to be successful in love and romance It starts by showing why love fails to meet expectations often ending sadly or even tragically **The Publishers Weekly** ,1892 **The Practical Works of Richard Baxter; with a Preface, Giving Some Account of the Author, and of this Edition of His Practical Works; an Essay on His Genius, Works, and Times ...** Richard Baxter,1847 Love That Works Bruce Brander,2004-09 Love That Works draws on history psychology and the theology and science of love to offer a proposal on how to be successful in love and romance *Religious Giving* David H. Smith,2010-04-06 Religious Giving considers the connection between religion and giving within the Abrahamic traditions Each contributor begins with the assumption that there is something inherently right or natural about the connection But what exactly is it To whom should we give how much should we give what is the relationship between our giving and our relationship to God Writing for the introspective donor congregational leader or student interested in ways of meeting human needs the authors focus on the philosophical or theological dimensions of giving The contributors goal is not to report on institutional practices but to provide thoughtful constructive guidance to the reader informed by a critical understanding of the religious traditions under review *Themes of Work and Love in Adulthood* Neil J.
