Beyond Covid: Kelly's True Story of How God Grants us "Hope for Miracles...Always!" Tim Pleacher, 2022-06-10 Life Light and Love Beyond Covid is the story of Kelly's struggle for her very life as told by her husband Tim. Kelly would struggle first against Covid then against a debilitating stroke and finally move forward into a challenging recovery. It's the story of a dedicated hospital staff, the turmoil of family and friends and the depiction of how a wife's love and God's grace can rescue a man adrift. She was vibrant and carefree just days prior but mid morning of October 3, 2021 found my wife of 39 years on full life support. I watched as the machine breathed for her. I was soon asked to add Do Not Resuscitate to Kelly's orders. We reluctantly decided to add those distressing words. This could not be happening. In a nightmare from which I could not awake, cold sweat gushed, hope faded and darkness grew. Kelly would spend 17 days on full ventilation, 43 days in Intensive Care and a record 80 total days hospitalized. She would endure life threatening complications and be near death several times. Could God perform the miracles necessary to sustain Kelly's life? I pray that you are intrigued enough to read the true story of her courage. As the journey unfolds, we will perceive God's love in the lessons the journey imparts. No matter how dreadful the situation in our most desperate moments, we learn that we can speak to the living God and He will answer. May you receive hope as you read and discover how God can grant us Hope for miracles always. *Children of Eternity: Embracing the Love Beyond the Veil* Pasquale De Marco, 2025-03-10 In the vast expanse of the universe where the boundaries between life and death blur, there lies a realm of infinite love and connection. With each chapter, you will embark on a transformative journey, discovering the signs and messages from departed loved ones and gaining a deeper understanding of the purpose of life and the lessons we can learn from our earthly experiences. Within these pages, you will find solace and comfort in the face of loss as you learn to recognize the healing power of dreams and visions. You will explore the profound bond between animals and humans and discover the importance of nurturing children's spirituality. Through the practice of prayer and meditation, you will connect with the divine, finding peace and meaning in the face of mortality. Children of Eternity is an invitation to embrace the eternal nature of consciousness, to understand the circle of life and death, and to find hope and renewal in the face of loss. Beyond the Grave Hans Holzer,2020-05-03 To most people man is a highly advanced organism whose life depends on the continuing performance of both his body and his mind To some they are inseparable when the body dies so does the mind But there are many people who see man as the sum of many equal but independent parts that have an existence quite different from and beyond the physical body These people accept the existence of the spirit as the eternal factor of human life

believing that this part of man does not die when the body dies but continues its existence beyond death According to Dr Hans Holzer author of Love Beyond the Grave and many other books on the spiritual world we already have a wealth of hard evidence regarding this next state of existence Strong emotions are considered essential in order to make contact with someone from the spiritual world We usually equate such emotions with anger or with crimes of passion Dr Holzer believes that love is also a strong enough emotion to enable people in the physical world to contact those of the spiritual and in Love Beyond the Grave he gives many examples of such relationships including Sally and the Highwayman The Case of the Spurned Lover The Strange Case of the Psychic Callgirl The Ghostly Bedmate and The Affair Death Could Not Stop This is an extraordinary collection of twenty one cases of love beyond the grave all based on sound scholarship and hard facts proving once again that there are more things in heaven and earth than are dreamt of in our philosophy
