Sermons of Arthur C. McGill Arthur C. McGill,2007-01-01 Throughout the 1960s and 1970s Arthur McGill had numerous opportunities to air his rich theological musings outside of the classroom We are now fortunate some twenty five years after his death to have seventeen sermons brought to us by the aid of his wife Lucille McGill and editor David Cain University of Mary Washington These homilies reveal the core themes that distinguish his theological writings relaxing in our neediness before God participating in the death to life pattern of self expenditure and rooting our hope in the unique power of Christ The collection culminates with what Cain notes as McGill s signature sermon on The Good Samaritan wherein we see that the reception of grace always precedes the extension of grace In addressing day to day issues such as possessions speech loneliness and anger McGill is both prophetic and pastoral He does not hesitate to say that the wickedness of Nineveh alas is the wickedness of the United States At the same time he brings a refreshing word with theological depth about human suffering and the God who models ultimate vulnerability

Borthwick,Nicholas Arnold, *Emotional Empowerment* Patrizia Patz,2022-03-10 Feelings and emotions are part of our everyday life Sometimes we are supposed to show them sometimes we are supposed to hide them in other words to control our emotions But when we look at it soberly we are emotionally illiterate We don t really know what to do with our feelings Why have we forgotten how to deal with them Or have we just never learned it This book provides answers to these questions Because in order to come to our senses again we need a different attitude towards feelings They can be a gateway to and a tool for manipulation Or a catalyst of our innermost being and thus a source of empowerment But without awareness we have no choice Only when we know our feelings do we gain clarity and are able to take responsibility for changing something Patz relentlessly dispels outdated myths about feelings and shows practical and attractive ways to live our authentic potential
