George Pitt-Rivers and the Nazis Bradley W. Hart,2015-10-29 George Pitt Rivers began his career as one of Britain s most promising young anthropologists conducting research in the South Pacific and publishing articles in the country s leading academic journals With a museum in Oxford bearing his family name Pitt Rivers appeared to be on track for a sterling academic career that might even have matched that of his grandfather one of the most prominent archaeologists of his day By the early 1930s however Pitt Rivers had turned from his academic work to politics Writing a series of books attacking international communism and praising the ideas of Benito Mussolini and Adolf Hitler Pitt Rivers fell into the circles of the anti Semitic far right In 1937 he attended the Nuremberg Rally and personally met Adolf Hitler and other leading Nazis With the outbreak of war in 1940 Pitt Rivers was arrested and interned by the British government on the suspicion that he might harm the war effort by publicly sharing his views effectively ending his academic career This book traces the remarkable career of a man who might have been remembered as one of Britain s leading 20th century anthropologists but instead became involved in a far right milieu that would result in his professional ruin and the relegation of most of his research to margins of scientific history At the same time his wider legacy would persist far beyond the academic sphere and can be found to the present day

Diplomacy and the Modern Novel Isabelle Daunais, Allan Hepburn, 2020-10-01 Between 1900 and 1960 many writers in France and Britain either had parallel careers in diplomatic corps or frequented diplomatic circles Paul Claudel Albert Cohen Lawrence Durrell Graham Greene John le Carr Andr Malraux Nancy Mitford Marcel Proust and others What attracts writers to diplomacy and what attracts diplomats to publishing their experiences in memoirs or novels Like novelists diplomats are in the habit of describing situations with an eye for atmosphere personalities and looming crises Yet novels about diplomats far from putting a solemn face on everything often devolve into comedy if not outright farce Anachronistic yet charming diplomats take the long view of history and social transformation which puts them out of step with their times at least in fiction In this collection of essays eleven contributors reflect on diplomacy in French and British novels with particular focus on temporality style comedy characterization and the professional liabilities attached to representing a state abroad With archival examples as evidence the essays in this volume indicate that modern fiction especially fiction about diplomacy is a response to the increasing speed of communication the decline of imperial power and the ceding of old ways of negotiating to new

The Love-charm of Bombs Lara Feigel, 2013-07-09 The nightly routine of sirens barrage the probing raider the unmistakable engine the bomb bursts moving nearer and then moving away hold one like a love charm Graham Greene When the first bombs fell on London in August 1940 the city was transformed overnight into a strange kind of battlefield For most Londoners the sirens guns planes and bombs brought sleepless nights fear and loss But for a group of writers the war became an incomparably vivid source of inspiration the blazing streets scenes of exhilaration in which fear could transmute into love In this powerful chronicle of literary life under the Blitz Lara Feigel vividly conjures the lives of five prominent writers Elizabeth Bowen Graham Greene Rose Macaulay Hilde Spiel and the novelist Henry Green Starting with a sparkingly detailed recreation of a single night of September 1940 the narrative traces the tempestuous experiences of these five figures through five years in London and Ireland followed by postwar Vienna and Berlin Volunteering to drive ambulances patrol the streets and fight fires the protagonists all exhibited a unified spirit of a nation under siege but as individuals their emotions were more volatile As the sky whistled and the ground shook nerves were tested loyalties examined and torrid affairs undertaken Literary historian and journalist Feigel brilliantly and beautifully interweaves the letters diaries journalism and fiction of her writers with official records to chart the history of a burning world experienced through the eyes of extraordinary individuals
