Love Isa Wild Ride Postcards In A Tin Box:

Timing the Infinite Nathaniel Schmeling, 2017-07-29 College programmer Stranger is an anxiety ridden over thinker who takes psychoactive drugs while contemplating the heretical philosophical gambit of techno anarchy to Satanism Masking this underlying nerdiness with the public persona of an alpha male heavy drinking frat star he s coming to age as a mixed kid whose parents were born during the Civil Rights movement one generation removed he is increasingly forced to confront the myths of a post racial America Oh and because these daily identity crises didn t cause enough trouble Stranger falls in love for the first time despite never having had a girlfriend or sex sober He s become enthralled with the demure soulfully morbid Gunny who not only has a boyfriend but self esteem issues that manifest in the self harm practice of cutting and she isn t exactly ready to leave the one guy who s supported her throughout the addiction But don t worry Stranger doesn t navigate this collegiate underworld alone he has a whole cast of equally brilliant but disturbed misfits for his hedonistic poetical high romance odyssey And throughout the chronicles of these madcap absurdist tales Stranger learns of the limits to love and the pains to be temporary of failing friendships and intimate escapades of youth and the aging world **Confidence**

Stu Feiner, 2008-11 From the time he was a child watching his parents struggle through financial pressures Stu Feiner vowed he would find a way to never have money be a problem in his life And after witnessing his father s emotional involvement in watching professional sports living and dying with his favorite team the Oakland Raiders Stu developed his plan for life He would capitalize on our society s love for sports and their emotional identification with the teams they rooted for Using information and prediction techniques handed down to him from his grandfather and father Stu continued to feed his unquenchable thirst for sports knowledge by researching team histories team defenses match ups and trends Fueled by his desire to succeed and his ability to dream Stu began his sports advising business as a teenager advising his father s friends how to bet parlay cards This book follows his wild ride from teenage ticket scalper to arguably the country s premier sports advisor Follow along as Stu takes you along on his roller coaster ride of a life complete with a narrative history of the sports advising business in America over the past thirty years Be warned it is a wild ride So buckle up and hold on *Adam's Gift* Cindy Williams Adams MEd, 2024-06-12 In Adam s Gift author Cindy Williams Adams shares the story of the death of her twenty seven year old son Adam and her subsequent spiritual journey Hi I m Adam and I m dead Well not really I m still here The first night in the hospital while Adam was on life support around midnight a nurse advised

me to go home and get some rest I looked at Adam s monitor His heart rate was 180 a normal heart rate for an infant At that point his vital signs were nominal I said I d go home when Adam s heart rate reached 111 Greg and I sat in the dark listening to the beep beep of Adam s monitor A few minutes later Greg said Look at the monitor Adam s heart rate was 111 My youngest sister Rhonda and I clipped some locks of Adam s dark brown hair as a keepsake I was sitting at the head of his bed examining our handiwork when I heard Adam say jokingly Mom what the fuck did you do to my hair In that pivotal moment if I d talked myself out of believing what I d just experienced I would have grieved Adam s death in an entirely different way Trusting the communication from Adam was real not only allowed me to accept the loss of Adam s physical presence it allowed me to create an entirely new relationship with the part of Adam that is eternal Adam s lungs kidneys pancreas and liver saved the lives of two individuals and significantly improved the lives of three others Adam s liver went to a young mother from Indiana where I was born Adam s pancreas went to a woman with diabetes who ll never have to suffer another amputation Adam s kidneys went to a woman from somewhere in California and to a man in Oakland who no longer plan their life around the need for dialysis Adam s lungs went to a seventy two year old man from Arizona From January 2011 to February 2023 Adam led me on a twelve year long wild goose chase where I collected seemingly random puzzle pieces that when presented altogether finally make sense From a past life as a knowledge keeper in Atlantis to serving as an intergalactic guardian Adam s mind blowing after death adventures will change everything you thought you knew about life and death and the world as we know it Don t let your skin suit fool you into thinking you re anything less than a co creator with God We don t have to die to evolve to a higher level of consciousness When it comes to consciousness raising Adam and I are giving away the cheats Adam s Gift is more than a memoir it s a multidimensional multimedia experience Brace yourself you re in for an e ticket ride Adams debut memoir is an effectively concise account of a mother navigating her own grief while also finding ways to help others heal Adams vividly renders her story of her life s journey and her sense of exuberance is evident throughout Kirkus review The story of Adam and the special bond he shares with his mom gives those hope who question an afterlife Dannion Brinkley internationally bestselling author of Saved by the Light At Peace in the Light and Secrets of the Light You don t have to have experienced loss to love Adam s Gift It isn t a book of grief Its gift to the reader is about the resilience of love and the unwavering faith of a mother faced with unimaginable circumstances and boundless faith Meg Blackburn Losey PhD author of international bestsellers The Children of Now The Secret History of Consciousness and Touching the Light Through the experiences recounted by Adam s mother readers are immersed in a world where love transcends physical boundaries and continues to connect souls even after death Rhys Wynn Davies Australia s 2023 Psychic of the Year and author of How to Talk to the Dead in 10 Easy Steps Adam s Gift was so riveting to read I came away from it feeling as if I had gained so much I can t thank Adam and Cindy enough for writing this book Sarah Breskman Cosme bestselling author of A Hypnotist s Journey to Atlantis A Hypnotist s Journey to the Secret of the Sphinx and A Hypnotist s
