A Compass of Faith: a Man'S Journey to America Joseph Mbungu Nsiesi,2012-05-17 Death was sleeping all around us I could feel her in the high cries of uncomfortable babies and the low moans of old men as they fight the pain and discomfort of dysentery This would be a trip through hell and perhaps some unfortunate souls on this boat would make not make it out alive as is often the case on the Congo River Perhaps we all knew that some of us wouldnt all arrive at our destination and that we would meet our Lord our Maker here on this black river of death and hope Death and hope Can it be one and the same With this river the answer is yes People lived and died under the power of this powerful river every single day It was now my turn to make this journey on its surface Despite my deepest fears I feel the warm breeze of Gods grace lingering around me in the air Yes hope is a powerful element in each of our hearts and that is what everyone here now clings onto tightly and with both fists even if it means kissing death right on the lips

Simamane, 2008-02-01 It is a substantial book with a number of intriguing levels which are testimony to the author's skill and versatility. It is a work of considerable scope and imagination by turns inspiring, poignant, and hopeful. Although it is a fiction, there is authenticity in the attitudes it takes and credibility in the characters, settings, and situations it portrays. The characterisation of the Africa to America and the conflict created by their subjugated history coming into contact with aroused hopes and aspirations is sensitively and authentically approached. The detail which is plentiful brings the story alive and is well selected and intuitively observed. The plot races along without losing its momentum, aided considerably by the structure of the novel. *The Way of Saint James: Journey to America* Eugene Sierras, 2019-07-15

The Way of Saint James Journey to America is the story about a family with origins in Spain and their journey to America, including the United States of America and Los Estados Unidos Mexicanos, the United Mexican States. The story focuses on the lives of two men, Mihail Gurevich and Baltazar de la Vega. Their families' background, history, and the lives they led in Europe under conditions that motivated both men to immigrate to America to seek a better life are told. Both men departed when they were young and overcame several obstacles with a resolve to achieve a life in which they could live in freedom and prosper with hard work and dedication toward family. Both individuals were products of not only their place of birth but also the societies in which they lived. Both left what could have been a life not confronted by danger and the unknown. Both chose to venture forth, accepting whatever challenges and risks life may present to them. Their journeys occurred against the larger history of Europe in which they lived. Their journey is similar to the mystical El Camino de Santiago, the Way of Saint James, which served as a metaphor of their quest. *A Mother's Journey of Faith, Hope, and Love* Sylvina V.
