John Boneham,2016-01-12 People often ask how it is that I came to write poetry I can honestly answer I just start writing and it just happens out that way Sometimes words come to me in my sleep which I need to put to paper immediately flashlight in hand then and there in the middle of the night Other times I merely put pen to paper and with inspiration or not a simple or complex idea just happens As Mr Cronkite put it Thats the way it is and as ridiculous as that may sound to some Im not too awfully concerned with my critics Folks may believe it or not but then the question would arise just what does it take to make a writer or poet anyway There are as many answers to that as there are those writers and poets and as different as the people themselves There are no set rules to all of this and I suppose it is the reason I love it so No particular set time or place for inspiration to come as it can happen to anyone just some are more likely to capture that thought or idea the ability to seize the moment so to speak while many others let it slip by Just as easily as these thoughts come to us they are just as easily forgotten and I like to think these go to that place where unwritten words live Hopefully it is somewhere lonely but beautiful where serenity abounds and those lost but none the less creative thoughts linger for an eternity Perhaps this is heaven There may also be an equal but opposite place for hateful and despondent words or thoughts end up this likely being hell where misery and grief thrive I have in the past captured some of these desolate thoughts usually when Im brooding over something that matters not although I really dont care for this sort of prose turning more towards poetry that says it like it is putting people and situations in perspective in the world as I see it with the idea to be portrayed Hopefully this will come out as my own style of the English language Good bad or ugly this is me and these things Ive managed to unlock from the depths of my mind that window of opportunity to my soul **The Mother-Daughter Book Club** Heather Vogel

Frederick,2010-05-11 Acclaimed author Heather Vogel Frederick will delight daughters of all ages in a novel about the fabulousness of fiction family and friendship The book club is about to get a makeover Even if Megan would rather be at the mall Cassidy is late for hockey practice Emma s already read every book in existence and Jess is missing her mother too much to care the new book club is scheduled to meet every month But what begins as a mom imposed ritual of reading Little Women soon helps four unlikely friends navigate the drama of middle school From stolen journals to secret crushes to a fashion fiasco first dance the girls are up to their Wellie boots in drama They can t help but wonder What would Jo March do

Remarriage: His Billionaire Ex-wife Part XIII H.D.Cynthia, Will you re marry me He asked lying on the hospital bed after surviving an attempted murder Yes A thousand times She nodded with tears in her eyes Jessica had dreamed of this moment for more than 10 years She had had a crush on Lucas at 14 when he saved her from a group of gangsters Eight years later she married him despite all opposition from her parents and friends But Lucas chose to save and defend another woman rather than her in face of danger Sick of this toxic marriage Jessica decided to leave and embark on the journey of vengeance Three months later she came back as a billionaire CEO instead of that country girl in his eyes Memory Observed Ulric Neisser,Ira Hyman,2000 Memory Observed brings together classic and contemporary essays to explore the processes of memory in real life contexts Covering such issues as childhood recollections eyewitness testimony special memory feats and memories of famous individuals the writings support the authors thesis that understanding how human memory works requires greater emphasis on everyday situations and less on controlled laboratory experiments The much anticipated new edition has been thoroughly updated with over 40% new essays increased coverage of early childhood memories and memories of traumatic events and an expanded introductory section Neisser offers a thought provoking supplement for courses in memory learning and cognition **Vietnam Veterans Unbroken** Jacqueline Murray Loring,2019-06-13 For 50 years civilians have avoided hearing about the controversial experiences of Vietnam veterans many of whom suffer through post traumatic stress alone Through interviews conducted with 17 soldiers this book shares the stories of those who have been silenced These men and women tell us about life before and after the war They candidly share stories of 40 plus years lived on the edge of the knife and many wonder what their lives would be like if they had come home to praise and parades They offer their tragedies and successes to newer veterans as choices to be made or rejected *Birthing the Sermon* Jana Childers,2001-05-31 Where do preachers get their ideas for sermons and how do they turn those ideas into great sermons week after week Sharing their experiences these dynamic women preachers take us through their process from conception through development to the actual delivery of the sermon and beyond Each chapter includes a sermon that illustrates the results of that preacher s labor of love Contributors include Barbara Shires Blaisdell Teresa L Fry Brown Jana Childers Linda L Clader Yvette Flunder Mary G Graves Linda Carolyn Loving Barbara K Lundblad Karen Stokes Barbara Brown Taylor Mary Donovan Turner Margaret Moers Wenig **Book One: Sporadic Memories** Ali Marsman,2019-01-11 Sporadic Memories is a novel about a lifestyle that needs to be read about Within the first few pages you will realize there has been a loss it is not sad though the narrator expresses with great enthusiasm the life they lived which makes it nice during the times when it becomes difficult to read By the first few pages I hope you can hear the narrator has been alive for a long time explaining the way it is written There is no distinction between the characters genders which offers a personal experience for the reader The part that remembers the time they gave bracelets to each other brings about another way of joining together in marriage following how their courtship developed and the apple tree that is depicted throughout the novel using its fruit in traditional

family recipes It gets sad for a bit after this but notice that it gets sad because there is so much more to why the one lost is worth writing about It is partly a love story You know for sure it is when you get to the parts about the piano played and songs written you should at first read to the first song The memory at the exhibition and recalling times in the rain and snow are next They traveled a lot together and you will read of a place if you read a little past the description of the surroundings of their home If you read to the first birthday mentioned you will find a recipe worth trying a poem worth reading and fireworks The narrator is a playwright so there is a play that is broken down throughout the novel it is a difficult read but it is important in showing how the two brought their work together and what positive influences they made upon those they met Things are repeated to show how important positive repetition is which helps to move past pain while remembering the passion This novel is full of passion carried throughout the life they had for each other their work and their friends you might want to read through first until you hear about their friends This novel completes the story as the pages turn putting certain pages together will bring the memories in order It is an easy read It is written poetically which gives it justice It begins the way it ends Sporadic Memories is a novel about a lifestyle that needs to be read about
