Love Locked In:

Bari's Love Song Kang Eun-Gyo, 2019-05-07 In her early career Kang Eun Gyo marked nihilism as the departure of her poetic imagination In response to the turmoil of the world and modern Korean history full of violence and violations of human rights the poet struggled to build her poetry in a house of nothingness With Bari s Love Song Kang Eun Gyo echoes the voice of a sorceress a female shaman who treats the sadness suffering loss and pain of all people From the private losses of the poet to the universal songs of losses and love Bari s Love Song portrays the modern history of Korea in the forms of songs and recollections of Bari the princess from Korean folk literature who walked the land in search of hope *Be! Live!*
