**The Least of These. [With Illustrations.]** Crona Temple, 1877      Half a World Away: a Love Least Expected Lee E. Carter, 2009-01-06 Half A World Away inspired by true events is an International Suspense Mystery Romance of a man whose entire adult life becomes plagued by a series of unfortunate events before his world begins to slowly become brighter At one time Jared Marchal was at the top of his game He had the promising military and police careers he always wanted was very well off financially enjoyed a great marriage and later welcomed a son on the way Beginning with a tragedy no one should endure Jareds perfect world progressively continues to crash around him Jared becomes a writer by chance and through an act of serendipity by his publisher he is contacted by a fellow writer Stasia from Russia an unlikely heroine who attempts to tear down the massive wall protecting his heart from any possibility of disappointment as well as any happiness Soon their love a passion so newly developed will be the only simple uncomplicated aspect of their lives together As the intrigue begins a volatile secret surrounding Stasia and its potential to change the world OPEC and war as we now know it in addition to her fathers own military past catapults them into an international event involving both their countries Governments double agents betrayal and murder all intrude among the many twists you never see coming as they collide forward into the storys climax The spirit of their personalities also shines as the jokes they play on one another during their times together are a welcome relief as well as some of the funniest situations ever written Author Lee E Carter through skillful adaptation of people from personal military and law enforcement experiences intertwines fiction and non fiction to create the distinctive personalities and action sequences of Half A World Away      **Invisible Chains & Violent Love** Liberty Jones, 2015-09-02 This book will take you on a journey of love abuse love repeating the cycle over and over each time showing creative ways to survive and finally escape I wrote this book to help people gain an understanding about domestic violence after hearing from many people I would never let this happen to me Each situation is different so if you are in a violent situation know someone that is curious why women stay and or put up with abuse I hope you find answers in my book I detailed many events I lived through and situations that may have been life threatening but I somehow survived The story takes many turns and offers unique ways to deal with abuse confinement and survival Within this one book you will find romance horror and inspirational survival      **Shaftesbury Magazine** , 1917      Closer to God Eduardo Villegas, 2015-02-27 There is an interconnection between the spiritual and the natural between the visible and the invisible Although our eyes cannot grasp it every earthly action activates a result in the spiritual and vice versa Paul says For we live by faith not by sight So we fix our eyes not on what is seen but on what is unseen since what is seen is temporary but what is unseen is eternal The invisible world is more real than the visible but the latter captures most of our attention Jesus had His spiritual eyes wide open and lived simultaneously in both worlds giving priority to the spiritual I think this was the key to finish all his work having lived around thirty three years as a man on earth So when He taught His disciples to pray told them to ask Thy kingdom come and Thy will

be done as in heaven so on earth so there is a heavenly kingdom to bring We cannot continue living disconnected from the Creator Nothing urges us more in the world than learning how to live and operate Closer to God     The Poetical Works Lord Byron,1868     *The Mother of My Children* Azra Rahman,2023-12-08 In the early 1990s within the fictional town of Mahogany India a tale of love family and personal transformation unfolds Adam s adoration for his wife Mary knows no bounds leading him to embark on a remarkable endeavor a book dedicated to her But this is no ordinary love story it delves into Mary s evolution from cherished wife to the irreplaceable mother of their children What could have influenced this humble woman from a small town to elicit such profound devotion The Mother of My Children weaves a captivating narrative set against the backdrop of tragedy survival and the unyielding spirit of an ordinary woman who refused to abandon those she held dear Adam s heartfelt words paint a vivid portrait of a woman who faced with unimaginable challenges became a beacon of hope for her family This evocative tale celebrates the power of love and resilience inviting readers to contemplate the transformative influence of an unassuming woman who defied societal norms and discovered strength through unwavering devotion     The complete works of lord Byron, repr. from the last London ed., containing considerable additions; to which is prefixed a life, by H.
