Moving Beyond the Christian Myth: The Next Step in Our Spiritual Evolution John W. Sloat, 2011-12-05 Moving Beyond The Christian Myth takes the next step beyond Sloat s first book on spirituality A Handbook For Heretics He explores the roots of the Christian faith tracing them back to their pagan origins in ancient religions Then one by one he analyzes the essential beliefs of Christianity showing how they cannot literally be true The various chapters contend that Christianity is a religious myth We don t need a savior The Bible is not the Word of God Jesus is not God The church is more political than spiritual The remainder of the book is filled with stories of mystical experiences which demonstrate how the spirit world is an integral part of our daily lives These topics include Out of Body Experiences Visions Past Life Recalls After Death Communication Angel Communication Pre Birth Experiences and Coincidence Sloat argues that these stories reveal spiritual truths which are not part of the traditional teachings of religion He asks the church to admit that its story is based on myth rather than literal truth he urges the church to incorporate these experiences into its belief system and he concludes by presenting a vision of a future in which people can worship God as the creator not of a religion based on the fear of hell but of a spiritual kingdom founded on love light and hope This book will be an inspiration to all those who are seeking something beyond the mythological teaching of the past About the Author John W Sloat a former Presbyterian minister served churches in Pennsylvania and Ohio for over 40 years He holds a B A from Denison University 1954 an M Div from Princeton Seminary 1957 and a Th M from Pittsburgh Seminary 1977 Previous books include Lord Make Us One non fiction 1986 The Other Half fiction 2001 Memories of My Misadventures fiction 2008 and A Handbook For Heretics non fiction second edition 2009 Several of his sermons have been included in Pulpit Digest a national preaching journal He has been married to Helen Burdick Sloat a psychiatric nurse for 56 years and they have three children eight grandchildren and four great grandchildren A pianist and organist Sloat also plays the French horn is a scratch model
