and balance her life though she hasn't left with much time in her life All she has is courage and vanity as her property which is worth not losing for any fear or doubt as per her Pain lately pain is acquainted in me moreover it is might a vice versa Getting hurt constantly by people you trust the most from the life you love the most Sometimes I wonder what is more hurting my life or people Since girlhood I have found myself between pain emptiness and reckless people in search of happiness and love and care Tried to escape from my world but got tangled more and more and more It's been 20 years nonetheless pain is still there it's growing in my veins like love For others it's love that grows in their veins though for me it's pain prior I was acquainted with pain and now the pain has become the only love of my life Being in relations with people and getting hurt again and again later being in a relationship with pain is far better This pain is my souvenir merely my talisman that doesn't bring good luck but doesn't let reckless things too I am so tangled in my pain sorrow and heartbreaks that I am afraid if I fall for love care and happiness I'd fall so irrevocably that it will consume me and I fear that once I cease to be a novelty this love care and people might tire of me If I have to be happy I'd have to live in between the untrusted people I'd have to live a lie and I won't only lose my happiness but I am frightened It's my very peace of mind that I will lose and serenity trepidation and pain are the only property I have left with at this stage of my life Love Aurora Young Boy's temptation levelled up even after he found this letter and when he saw her he got lost in her beauty in her weeping yet most powerful and mysterious eyes as per his words But he got puzzled comprehending that the girl he has fallen for has some other perspective coming from the letter he found fallen out from her bag and after having conversations with her what conversation took place between them what will happen next will they end together or will part their ways in different directions
