Trump Simon Dolan,2021-04-06 According to most of the media the left and the political establishment Donald Trump was a racist sexist dangerous man who debased the office of US President embarrassed his country and brought it to the brink of civil war Throughout his administration the contempt in which the billionaire businessman and TV personality was held across the Western world led to sneering at any alternative view And yet Trump came within inches of re election and had it not been for the coronavirus pandemic he almost certainly would have succeeded Undeterred by all the noisy vilification more than 70 million Americans formed their own view and they liked what they saw Now determined to redress the balance of a fiercely partisan debate Simon Dolan a multi millionaire British businessman and entrepreneur looks behind the hyperbole to offer a very different take on Donald J Trump Just what were the achievements and personality traits that appealed to voters in their millions Trump The Hidden Halo sets out to reconsider this most divisive figure through the eyes of those who supported him Looking to his economic record the impact of America First and the effect of his bombastic approach to foreign policy this timely consideration of Trump s appeal to the masses presents the man in a new light did he have a hidden halo after all

The Kingdom Exposed George Jenkins,2012-05-29 The Father is about to send the wind of the Spirit to ignite the fire of God in the heart of every believer even those with smoldering wicks Matt 12 20 The fire will be so intense that believers will be radiant with the glory of God Every born again believer will shine with this light by the time Jesus comes for His bride the church if they will just let him It will be like a flash of lightning Luke 9 29 God has told many that there will be a few that will be clothed in this light first They will then go forth and see multitudes clothed in this magnificent light of Gods glory Prophets say that the world will be so amazed at the light that they will actually think we are wearing some technological device like fiber optics in our clothing This book is designed to bring you to that place in the last great awakening where you will explode with His power Are you ready for the supernatural like youve never seen before Are you ready to see the millions coming to Christ Everything that Lord has ever done before He will do again in this last Kingdom revival

Born of Gilded Mountains Amanda Dykes,2024-06-18 A lost treasure A riddled quest The healing power of friendship Legends are tucked into every fold of the Colorado mountains surrounding the quaint town of Mercy Peak where residents are the stuff of tall tales the peaks are taller still and a lost treasure has etched mystery into the very terrain In 1948 when outsider Mercy Windsor arrives after a scandal shatters her gilded world as Hollywood s beloved leading lady she is determined to forge a

new life in obscurity in this time forgotten Colorado haven She purchases Wildwood an abandoned estate with a haunting history and begins to restore it to its former glory But as she does her every move tugs at the threads of the mountain s lore unearthing what became of her long lost pen pal Rusty Bright and the whereabouts of the infamous Galloping Goose Railcar No 8 which vanished years ago along with the mailbag it carried whose contents could change the course of countless lives Not to mention the fabled treasure that if found could right so many wrongs Among the towering mountains that stand as silent witnesses the ghosts of the past entangle with the courage of the present to find a place where healing friendship and hope can abide amid a world forever changed
