Orgy Boys:

The Brooklyn Thrill-Kill Gang and the Great Comic Book Scare of the 1950s Mariah Adin, 2014-12-09 What caused four recently bar mitzvahed middle class youths to go on a crime spree of assault and murder in 1954 This book provides a compelling narrative retelling of the boys their crimes and a U S culture obsessed with juvenile delinquency After ongoing months of daily headlines about gang shootouts stomp killings and millions of dollars worth of vandalism by the summer of 1954 America had had enough of juvenile delinquency It was in this environment that 18 year old Jack Koslow and the other three teenage members of the Brooklyn Thrill Killers committed their heinous crimes and achieved notoriety The Brooklyn Thrill Kill Gang and the Great Comic Book Scare of the 1950s exposes the underbelly of America s mid century the terrible price of assimilation the uncomfortable bedfellows of comic books and juvenile delinquency and the dystopia already in bloom amongst American youth well before the 1960s Readers will be engrossed and horrified by the tale of the Brooklyn Thrill Kill Gang whose shocking front page story could easily have been copy pasted from today s online news sites Author Mariah Adin takes readers along for a breathtaking moment by moment retelling of the crime spree the subsequent interrogations and the dramatic courtroom showdown interspersed with expository chapters on juvenile delinquency America s Jewish community in the post Holocaust period and the anti comics movement This book serves to merge the history of juvenile delinquency with that of the Great Comic Book Scare highlights the assimilation of immigrants into America s white mainstream gone wrong and complicates our understanding of America s Golden Age What Pornography Knows Kathleen Lubey, 2022-09-13 What Pornography Knows offers a new history of pornography based on forgotten bawdy fiction of the eighteenth century its nineteenth century republication and its appearance in 1960s paperbacks Through close textual study Lubey shows how these texts were edited across time to become what we think pornography is a genre focused primarily on sex Originally they were far more variable joining speculative philosophy and feminist theory to sexual description Lubey s readings show that pornography always had a social consciousness that it knew long before anti pornography feminists said it that women and nonbinary people are disadvantaged by a society that grants sexual privilege to men Rather than glorify this inequity Lubey argues the genre s central task has historically been to expose its artifice and envision social reform Centering women s bodies pornography refuses to divert its focus from genital action forcing readers to connect sex with its social outcomes Lubey offers a surprising take on a deeply misunderstood cultural form pornography transforms sexual description into feminist commentary revealing the genre s deep knowledge of how social inequities are perpetuated as well as its plans for how to rectify them **CMJ New Music Report** , 1999-07-19 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success CMJ New Music Report , 1999-06-07 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio
