Palestine And:

Palestine and the Great Feud Labeeb Ahmed Bsoul, 2022-12-13 This volume analyzes the early period of the Arab Israeli conflict 1897 1948 which encompasses the emergence of the Zionist movement and the end of the First World War Zionism and Western colonialism continue to play a definitive role in shaping the fate of the Palestinian cause The author argues that it is possible to understand the existence of such a relationship between Zionism and Western colonialism by looking at the unity of purpose of both approaches and the international circles in which Zionism has been supported from the very beginning Zionism does not correspond to a natural course of national development such as the origin language and cultural unity of a nation residing in lands where its ancestors lived but is an international idea that transcends territoriality Similarly Western colonialism which aims to design an extra territorial framework follows the same path as Zionism in this framework *Israel, Palestine and the Politics of Race* Yasmeen Abu-Laban, Abigail B. Bakan, 2019-10-31 As the situation in Israel Palestine seems to become ever more intractable and protracted the need for new ways of looking at recent developments and their historical roots is more pressing than ever Bearing this in mind Yasmeen Abu Laban and Abigail B Bakan discuss the historic and contemporary dynamics in Israel Palestine and their international reverberations from the unique vantage point of race racialization racism and anti racism They therefore offer close analysis of the idea of Israel and the absence of Palestine by examining the concepts of race and identity in the region With fresh coverage of themes relating to gender Idigeneity the environment surveillance and the war on terror Israel Palestine and the Politics of Race will appeal to scholars in political science sociology and Middle East studies **Radical Christianity in Palestine and Israel** Samuel J. Kuruvilla, 2013-03-27 Christianity arose from the lands of biblical Palestine and regardless of its twentieth century associations with the Arab Israeli conflict to Christians around the world it remains first and foremost the birthplace of Christianity Nevertheless the size of the Christian population among Palestinians today living in Israel and the Palestinian territories is now relatively insignificant In *Radical Christianity in the Middle East* Samuel J Kuruvilla argues that Christian Palestinians often employ politically astute as well as theologically radical means in their efforts to prove relevant as a minority community within Israeli and Palestinian societies Examining the political background of the gradual collapse of secular Arab Nationalism to be replaced by Islamic liberation movements he reveals a trend within the Christian Palestinian Church which saw increasing politicisation in the 1980s and 1990s In the face of often restrictive Israeli policies such as land confiscation along with the First Intifada there was a drive towards setting up inter Church and faith activism with the goal of Palestinian liberation Kuruvilla charts the development of a theology of Christian liberation in particular through the work of Palestinian Anglican cleric Naim Stifan Ateek and Palestinian Lutheran Pastor Mitri Raheb From its roots in 1960s Latin America liberation theology has been adapted and contextualised within the specific situation within Israel and Palestine to produce a framework that emphasises peace and reconciliation while recognising the importance of resistance and national

unity Theology has impacted Christian perceptions of Palestinians struggle with Israel the idea of a land promised to the sons of Abraham and the moral responsibilities that come with this are pitted against Israeli oppression of both Christian and Muslim inhabitants of the Holy Land and their desire for independence and justice Through this comprehensive study of the often overlooked theological political and practical position of Christians in Palestine Kuruvilla provides a new and insightful perspective on one of the most written about conflicts

Britain, Palestine and Empire: The Mandate Years Dr Rory Miller, 2013-06-28 In 1948 Britain withdrew from Palestine bringing to an end its 30 years of rule in the territory What followed has been well documented and is perhaps one of the most intractable problems of the post imperial age However the long standing connection between Britain and Palestine before May 1948 is also a fascinating story This volume takes a fresh look at the years of the British mandate for Palestine its politics economics and culture Contributors address themes such as religion mandatory administration economic development policy and counter insurgency violence art and culture and decolonization This book will be valuable to scholars of the British mandate but also more broadly to those interested in imperial history and the history of the West's involvement in the Middle East

Palestine and the Decline of the Ottoman Empire Farid Al-Salim, 2015-04-07 During the final decades of Ottoman rule Palestine was administratively divided into two states Jerusalem and Beirut Both provinces exhibited a strikingly cohesive history of modernisation and as the Ottoman Empire began to recede the education systems taxation and bureaucracy which were left behind formed the foundation of administration in the Palestinian authority today The reign of Sultan Abdulmecid I saw great changes in Palestine in line with the Tanzimat reform programme These changes included the monetisation of the economy structural changes in land ownership legal reform moves towards Ottoman centralisation and the first European immigration to the area Education was expanded to the lower classes and Arab and Palestinian nationalism and Islamic movements began to stir by the end of the century as the first Zionist settlers arrived At the heart of these radical shifts in thought and infrastructure were the new administrative centres established by the Ottomans during this period of re organisation Drawing extensively on official Ottoman records Farid Al Salim charts the transformation of one such centre Tulkarm from a small village in central Palestine to a seat of administrative reform in order to provide a new account of the forces behind the formation of modern Palestine

Israel/Palestine and the Queer International Sarah Schulman, 2012-10-12 At once a memoir a call to support the Boycott Divestment and Sanctions movement and an argument for queer solidarity across borders this book tells the story of how novelist and activist Sarah Schulman's became aware of how issues of the Israeli occupation of Palestine were tied to her own gay and lesbian politics

Israel/Palestine and the Politics of a Two-State Solution Thomas G. Mitchell, 2013-05-21 This is a dispassionate examination of the viability of a two state solution in the Israeli Palestinian conflict based on the politics of Israel Palestine and the United States It includes instructive case studies from South Africa in Namibia and the Irish claim to Northern Ireland The results of Israeli elections from 2001 to 2013 are analyzed with the

conclusion that the Likud will be in any government coalition for at least the midterm future giving it a veto over policy A chapter examining the history and ideology of the secular right over the last 90 years follows There are three chapters of case studies the Likud withdrawal from the Sinai in 1979 1982 and from Gaza in 2005 the withdrawal of South Africa from Namibia in 1988 1989 and the dropping of Ireland's constitutional claim to Northern Ireland in 1998 under a Fianna Fail government the same party that wrote the constitution in 1937 A chapter examines Palestinian politics since the mandatory era and another the American Israeli alliance and American politics A concluding chapter draws lessons from the case studies and the analysis

Edward Said on the Prospects of Peace in Palestine and Israel J. LeBlanc, 2013-11-12 John Randolph LeBlanc examines the political oeuvre of critic and activist Edward Said and finds that Said preferred reconciliation to segregation in Palestine Israel LeBlanc argues that Said's criticism speaks to the importance of negotiating the troubling proximate and unsettling presence of our most perplexing others

Methods to Overcome the Financial and Money Transfer Blockade against Palestine and any Country Suffering from Financial Blockade Dr. Hidaia Mahmood Alassouli, 2021-09-06 Online shopping and online money transfer have become an urgent necessity for all citizens of the world One of the difficulties I encountered in electronic money transfer and online shopping is the financial blockade against the Palestinians It is surprising although the electronic currency transfer has become the trend of the century with the developments of crypto currency block chain technology central and decentralized platforms and unlimited digital currency wallets which reflects the extent of progress in currency conversion in this era Most cryptocurrency platforms do not discriminate people on the basis of location or nationality Everyone has the right to open account with them and every person is responsible for securing his account On the contrary you find large websites that operate with a sterile racist mentality such as PayPal Skrill and others that ban residents of the Palestinian Authority areas just because they are Palestinians For example PayPal is the most important electronic wallet for electronic payment is prohibited only for the residents of the Palestinian territories And if we open accounts outside Palestine the account will be closed immediately And there are also other large sites that follow the same policy as Skrill and eBay I also surprised that most of the electronic banks or electronic wallets that deal in the fiat currencies such as USD and EURO refuse to activate the accounts of the Palestinians With the exception of cryptocurrency platforms so far they do not put obstacles against the Palestinians And even the banks and wallets that agree to open accounts to Palestinian people they do not support withdrawals to a Palestinian bank whether in euros dollars or any other currency Other difficulty I encountered that the electronic banks and wallets that deal only with fiat currencies such as USD and EURO require that you not don't deposit withdraw or deal through the account with any digital crypto currency platforms In the event of making money transfer with any digital crypto currency platform the account will be suspended So the electronic banks and wallets that only support the fiat currencies for withdrawal and deposit consider digital currencies as suspicious and prohibited currencies Also most websites don't accept ordering Visa

Master Card to Palestine region Hence I ask all concerned parties around the world to work to stop the discrimination and siege against the Palestinians by banks and electronic wallets In this report I will provide Summary of the difficulties I encountered in electronic money transfer and online shopping due to the financial blockade against the Palestinians And I will present some methods to overcome the financial and money transfer blockade against Palestine and similar countries facing from same issue This report consists from the following parts 1 Summary of the difficulties I encountered in electronic money transfer and online shopping due to the financial blockade against the Palestinians 2 The problem of Google banning the residents of Palestine from Google Payment Service GPAY 3 Scandals of some websites for publishing books such as Ingramspark com and other publishing websites that arbitrarily closed my accounts without reasons 4 My detailed complaint about Ingramspark com that closed four accounts for publishing for me without the slightest reason 5 Summary of best bank transfer methods I realized during my evaluations 6 Transferwise com 7 Payoneer com 8 Paysera com 9 Webmoney com 10 Paytix com eCurrency Money Exchanger 11 Airtm com 12 Skrill com 13 Using WesternUnion com for money transfer 14 Using MoneyGram com for money transfer 15 Using WorldRemit com for money transfer 16 Using Xoom com for money transfer 17 Using ACEMoneytransfer com for money transfer 18 Examples of some successful tested bank money transfers 19 Examples of some failed tested bank money transfers 20 Some of my Arabic articles about the financial blockade against the Palestinians

Palestine and World War I Haim Goren,Eran Dolev,Yigal Sheffy,2014-10-17 The Palestine Campaign has become one of the most glorified military campaigns of the twentieth century The last campaign fought by the Ottoman Army and thus the last act of the once mighty Ottoman Empire the Palestine Campaign saw the British Army under General Allenby conquer the Holy Land forcing the Turkish army back into Europe Meanwhile the secret Sykes Picot Agreement ensured the British and French would continue to influence the Middle East for the next 60 years This front saw some of the most influential stories of the Great War from T E Lawrence s Arab army in the desert to General Allenby entering Jerusalem on foot in 1917 Palestine and World War I shows how the events of the Great War have left a lasting legacy in the Middle East
