The Last War Jim Fletcher,David Allen Lewis,2001-04-01 Exclusive interview with Ariel Sharon A probing look at the war on terrorism Conflict in the Middle East has simmered and boiled for decades Now war and terrorism are global in scope The Last War contains supremely relevant information for all concerned Why do Islamic radicals hate the West What is the radical Moslem s world view Who are Osama bin Laden s allies Who are the Little Satan and the Great Satan Are we being told the whole truth about our enemies Tragically a decade of intense diplomacy and negotiation has given way to widespread violence some analysts aware of the real potential for catastrophic war in the region openly wonder if this will all lead to a last war of sorts After seven years of confidence building measures that are the framework of the Oslo Accords an ambitious attempt to bring Israelis and Palestinians to a final peace agreement the whole affair is unraveling Violence in the West Bank has accelerated dramatically since Yitzak Rabin and Yasser Arafat signed the Declaration of Principles on the White House lawn in 1993 In this indepth study of the peace process the reader will learn little reported facts about the peace process and the people involved and will be able to see clearly that the latest confrontations are a prelude to a devastating conclusion *Dictionary Of Modern Arab Histor* Bidwell,2012-10-12 From 1980 until Dr Bidwell s death in 1994 much of his time was taken up with the writing and compilation of this encyclopaedic work which represents in the true sense of the word a unique account of the Arab world from 1798 and a readable assessment of all its aspects Whereas the

classical period is covered in many publications notably The Encyclopaedia of Islam the reader look up assessments and accounts of 14 presidents of modern Syria all prime ministers of Egypt the definition and effect of Resolution 242 the Istiqlal Party the Rogers Plan Saddam Hussein Dair Yassin the Agecirus Conference the Mecca Declaration the Black September Organization President Nimeiri the monarchs of Egypt Iraq and Libya King Khalid of Saudi Arabia Colonel Gaddafi Nasser the Battle of Mehran Count Folke Bernadotte the massacre of the Mamluks and President Bourguiba Middle East Record Volume 1, 1960 Yitzhak Oron,1960 **The June 1967 Arab-Israeli Six-Day War** Tom Cooper,Efim Sandler,2024-01-20 In June 1967 Israel which seemed on the verge of being annihilated by its Arab neighbors took six days to redraw the Middle Eastern strategic map in one of the most dramatic reversals of fortune in modern times The success was over a decade in the making following the Suez Crisis with the Israeli forces being radically changed to create an army and air force upon which the country would rely when it became obvious the international community would take no action to implement guarantees made after the events of 1956 The Israeli forces were honed in low level clashes during the 1960s notably the Water Wars which the Israelis did so much to provoke By contrast the Arab forces became complacent largely due to supplies of arms from the Warsaw Pact states With proper training this complacency could have been turned into military effectiveness but the Arab forces were plagued by internal rivalries and high commands too often depending upon politically reliable officers rather than those who were militarily effective The Egyptian forces were further undermined by their commitment to the debilitating Yemen Civil War which meant they were in no condition to confront Israel Syria and Jordan whose forces could not fight the Israelis alone complained loudly about President Nasser s lack of action against Israel Nasser s decision in early 1967 to regain the prestige he had lost since the heady days of the Suez Crisis with a demonstration in the Sinai Peninsula was interpreted by the Israelis as preparations for an invasion Nasser did nothing to persuade them otherwise and when it was clear the international community would do nothing the Israelis decided to strike Egypt and in turn Syria and Jordan The Israeli campaign was heralded by a massive surprise air attack first on the Egyptians and then on the other neighboring states and ground offensives then followed in succession Volume 1 of The June 1967 Arab Israeli Six Day War provides an in depth background to the long running confrontation between Arab and Jew in the Middle East a detailed overview of the rival air forces that would become embroiled in the conflict and an account of the opening Israeli air strikes against Egyptian targets This volume is illustrated throughout with original photographs and includes specially commissioned full color aircraft profiles *Encyclopedia of the Palestinians* Philip Mattar,2005 Presents the history of modern Palestine and biographies of important Palestinians
