The Technology Explosion in

Medical Science: Implications for the Health Care Industry and the Public (1981-2001) James R. Gay, Barbara J. Sax Jacobs, 2012-12-06 The second annual Frank M Norfleet Forum for the Advancement of Health was convened November 30 December 1 and 2 1981 at The University of Tennessee Center for the Health Sciences Memphis Tennessee The Norfleet Forum is a continuing series of discussions on issues related to national health policy and organization of health care at all levels Application of the competitive model for containing costs and assuring high quality of medical care 1980 Forum is jeopardized in part by rapid introduction of expensive medical technology Decision makers in business and industry government and health care provider groups recognize the benefits of high technology and are reluctant to impose controls that might reduce the effective level of scientific creativity And yet some technologies are rushed into routine use before their efficacy and safety are assured and without measuring the benefits to be achieved against the harsh reality of cost In this volume 11 of the world's experts on technology issues summarize current ideas for understanding and coping with the technological imperative of the 1980s James R Gay M D *Biomedical Ethics* Olinda Timms, 2019-08-02 Each chapter focuses on a single area in a simple narrative Illustrative case reports and case studies of ethical dilemmas are provided with points for reflection discussion In step with the curriculum in Medical Ethics already established in several medical colleges The chapters can be used to develop modules in a medical ethics program Additional resources titles of relevant films readings and references are provided The chapters have been linked to the AETCOM modules for easy reference providing content for teaching modules This book provides the resource to create teaching modules in medical ethics In this way the book compliments the AETCOM modules and can be used to develop teaching learning sessions [Compendium of HHS Evaluations and Relevant Other Studies](#) HHS Policy Information Center (U.S.), 1990 [Compendium of HHS Evaluations and Relevant Other Studies](#), 1990 [Global Health and Volunteering Beyond Borders](#) Mildred M.G.
