Quarterly Winter 1988:

A Handbook on Women in Firefighting; The Changing Face of the Fire Service, **A National Force** Peter Charles Kasurak, 2013-11 This landmark book dispels the idea that the period between the Second World War and the unification of the armed services in 1968 constituted the Canadian Army's golden age Drawing on recently declassified documents Peter Kasurak depicts an era clouded by the military leadership's failure to loosen the grasp of British army culture produce its own doctrine and advise political leaders effectively. The discrepancy between the army s goals and the Canadian state s aspirations as a peacemaker in the postwar world resulted in a series of civilian military crises that ended only when the scandal of the Somalia Affair in 1993 forced reform Against Leviathan Robert Higgs, 2025-10-07 What is fundamentally wrong with government today In Against Leviathan economist and historian Robert Higgs offers an unflinching critical analysis of government power Against Leviathan combines an economist's analytical scrutiny an historian's respect for the facts and a refusal to accept the standard excuses and cruelties of government officialdom Topics include Social Security the paternalism of the FDA the War on Drugs the nature of political leadership civil liberties the conduct of the national surveillance state and governmental responses to a continuing stream of crises including domestic economic busts and foreign wars both hot and cold Against Leviathan is a thorough and penetrating critique and a significant contribution in this current time of crisis and unchecked expansion of government power Monthly Catalogue, United States Public Monthly Catalog of United States Government Publications, 2000 **Documents** ,1994 The Protection of Wildlife. **January 1979-April 1989** Charles N. Bebee, 1989 Bibliographies and Literature of Agriculture ,1989 Israel Howard M. Sachar, 2013-07-31 First published in 1976 Howard M Sachar's A History of Israel From the Rise of Zionism to Our Time was regarded one of the most valuable works available detailing the history of this still relatively young country Decades later readers can again be immersed in this monumental work The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s the rise of Jewish nationalism the beginning of the political Zionist movement and later how the movement changed after Theodor Herzl the Balfour Declaration the factors that led to the Arab Jewish confrontation Palestine and its role both during the Second World War and after the war of independence and the many wars that followed it over the next few decades and the development of the Israeli republic and the many challenges it faced both domestic and foreign and still faces today This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and controversial histories in the world **Historic Little Rock** C. Fred Williams, 2008 **Emerging Dimensions of** An illustrated history of Little Rock Arkansas paired with histories of the local companies **European Security Policy** Wolfgang F. salience of six democracy degrading behaviors throughout the fiasco At the time many warned of the broad attack on democratic norms yet no one paid a real price or learned a lesson Those failures left the country more divided than ever before and ill equipped for more severe assaults to come Canadian Banks and Global Competitiveness James L.
