Colloquium, 1979 **A Decade of Hubble Space Telescope Science** Space Telescope Science Institute (U.S.). Symposium, 2003-06-26 The Hubble Space Telescope has made some of

the most dramatic discoveries in the history of astronomy From its vantage point 600km above the Earth Hubble is able to capture images and spectra that would be difficult or impossible to obtain from the ground This volume represents some of the most important scientific achievements of the Hubble Space Telescope in its first decade of operation Written by world experts this is an indispensable collection of review articles for researchers and graduate students **Basic Space Science** H. J. Haubold, Lesley I. Onuora, 1995 Annotation Documents one in a series of workshops sponsored by the United Nations to recognize and encourage the basic space sciences in developing countries to complement the advances in applied and technical space sciences that are usually far more developed Contributors from Nigeria other developing countries in Africa and elsewhere and the developed world delivered papers on international cooperation in basic space science education atmospheric and planetary sciences the sun binary stars and astrophysics and cosmology The conclusions of the workshop will be presented to the United Nations which is expected to distribute them to member states where scientists and institutions can use them as lobbying tools with their governments and funding agencies No index Reproduced from typescripts Annotation c by Book News Inc Portland Or **Science with the Hubble Space Telescope--II** P. Benvenuti, F. Macchetto, Ethan Schreier, 1996 *Developing Basic Space Science World-Wide* Willem Wamsteker, Rudolf Albrecht, Hans J. Haubold, 2004-03-31 This book brings together the historical activities the plans which have been developed over the past decade in the different nations and the results which have materialized during this time in different developing nations It aims to achieve for development agencies to be assisted in ways to find more effective tools for the application of development aid The last section of the book contains a guide for teachers to introduce astrophysics into university physics courses This will be of use to teachers in many nations **Hubble Space Telescope** Space Telescope Science Institute (U.S.), Abhijit Saha, 1990 *NASA Reports Required by Congress* United States. Congress. House. Committee on Science, Space, and Technology. Subcommittee on Space Science and Applications, 1987 **Van Nostrand's Scientific Encyclopedia** Douglas M. Considine, Glenn D. Considine, 2013-12-11 Advancements in science and engineering have occurred at a surprisingly rapid pace since the release of the seventh edition of this encyclopedia Large portions of the reference have required comprehensive rewriting and new illustrations Scores of new topics have been included to create this thoroughly updated eighth edition The appearance of this new edition in 1994 marks the continuation of a tradition commenced well over a half century ago in 1938 Van Nostrand's Scientific Encyclopedia First Edition was published and welcomed by educators worldwide at a time when what we know today as modern science was just getting underway The early encyclopedia was well received by students and educators alike during a critical time span when science became established as a major factor in shaping the progress and economy of individual nations and at the global level A vital need existed for a permanent science reference that could be updated periodically and made conveniently available to audiences that numbered in the millions The pioneering VNSE met these criteria and continues today as a reliable technical information

source for making private and public decisions that present a backdrop of technical alternatives
