## Que Es El Liberalismo Colombiano:

Rafael Uribe y el liberalismo colombiano Vincent Baillie Dunlap,2010     *De cómo el liberalismo político colombiano no es pecado* Rafael Uribe Uribe,1912     The Politics of Clientelism John Martz,2017-12-02 In Latin America the state is the prime regulator coordinator and pace setter of the entire national system the apex of the pyramid from which patronage wealth power and programs flow The state bears responsibility for the realization of civic needs providing goods and services to each citizen Doing so requires the exercise and maintenance of social and political control It is John Martz s contention that clientelism underlines the fundamental character of Latin American social and political life As the modernizing bureaucratic state has developed in Latin America there has been a concurrent shifting away from clientelistic relationships Yet in one form or another political clientelism still remains central Clientelism occurs when large numbers of low status individuals such as those in the slums of rural and underdeveloped areas are protected by a powerful patron who defends their interests in return for deference or material reward In Colombia the rural patron has become a member of the higher clientelistic system as well he is dependent on a patron who operates at the national level This enables urban elites to mobilize low status clients for such acts as mass demonstrations of political loyalty to the regime Thus traditional clientelism has been modified through the process of modernization Part One of The Politics of Clientelism examines Colombian politics focusing on the incarnation and traditional forms of clientelism Part Two explores the policies of Colombian governance from the administrations of Lleras Camargo through Julio Cesar Turbay Ayala Part Three discusses the modernization and restructuring of Colombia in recent decades under Belisario Betancur Virgilio Barco and Cesar Gaviria As the modernizing bureaucratic state has unfolded there has been a similar shift in many clientelistic relationships Martz argues that whether corporate clientelism remains or more democratic organization develo     *Partidos políticos de América Latina. societies the exercising of charity a concern for education and the pursuit of cultural progress The book describes the crucial role played by religion and the Catholic Church which underwent considerable growth after the turbulent period of mid nineteenth century liberal reforms until the end of the conservative era in 1930 and traces the progress of parishes devotional associations religious communities private and public religiosity and numeros pilanthropic societies all of which brought about the bonds between the classes The author examines achievements in education and the emergence of a thriving gamut of literary groups public libraries social clubs and other assciations created to promote public instuction pedagogy manners temperance cultivated music and moral improvement These cultural associations strove towards the longed for civilisation as percieved in its prevalent Western connotations The social intermingling brought about by all these forms of sociability did not of course abolish class distinctions but did generate a complex and closely integrated society with an optimistic and constructive view of itself The description of social and cultural dynamism set against the background of growing religiiosity challenges the seldom discussed assumption that religion slowed down social and cultural modernisation Primary evidence drawn from extensive research in proceedings and reports by groups associations periodical publications statistics diaries and memoirs travellers accounts books of etiquette genre literature and other contemporary publications as well as visual images particulary photographs document important topics which have in the past attracted little attention from scholars

**Politics Latin America** Gavin O'Toole,2014-05-12 This is a volume which will become invaluable to those attempting to guide the neophyte through the maze of politics in Latin America Journal of Latin American Studies Politics Latin America examines the role of Latin America in the world and its importance to the study of politics with particular emphasis on the institutions and processes that exist to guarantee democracy and the forces that threaten to compromise it Now in its second edition and fully revised to reflect recent developments in the region Politics Latin America provides students and teachers with an accessible overview of the region s unique political and economic landscape covering every aspect of governance in its 21 countries The book examines the international relations of Latin American states as they seek to carve out a role in an increasingly globalised world and will be an ideal introduction for undergraduate courses in Latin American politics and comparative politics

**From Peril to Partnership** Paul J. Angelo,2024 Plan Colombia and the M rida Initiative represented an unprecedeted effort by Washington to stabilize fragile democracies in Latin America by shoring up the Colombian and Mexican security forces respectively From Peril to Partnership evaluates the extent to which the US government achieved its stabilization objectives US assistance was more helpful to Colombia than Mexico which adopted a more militarized approach This book highlights the importance of the private sector party system and security bureaucracy in facilitating progress and how their absence obstructs it

### **Colombia and World War I**

Jane M. Rausch, 2014-06-12 In the horrific conflict of 1914-1918 known first as The Great War and later as World War I Latin American nations were peripheral players Only after the U.S. entered the fighting in 1917 did eight of the twenty republics declare war Five others broke diplomatic relations with Germany while seven maintained strict neutrality These diplomatic stances even those of the two actual belligerents Brazil and Cuba did little to tip the balance of victory in favor of the allies and perhaps that explains why historians have paid scant attention to events in Latin America related to the war Nevertheless it is still remarkable that Percy Alvin Martin's classic account Latin American and the War first published in 1925 remains the standard text on the topic This book attempts to redress this gap by taking a fresh look at developments between 1914 and 1921 in one of the neutral nations Colombia This period which coincides with the presidency of José Vicente Concha 1914-1918 and his successor Marco Fidel Suárez 1918-1921 is filled with momentous developments not only in foreign policy when Colombian diplomats pressured by German British and U.S. propaganda struggled to maintain strict neutrality but also on the domestic scene as the newly installed Conservative regime faced political and economic crises that sparked numerous and violent protests Rausch's examination of the administrations of Concha and Suárez supports Martin's assertion that even those countries neutral in the Great War were not immune from its effects

### **Political Handbook of the World 2012**

Tom Lansford, Tom Muller, 2012-04-02 For this edition the Handbook editors have attempted to cover national elections for all of 2011 This information is incorporated within the regular text wherever possible or in headnotes at the beginning of the country entries for elections that occurred in the latter part of the year Each entry begins with information on a country's political status area population major urban centers languages currency and head of state and chief executive Demographic and economic information is presented in the section titled The Country while political background constitution and government foreign relations and current issues are examined in Government and Politics Political Parties and Groups provides an extensive analysis of formal parties political groupings and any antigovernment or illegal formations Each entry ends with an overview of the nation's legislature a current cabinet list and a brief intergovernment representation section including a membership list of intergovernment organizations for the respective country

### **Historical Dictionary of Colombia**

Harvey F. Kline, 2012-06 Colombia is the fourth largest country in South America and one of the continent's most populous nations It has substantial oil reserves and is a major producer of gold

silver emeralds platinum and coal along with a significant number of natural resources Colombia has also been ravaged by a decades long violent conflict involving outlawed armed groups drug cartels and gross violations of human rights Recently the country has made some progress towards improving security and President Santos has pledged to continue to improve security by passing laws to strengthen the judicial system a reform of the manner of distributing royalties paid by mining and petroleum companies and a tougher law against corruption The Historical Dictionary of Colombia covers the history of Colombia through a chronology an introductory essay appendixes and a bibliography The dictionary section has over 1 000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Colombia [Political Handbook of the World 2024-2025](#) Tom Lansford,2025-04-15 The Political Handbook of the World 2024 2025 is the most authoritative and comprehensive reference guide available for understanding the political landscape of every nation and territory across the globe This updated edition features more than 200 entries offering detailed coverage of governmental structures political parties and current leadership Known for its unmatched depth the volume provides in depth analysis of both major and minor political parties and movements and delivers timely insights into recent controversies political crises and key events from the past two years This edition also includes up to date listings of ambassadors international organization memberships and expanded profiles of over 30 intergovernmental organizations and UN agencies Trusted by researchers analysts journalists and students this resource continues to deliver essential reliable political data and analysis **Gaitán of Colombia** Richard E. **Comunismo Relaciones y diferencias** Gerardo Molina, 2020-04-08 Este pequeño libro es de divulgación Quien espere hallar en las disquisiciones agotadoras sobre cada uno de los temas enunciados es mejor que prescinda de su lectura Es bien difícil decir algo novedoso sobre cualquiera de las ramas que integran el pensamiento político En cambio nos parece que es muy útil explicar con la mayor claridad posible el contenido y la trayectoria del credo liberal del credo socialista en sus diferentes variantes y del comunista Sobre todo es útil si se alarde a un lector que no tiene tiempo disponible para adentrarse en el examen de estos títulos las relaciones y diferencias entre el liberalismo de izquierda o democrático y el socialismo o entre este y el comunismo Todavía son muchos los colombianos inclusive de cierta cultura para los cuales todos los partidarios del cambio social son comunistas Llevado de su deformación profesional como catedrático el autor estima que el más todo pedagógico más aconsejable es el que parte de la base de que los alumnos saben muy poco por no decir nada de la materia que se va a exponer El docente como también el escritor público debe tener por eso el coraje de decir cosas elementales Sobre todo en un medio como el nuestro donde se cree que es muestra de sabiduría complicar lo que es de falso de suyo De ahí la sencillez ya enunciada de los datos y de las reflexiones que constituyen este Breviario

*Relaciones internacionales y política exterior de Colombia* Sandra Borda, Arlene Tickner, 2011-01-01 El Centro de Estudios Internacionales CEI hoy parte activa del Departamento de Ciencia Política de la Universidad de los Andes se consolidó como pionero en los estudios internacionales en Colombia Desde allí se exploraron debates cruciales en la teoría de las relaciones internacionales y se produjeron algunas de las conclusiones más importantes sobre análisis de la política exterior colombiana Algunas de estas tuvieron que ver con el desarrollo de modelos analíticos y conceptuales para explicar la evolución histórica de la política exterior del país siendo los más influyentes las ideas del respaldo polémico y respaldo simbólico estrategias diferentes pero no necesariamente exclusivas o contradictorias de inserción en el sistema internacional También se elaboraron varias aproximaciones al estudio crítico y juicioso de la complejidad de las relaciones con los Estados Unidos con la región y los países vecinos y con el resto del mundo En este contexto se construyeron aproximaciones a temas como el narcotráfico la integración y los derechos humanos el medio ambiente la negociación internacional y la seguridad nacional regional e internacional Este libro recopila algunos de los trabajos más representativos que se produjeron en el CEI y el Departamento de Ciencia Política y que hoy hacen parte del

acervo acad mico sobre las relaciones internacionales y la pol tica exterior del pa s Aqu se reconstruye parte importante del estado del debate en esta rea y por supuesto se sugiere la necesidad de continuar alimentando la discusi n *A Political Chronology of the Americas* David Lea,Colette Milward,Annamarie Rowe,2001 Charts the major events and memorable dates in the political histories of the countries of the region Alphabetically listed individual country chapters Chronologically lists the major events of each country Covers the economic social and cultural developments that have affected the political history of each country *A Political Chronology of the Americas* Europa Publications,2003-09-02 Charts the major events and memorable dates in the political histories of the countries of the region Alphabetically listed individual country chapters Chronologically lists the major events of each country Covers the economic social and cultural developments that have affected the political history of each country *Histories of Solitude* A. Ricardo López-Pedreros,Lina Britto,2024-03-19 By combining chronological coverage analytical breadth and interdisciplinary approaches these two volumes Histories of Solitude and Histories of Perplexity study the histories of Colombia over the last two centuries as illustrations of the histories of democracy across the Americas The volumes bring together over 40 scholars based in Colombia the United States England and Canada working in various disciplines to discuss how a country that has been consistently presented as a rarity in Latin America provides critical examples to re examine major historical problems republicanism and liberalism export economies and agrarian modernization populism and cultural politics of state formation revolutionary and counterinsurgent Cold War violence neoliberal reforms and urban development popular mobilization and counterhegemonic public spheres political ecologies and environmental struggles and labors of memory and the challenge of reconciliation Contributors are sensitive to questions of subjectivity and discourse observant of ethnographic details and micro politics and attuned to macro perspectives such as transnational and global histories These volumes offer fresh perspectives on Colombia and will be of great value to those interested in Latin American and Caribbean history
