fiable y responsable que los ayude en la educación sexual a sus hijos La sexualidad es un tema cotidiano que va más allá de las relaciones sexuales y las religiones por tanto es imprescindible velar que nuestros hijos sean educados con valores conforme a nuestras creencias cristianas La sociedad tratar de imponer sus ideas por lo que es responsabilidad de los padres prepararse y tomar las riendas de esta enseñanza tan vital para la vida Cuál es el objetivo de la educación sexual en los niños Generar una sexualidad saludable desde que son pequeños Ayudarlos a prevenir conflictos Los padres no hablan de sexualidad con los hijos porque sienten vergüenza no saben qué decir asumen que el centro educativo lo hará por ellos o creen que aprenderán solos El problema es que si usted como padre no lo hace otros lo harán y probablemente no de la mejor manera Sixto Porras tomado del prólogo The author empowers parents by giving them the tools for an appropriate children sex education from a Christian perspective It breaks taboos and expands trust in the family It is not surprising children are having more startling questions about sex at this time in age than any other The overwhelming vast social media outlets are bombarding children with the wrong concept of sex and intimacy The main purpose of this book is to equip parents with the necessary tools to deal with sex and the main themes of faith with a close and proper language approach for the children Only by removing the taboos and allowing us to establish a healthy communication in the home we can empower our children without exposing them to prejudices and complexes Sexuality is a day to day issue it is beyond religions and beyond sexual relationships
