**History of Contemporary Praise & Worship** Lester Ruth, Lim Swee Hong, 2021-12-07 Christianity Today 2023 Book Award

Finalist History Biography New forms of worship have transformed the face of the American church over the past fifty years Drawing on a wide range of primary sources including interviews with dozens of important stakeholders and key players this volume by two worship experts offers the first comprehensive history of Contemporary Praise Worship The authors provide insight into where this phenomenon began and how it reshaped the Protestant church They also emphasize the span of denominational regional and ethnic expressions of contemporary worship     *Protestant Hispanic Churches of Oregon*

Deborah L. Berho, 2012-03-02 The number of Hispanics living in Oregon has burgeoned over the past several decades The number of Spanish speaking churches in the state has also grown exponentially However most non Hispanic Oregonians know very little about the Hispanic population This lack of knowledge about Latinos and about Hispanic ministries specifically is found among academics and Anglo Protestants alike This book is the result of my desire to provide information that will serve as a bridge between Spanish speaking and English speaking churches and facilitate understanding between groups in the broader population and provide a well documented study for the academy     Ecos tardíos del repertorio
