Nations Chris Maunder, 2016-02-18 Our Lady of the Nations is a detailed and scholarly overview of the apparitions of Mary in 20th century Catholic Europe Chris Maunder discusses apparitions in general and how they are interpreted in Catholicism by for example Karl Rahner and Benedict XVI The role of women and children as visionaries is considered including issues concerning changing views of gender children's spirituality and the protection of minors He covers cases that are well known and approved by the Church Fatima Beauraing Banneux and Amsterdam others that are well known but not approved such as Garabandal and Medjugorje and many that are neither well known nor approved such as those in Belgian Flanders or Nazi Germany in the 1930s or in France Italy or Germany after the Second World War Resources include academic studies of particular apparitions some Catholic theological and devotional literature and occasionally travel writing There is also coverage of material in French which is not known to the English reader Shrines and visionaries are believed to be indicators of the presence of Mary In the visionary perspective she has appeared in order to reassure her followers and to warn of divine judgement Her messages echo doctrinal Catholic Mariology with some innovations but also express a deep dissatisfaction with the events and trends of the 20th century from communism to Nazism to liberalism and religious indifference While the Marian cult evolves according to new templates for apparitions and developments in Mariology the fundamental message of presence consolation and admonition remains constant *The Divine Plan: The New Jerusalem and the Two Witnesses* A Soul, 2017-07-09 This book provides an overview of The Divine Plan of Our Heavenly Father as discerned by the author through Marian apparitions and heavenly messages of modern times It walks the reader through the Creation of mankind the Gospels and the presently unfolding period The End Times It also reveals further information on the Two Witnesses of the Book of Revelation Apocalypse The common theme throughout the book is the United Hearts of Jesus Christ and the Blessed Virgin Mary the Sacred Heart and the Immaculate Heart the Two Hearts of Holy Love and Divine Love Although this book is written by a Catholic Christian the intended audience is for all peoples of all faiths and non believers It is the sincere hope of the author that all readers will be inspired by the spirituality contained within the book's pages which the author believes comes directly from God's Own Paternal Heart Series Mary Refuge Of Holy Love Volume 1 *Becoming a Handmaid of the Lord* Ronda Chervin, Ronda De Sola Chervin, 2003-06 The journals of this well known Catholic writer detail the graces that sustained her during a mid life crisis It was in the year 1977 that I first started saving my journal entries The excerpts from the journals 1977 1995 describe special graces and reflections as I staggered through more decades of my life years that included a bout with breast cancer the death of my parents the suicide of our beloved son and the death of my dear husband in 1993 Excerpt from introduction Dr Chervin's journals are insightful inspiring and challenging *Medjugorje: A Message from the Queen of Peace*, *Be Not Afraid to Follow the Footprints from Heaven* John Carpenter, 2016-07-21 Does God really exist Is there really any evidence for that Can science prove that the Communion wine and bread actually turn into the flesh and blood of Jesus Christ Does the Shroud of Turin validate the mystical resurrection of

Christ through careful expert scrutiny How can statues weep real human tears How can the bodies of deceased holy persons not decay for centuries What are angels and what roles do they play Want to hear how Heaven and Hell are described And historically hundreds of people worldwide have documented appearances by the Virgin Mary This just cannot be real or is it Psychiatric therapist John Carpenter takes you where few researchers have gone before Like a logical detective amassing the supernatural evidence for your consideration he presents historical accounts and miraculous events along with recent medical and scientific research to develop a credible and stunning conclusion His evidence may bring you to a refreshing new spiritual awareness at a time when doubt distraction materialism violence and self indulgence seem prevalent The implications are both joyful and chilling as Carpenter slowly seduces the reader into following him through the labyrinth of divine mysteries created by those footprints from heaven Be not afraid to take this journey and discover the Truth that could change your life
