**Zenon E. Kohut**

## Queen Of Ukraine:

**Queen of Ukraine** John Bird, 1992-03-01      **War in Ukraine. Media and Emotions** Agnieszka Turska-Kawa, Agnieszka Kasińska-Metryka, Karolina Pałka-Suchojad, 2023-10-29 The aim of the book is to present the war in its two versions and dimensions i e the media image and the human factor The choice of these two areas has not been random Due to the situation communication also the one that mobilizes and shapes attitudes toward war has moved to the Internet From the first days of the war pieces of information have generated various emotions which translated into individual feelings but also evoked broadly understood movement in the area of spreading dis information and direct behavior This movement was multi level we see the mobilization of people in the area of conspiracy theories the expression of difficult emotions in memes as well as a test of strength in the information war between Russia and Ukraine The presentation of Volodymyr and Olena Zelenski in the media also had an undeniable impact of mobilization and their attitude built the image of heroic Ukraine from the very beginning These and other relationships between the indicated factors are presented in the book      **Meetings with Mary** Janice T. Connell, 2015-03-18 Through the centuries and across the world the Virgin Mary has appeared to ordinary people of every race and culture from scholars to illiterates from the devout to the unbelieving from young children to the dying In this exquisite and inspiring volume Janice T Connell chronicles authenticated Marian apparitions and messages Mary has brought from God as mother comforter Queen of Angels and Prophet of the Apocalypse Drawn from scripture legend and never before published eyewitness accounts these are personal stories the author s own and her interviews with other visionaries filled with beauty wonder and joy Meetings with Mary ranges from Elijah s vision of Mary eight hundred years before her birth to the world famous children of Medjugorje in Bosnia whose encounters with her began in 1981 and continue daily Here also are lesser known deeply touching encounters with the Mother from an office worker in Holland to a Japanese nun from a Jewish banker in Rome to an awestruck crowd of visionaries few of them Christians or of any other faith in Egypt Meetings with Mary asks also as the millennium draws near shadowed by disasters disease and brutal civil warfare are Mary s frequent appearances a signal to the faithful Perhaps she is calling us all to join her now on a voyage toward the eternal shores of peace joy and abiding love Connell is passionate about prayer and sharing her love of Jesus mother She has a way of simplifying complex theology Rocky Mountain News      *Gender Equality in the EU and Ukraine* Agata Włodkowska, Maryana Prokop, Oleksandra Struk, 2025-06-27 This book provides a comprehensive analysis of gender equality and women s rights in Ukraine and the European Union focusing on both political security and economic social dimensions The first part examines European gender policy standards in Ukraine feminist foreign policy women s involvement in political protests and the influential roles of First Ladies like Brigitte Macron Agata Kornhauser Duda and Olena Zelenska in promoting gender equality It also explores gendered aspects of military service the portrayal of female refugees and the EU s response to sexual violence in the context of Russia s war against Ukraine The second part addresses

economic and social issues including the intersection of gender equality with sustainable development gender responsive budgeting and women s roles in business It highlights women s contributions to nonprofit organizations and discusses the experiences of Ukrainian female students in Poland as well as the status of single mothers in Ukraine and the UK The study is relevant for policy formulation by institutions working on gender equality foreign affairs and human rights It is also a valuable resource for universities research institutes think tanks and civil society organizations involved in gender equality human rights and peacebuilding in Ukraine and Europe The interdisciplinary nature of the publication which integrates research from politics law sociology international relations economics and pedagogy makes it applicable to both general and specialized courses It is dedicated to researchers and students in the social sciences offering key insights for courses in gender studies political science international relations human rights studies eastern policy of EU development studies and European integration and providing a foundation for critical reflection on gender equality policies and EU integration

*Ukraine* Paul Robert Magocsi, 2007-12-15 Ukraine is Europe s second state and this lavishly illustrated volume provides a concise and easy to read historical survey of the country from earliest times to the present Each of the book s forty six chapters is framed by a historical map which graphically depicts the key elements of the chronological period or theme addressed within In addition the entire text is accompanied by over 300 historic photographs line drawings portraits and reproductions of books and art works which bring the rich past of Ukraine to life Rather than limiting his study to an examination of the country s numerically largest population ethnic Ukrainians acclaimed scholar Paul Robert Magocsi emphasizes the multicultural nature of Ukraine throughout its history While ethnic Ukrainians figure prominently Magocsi also deals with all the other peoples who live or who have lived within the borders of present day Ukraine Russians Poles Jews Crimean Tatars Germans including Mennonites and Greeks among others This book is not only an indispensable resource for European area and Slavic studies specialists it is sure to appeal to people interested in having easy access to information about political economic and cultural development in Ukraine

**Witchcraft in Russia and Ukraine, 1000-1900** Valerie A. Kivelson, Christine D. Worobec, 2020-11-15 For any serious scholar of Russian and Ukrainian witchcraft and magic this volume is a must read Scholars of folklore and popular culture also will find much of value Folklorica This sourcebook provides the first systematic overview of witchcraft laws and trials in Russia and Ukraine from medieval times to the late nineteenth century Witchcraft in Russia and Ukraine 1000 1900 weaves scholarly commentary with never before published primary source materials translated from Polish Russian and Ukrainian These sources include the earliest references to witchcraft and sorcery secular and religious laws regarding witchcraft and possession full trial transcripts and a wealth of magical spells The documents present a rich panorama of daily life and reveal the extraordinary power of magical words Editors Valerie A Kivelson and Christine D Worobec present new analyses of the workings and evolution of legal systems the interplay and tensions between church and state and the prosaic concerns of the women and

men involved in witchcraft proceedings The extended documentary commentaries also explore the shifting boundaries and fraught political relations between Russia and Ukraine **Glory to Ukraine: Speeches of President Zelenskyy** Volodymyr Zelenskyy, 2023-11-26 In *Glory to Ukraine Speeches of President Zelenskyy* the reader is presented with a compelling anthology of President Zelenskyy's most impactful speeches delivered during a tumultuous period in Ukrainian history This collection showcases his distinctive oratory style characterized by a blend of emotional gravitas and pragmatic urgency highlighting themes of nationalism resilience and the struggle for sovereignty against external aggression The book serves not only as a historical document but also as a testament to the power of language in mobilizing a nation during crisis evoking the rich literary tradition of Ukrainian rhetoric interwoven with contemporary political discourse Volodymyr Zelenskyy formerly a celebrated comedian screenwriter and television producer seamlessly transitioned from entertainment to the political arena bringing a unique perspective shaped by his background in the arts His commitment to democracy and reform in Ukraine coupled with his experiences of living through conflict informed his powerful public addresses Zelenskyy's ability to resonate with both national and international audiences reflects his understanding of the transformative potential of communication in times of peril This book is a must read for those interested in contemporary politics international relations and the role of leadership in crisis It not only immortalizes Zelenskyy's rhetoric but also offers profound insights into the spirit of a nation determined to forge its path in the face of adversity Readers will find inspiration in his words illuminating the resilience of the human spirit amid challenges

**Russian Invasion of Ukraine: Identity, History & Conflict** Vladimir Putin, Volodymyr Zelenskyy, 2023-12-26 *Russian Invasion of Ukraine Identity History Conflict* is a compelling anthology that delves into the intricate tapestry of identity historical narratives and the stark realities of conflict through diverse literary styles This collection offers an enlightening exploration of geopolitical tension drawing works that embody poetry prose and firsthand accounts to illuminate the multifaceted dialogue between power and resistance Among its notable pieces are those that seamlessly weave personal experiences with broader nationalistic themes engaging readers in a critical examination of historical and contemporary forces at play The anthology presents a rare combination of perspectives from contributors such as Vladimir Putin and Volodymyr Zelenskyy whose involvement underscores the anthology's depth These influential voices each rooted in distinct political and cultural milieus provide readers with nuanced insights into the ongoing conflict By aligning with significant historical and cultural movements the collection encapsulates the broader struggle for identity and self-determination that the conflict embodies Such a convergence enables the reader to grasp the complexity of the narratives shaping the geopolitical landscape profoundly As an invaluable resource for both scholars and general readers *Russian Invasion of Ukraine Identity History Conflict* offers a multiplicity of perspectives that enhance understanding of this pivotal era The anthology is not only educational but also serves as a platform fostering dialogue between diverse narratives urging readers to reflect on the collective insights presented The collection stands as a testament to the power of literature

to bridge divides and illuminate shared human experiences amidst conflict      **Making Ukraine** Olena Palko, Constantin Ardeleanu, 2022-05-15 Russia's illegal annexation of Crimea in 2014 and the ongoing war in eastern Ukraine have brought scholarly and public attention to Ukraine's borders. *Making Ukraine* aims to investigate the various processes of negotiation, delineation, and contestation that have shaped the country's borders throughout the past century. Essays by contributors from various historical fields consider how, when, and under what conditions the borders that historically define the country were agreed upon. A diverse set of national and transnational contexts are explored with a primary focus on the critical period between 1917 and 1954. Chapters are organized around three main themes: the interstate treaties that brought about the new international order in Eastern Europe in the aftermath of the world wars; the formation of the internal boundaries between Ukraine and other Soviet republics; and the delineation of Ukraine's borders with its western neighbours. Investigating the process of bordering Ukraine in the post-Soviet era, contributors also pay close attention to the competing visions of future relations between Ukraine and Russia. Through its broad geographic and thematic coverage, *Making Ukraine* illustrates that the dynamics of contemporary border formation cannot be fully understood through the lens of a sole state frontier or ideology and sheds light on the shared history of territory and state formation in Europe and the wider modern world.

*Ukraine, War, Love* Olena Stiazhkina, 2024-06-11 In *Ukraine War Love*, award-winning fiction writer Olena Stiazhkina chronicles day-to-day developments in her beloved hometown of Donetsk during Russia's 2014 invasion and occupation of the Ukrainian city with sarcasm, anger, and humor. This is a fierce love letter to her country, her city, and her people.      **Ukraine and European Security** David Albright, Semyen J. Appatov, 1999-04-26 Ukraine has emerged as a new factor on the European security scene since 1991, and this book explores the ramifications of that development. It lays out the views of leading North American, West European, and Ukrainian security analysts on European security issues during the next decade and their priority strategies for approaching these issues. Ukraine's role in European security and the Atlantic Community and Ukraine's security. Then it compares these views and assesses the implications of the complex pattern of similarities and differences in perspective.      **The Russia-Ukraine War from an African Perspective** Artwell Nhemachena, 2023-09-30 In the Russia-Ukraine war, attention has been focused on the Special Military Operation. This book argues that there are many other special operations in various other arenas in the world that deserve equal and urgent attention. Connecting special military operations to what it calls special economic operations, special cultural operations, special technological operations, special sexual operations, and special political operations, the book argues that special operations are not exclusive. Also drawing on topical debates about technoscience, the book critically examines invasive technologies in relation to bodily autonomy, integrity, and privacy and urges scholars and thinkers to compare these invasive technological operations to invasive special military operations. The book grapples with the future of humanity in a world where the human is decentred, even as the world witnesses the proliferation of resource wars. The book is relevant for scholars in anthropology, sociology,

politics government studies international relations history media studies science and technology studies and disaster management

*The Making of Cossack Ukraine* Zenon E. Kohut, 2025-09-16 Both modern Ukrainian nationhood and the historical preconditions of the country's contemporary conflict with Russia are rooted in a complex period of development in Cossack Ukraine. *The Making of Cossack Ukraine* traces the evolution of early modern Ukrainian political thought and culture from their sixteenth century origins to 1714. Early modern Ukraine was home to a multitude of interrelated political cultures including those of the Ruthenian nobility, the Kyivan clergy, and the Cossacks. Zenon Kohut shows how constant interplay between these cultures contributed to the development of political, territorial, religious, ethnic, and national collective visions that reflected early modern concepts of nation, state, and identity. Two persistent narratives, the idea of Ukrainian autonomy and perpetual rights, and the idea of a continuous Russian tsardom stemming from medieval times, formed the foundation for not only Ukrainian state and nation building but also Russia's modern identity and sense of nationhood, creating the ideological underpinning for Russian imperialism. Based in a classical analysis of ethnic, religious, and political ideas developed by early modern Ukrainian intellectuals, *The Making of Cossack Ukraine* brings to light the origins of present day Ukrainian political thought.

**Encyclopedia of Ukraine** Volodymyr Kubijovyc, 1984-12-15 Over thirty years in the making, the most comprehensive work in English on Ukraine is now complete. Its history, people, geography, economy, and cultural heritage, both in Ukraine and in the diaspora.

**Ukraine, the Middle East, and the West** Thomas M. Prymak, 2021-05-15 For decades, Ukrainian contacts with the outside world were minimal, impeded by politics, ideology, and geography. But prior to the Soviet period, the country enjoyed diverse exchanges with, on the one hand, its Islamic neighbours, the Crimean Khanate and the Ottoman Empire, and on the other, its central and western European neighbours, especially Poland and France. Thomas Prymak addresses geographical knowledge, international travel, political conflicts, historical relations with religiously diverse neighbours, artistic developments, and literary and language contacts to smash old stereotypes about Ukrainian isolation and tell a vivid and original story. The book treats a wide range of subjects, including Ukrainian travellers in the Middle East, from pilgrims to the Holy Land to political exiles in Turkey and Iran; Tatar slave raiding in Ukraine; the poetry of Taras Shevchenko; and the Russian war against Imam Shamil in the High Caucasus. Ukrainian themes and the French writers Honoré de Balzac and Prosper Mérimée. Rembrandt's mysterious painting, today titled *The Polish Rider*, and Ilya Repin's legendary painting of the Zaporozhian Cossacks writing their satirical letter mocking the Turkish sultan. Drawing together political and cultural history, languages, and etymology, and art history, *Ukraine, the Middle East, and the West* is an original interdisciplinary study that reintroduces Ukraine's long overlooked connections beyond Eastern Europe.

**Russia and Ukraine** Myroslav Shkandrij, 2001 Both Russian and Ukrainian writers have explored the politics of identity in the post-Soviet period, but while the canon of Russian imperial thought is well known, the tradition of resistance, which in the Ukrainian case can be traced as far back as the meeting of the Russian and Ukrainian polities and cultures of the

seventeenth century is much less familiar

**BOOK JACKET** *Ukraine - Culture Smart!* Anna Shevchenko, 2012-07-01 Who are the Ukrainians What are the key historical and cultural events that have shaped them What are their values and what challenges do they face today Ukraine is a country of paradoxes The people are proud of their roots yet reticent about their recent past the country participates in international space programs and produces the world's largest aircraft but still lives in a world rich with superstition The Ukrainian way of life is a mix of the old Soviet legacy centuries old customs and a search for a new European identity The word ukraine means borderland and indeed for centuries the country was a border province of great empires Different states fought bloody wars for the fertile Ukrainian lands and tore the country to pieces Its history has been a constant struggle for independence and freedom and foreign domination has left indelible traces in the Ukrainian mentality Ukrainians are fatalistic patient and resilient and one of the most popular sayings translates as Things will improve somehow Culture Smart Ukraine will help you get to know the Ukrainians It will inform you about the historical political and religious background that continues to shape the Ukrainian psyche today Using illustrative anecdotes it describes present day values and attitudes and offers practical advice on what to expect and how to behave in different social circumstances

Vitayemo Welcome to Ukraine **The History of Ukraine** Paul Kubicek, 2023-06-30 The Russia Ukraine war that began in 2022 turned the world's attention on Ukraine the second largest country in Europe and one of the leading global exporters of wheat and other valuable commodities Though some Russian leaders have long denied and continue to reject Ukrainian sovereignty this book presents a comprehensive picture of Ukraine that is both intertwined with and distinct from Russian history From its days as Kyivan Rus and its inclusion in the Russian Empire to the fall of the Soviet Union the Euromaidan demonstrations and the outbreak of war with Russia Ukraine as this book demonstrates has developed its own identity territory and culture With an up to date timeline of events short biographies of contemporary and historical figures and a useful annotated bibliography this book unpacks the historical claims and issues relevant to the conflict with Russia and provides an accessible introduction to Ukraine and its peoples

Encyclopedia of Sex and Gender Carol R. Ember, Melvin Ember, 2003-12-31 The central aim of this encyclopedia is to give the reader a comparative perspective on issues involving conceptions of gender gender differences gender roles relationships between the genders and sexuality The encyclopedia is divided into two volumes Topics and Cultures The combination of topical overviews and varying cultural portraits is what makes this encyclopedia a unique reference work for students researchers and teachers interested in gender studies and cross cultural variation in sex and gender It deserves a place in the library of every university and every social science and health department Contents Glossary Cultural Conceptions of Gender Gender Roles Status and Institutions Sexuality and Male Female Interaction Sex and Gender in the World's Cultures Culture Name Index Subject Index

**A short History of Ukraine** Mykhailo Hrushevsky, 2024-03-23 As with many peoples who return to political life late in life history the guardian of the past and the inspiration of the present has played a role in the Ukrainian renaissance that cannot be overstated

Throughout the 19th century a host of writers and scholars devoted their energies and time to delving into the annals of the nation they wanted to bring before the eyes of their compatriots the heroic struggles of their ancestors to seek out the ideas that had sustained them in their sorrows to find the thread that connects the mentality of today with that of the past to show their precursors to the new apostles Many of these historians whether distinguished by their literary qualities or by the solidity of their science have made themselves known to the literate world of Europe above all by their writings in Russian German or Polish But never a work which claimed to expose clearly the general history of Ukraine appeared in any of the great European languages And yet Voltaire was struck by the original features of our nation in his time Already in the 17th century our great national struggles for freedom had aroused the interest of the civilised world and were the subject of a host of memoirs in Latin French Italian and German We shall only quote those of Beauplan Chevalier Viminia and Grondski which gave their contemporaries a fairly accurate idea of what was then happening in Eastern Europe It is therefore surprising that Ukrainian scholars have not made the results of their work on the history of our nation accessible to the widest possible audience From the point of view of the interest it can inspire both to the sociologist the historian of law and morals and to the curious person interested in human documents and the simple lover of dramatic situations and glorious exploits it is in no way inferior to that of other peoples

## Unveiling the Magic of Words: A Overview of "**Queen Of Ukraine**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Queen Of Ukraine**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
