Queen Victoria Christopher Hibbert, 2000 This is a portrait of Victoria as the formidable demanding capricious queen of popular imagination which also shows her as often shy and vulnerable prone to giggling fits and crying jags **Queen Victoria** Lytton Strachey, 1989 This study of the childhood marriage and reign of England's beloved queen reveals a tender but determined woman Queen Victoria John Plunkett, 2003 The nineteenth century saw the arrival of the mass media high volume illustrated newspapers and magazines photography and the telegraph which connected every part of the Empire From the beginning royalty was an essential subject for the media Victoria's reign was documented in a detail never known before her accession and coronation her very public marriage her travels at home and abroad her Jubilees and ultimately her death and funeral John Plunkett's book is the first to study the role of the media in Queen Victoria's reign He argues that the development of popular print and visual media in the nineteenth century helped to reinvent the position of the monarchy in national life He reveals how the royal family was one of the principal beneficiaries of the growth of cheap newspapers and illustrated periodicals and the advent of new media He brings to light a wealth of previously unexamined material including a detailed account of the emergence of royal journalism and the role of functionaries like the Court Newsman and shows how photographs of Victoria were routinely retouched and manipulated in the latter decades of the century **The Political Influence of Queen Victoria, 1861-1901** Frank Hardie, 1963 First Published in 1963 Routledge is an imprint of Taylor Francis an informa company **Queen Victoria** Lytton Strachey, 2022-10-19 Reproduction of the original **Queen Victoria: Her Life and Times** Cecil Woodham Smith, 1972 Queen Victoria E. Who Was Queen Victoria? Jim Gigliotti, Who HQ, 2014-07-10 Her reign of 63 years and seven months is known as the Victorian Era a period of industrial cultural scientific and political change that was marked by a great expansion of the British Empire But Victoria was raised under close supervision and near isolation until she became Queen of the United Kingdom at the young age of 18 She married her first cousin Albert and had nine children who married into families across Europe By the time she had earned the nickname The Grandmother of Europe and the title Empress of India it was indeed true that the sun never set on the British Empire Publicly she became a national icon but privately

Who Was Queen Victoria **Queen Victoria's Secrets** Adrienne Munich, 1996 An unconventional figure in an age that excluded women from government Victoria was accorded prominence unavailable to any male monarch Yet as Adrienne Munich argues in this fascinating work the originality of the solid dour icon that was Victoria lay paradoxically in her very ordinariness The first book to fully investigate the influence of this icon of British history *Queen Victoria's Secrets* demonstrates the firm grasp the queen held on the cultural imagination of her country exploring how Victoria created and maintained her royal authority Gracefully weaving together feminist anthropological and postcolonial approaches Munich searches out the myriad often contradictory incarnations of the queen in the minds of her people How did Victoria convincingly maintain her power for forty years after Prince Albert's death never giving up her identity as a grieving widow How did Victorian society's reverential treatment of their queen conflate with the monarch's plain middle class public image These are some of the secrets Munich examines in her richly detailed work In demonstrating the subtle but powerful ways in which Victoria performed significant cultural work *Queen Victoria's Secrets* goes against the grain of Victoria scholarship which has tended to overlook the queen's political and cultural centrality This stylish accessible portrait will be of great interest to those who are fascinated by the myth making and secrets of the Victorian age
