Queen 50 Years A Celebration:

The Queen Ronald Allison, 2001 Queen Elizabeth II was crowned in 1953 following the death of her father King George VI the year before This book celebrates her 50 years of reign and is written with the special insight of its author Ronald Allison who joined the Royal Household after some years as the BBC's Court Correspondent and worked for the Queen as her Press Secretary for five years **Souvenirs from the Diamond Jubilee of Queen Victoria** Richard and Susan

Wales, 2012-12-13 A flavour of this book This small disk is called Carmichael's Amulet and it commemorates the Diamond Jubilee of Queen Victoria by the dates 1837 and 1897 These are the dates of her 60 years reign To the right can be seen a mould that is carved from wood It seems to have been professionally made in a large block that is well finished and furnished with a hook for hanging up The mould may have produced butter pats or terrines for a Victorian celebration As well as the Diamond Jubilee dates it commemorates the Record Reign that Queen Victoria had achieved in 1896 after being monarch for longer than George III These images were taken by the authors as this book was being written and so they do not appear in the text which summarises an enormous variety of Diamond Jubilee souvenirs Inside you will find a unique view of Victoriana that was made to celebrate one event at the height of the powers of the British Empire The souvenirs will give you a glimpse into Victorian creative ingenuity as well as the thinking and beliefs of people in 1897 **Her Majesty Queen Elizabeth II**

Story of Queen Victoria 200 Years After Her Birth Danielle Thorne, 2018 Almost 200 years ago the cries of a newborn baby echoed through the halls of London's Kensington Palace No one who celebrated Princess Victoria's birth in the late spring of 1819 could have imagined that the little girl born fifth in line to the English throne would be the ruling monarch of the United Kingdom in just a few short years The 19th century was a time of great change For Princess Alexandrina Victoria misfortune

would strike early with the loss of her father a lonely childhood and a mother determined to control her As teen queen Queen Victoria ruled with stubbornness strength and humility that nourished the advancement of the Industrial Revolution soothed the tempers of European warmongers and changed life in England in diverse and sometimes controversial ways Through her published journals and letters this beloved figure has come to be known as more than just an aristocratic young woman with a crown but a queen for the ages Victoria ruled on her own terms for an astounding 63 years She survived illness political plots the birth of nine children assassination attempts and a personal heartbreak that would transform her from a royal ruling mother into a mourning widow Through it all she maintained an iron determination to finish her course Under her reign the United Kingdom reached its historic peak of world power and dominion influencing change and life around the globe A small woman with glowing round eyes and a ready wit Queen Victoria is remembered today as the charming giantess who ruled while the sun never set on the British Empire *Elizabeth: Her Life, Our Times* Alan Titchmarsh, 2012-04-26 On 2 June 1953 27 year old Princess Elizabeth of York was crowned Queen the eyes of the world upon her as she dedicated herself to her country It is fascinating to look back over the sixty years since then and see how this remarkable woman decade by decade has brought the monarchy into the modern world earning admiration and respect for her unerring sense of duty her determination to innovate her tremendous dignity integrity and wisdom Drawing from his own experience and time spent with the royal family alongside additional meticulous research Alan Titchmarsh observes the woman the mother and the monarch He explores key moments in her reign both personal to her and in a wider historical context and traces how our relationship with the royal family has developed and morphed gone through ups and downs but is arguably now stronger than ever in this very special Diamond Jubilee year Packed with wonderful memorabilia and rarely seen archive photography *Elizabeth Her Life Our Times* defines an era pays tribute to our inexhaustible Queen and celebrates the example of responsibility loyalty and patriotism she has set for generations past present and future She is an inspiration to us all

Last Great Queen? Unity Elias YANG, 2014-04-23 Elizabeth II is a model of feminine excellence and an example for young people who may not be born to royal families but who should consider themselves as princesses and princes of the family to which they have been born Like Elizabeth who even as a child knew the significance of the role into which she had been born and started training for the future task young people should prepare for their future by acquiring training early in their life Like Elizabeth who married the first man she fell in love with young women should insist on marrying the first man they fall in love with to preserve and protect their womanhood and honour Finally Elizabeth trained as a car mechanic and

driver despite her wealthy royal background How many women have the courage today to train in skills which society considers a mans domain The Queen of England recommends training to young people with this remark Its all to do with the training you can do a lot if you are properly trained In this era when the monarchy is considered to be an outdated institution the British Royal Family has made it known that they will step aside when the British people will ask them to do so What makes the British monarchy different from other royals in the world What in the 1870s might have motivated the pre colonial Kings of Douala on the coast of todays Cameroon to apply to Queen Victoria the great grandmother of Queen Elizabeth II to colonise them Unity Elias Yang is also the author of The Third World where is it A Global State through Democratic Federal World Government Your Babys long journey to school Little Anita visits the Bank Children and Citizenship levels 1 6 Women and Childrens Chamber of Parliament democratising representation **Philip** Gyles Brandreth,2021-04-27
