Queen Jezebel:

Jezebel Patricia Dutcher-Walls, 2004 Powerful Assertive Evil What we know of Jezebel queen of Israel seems pure malevolence What we know is what ancient writers in their attempt to shape a theological history considered important More than just an intriguing story Jezebel Portraits of a Queen provides insight into a character used and portrayed by biblical writers as a negative example Two portraits of Jezebel are created that of Jezebel the story character taken from narrative criticism and Jezebel the queen drawn from a sociological study From two combined portraits the reader can begin to understand the ancient writers worldviews theologies values and loyalties Jezebel s story gives readers a new perspective with which they may approach all biblical texts The focuses on social organization and monarchy will help students study the text within a framework of biblical society Chapters are Method Overview Narrative Method with a Focus on Rhetoric Narrative Method Applied A Portrait of a Character Method Overview Sociological Criticism with a Focus on Ancient Monarchy Sociological Method Applied A Portrait of a Queen and The Methods Interfaced The Portraits of Compared The Reverend Dr Patricia Dutcher Walls PhD is Associate Professor of Hebrew Scripture and Old Testament at Knox College at the University of Toronto as well as a minister in the Presbyterian Church in Canada **Jezebel** Lesley Hazleton, 2007-10-16 There is no woman with a worse reputation than Jezebel the ancient queen who corrupted a nation and met one of the most gruesome fates in the Bible Her name alone speaks of sexual decadence and promiscuity But what if this version of her story handed down to us through the ages is merely the one her enemies wanted us to believe What if Jezebel far from being a conniving harlot was in fact framed In this remarkable new biography Lesley Hazleton shows exactly how the proud and courageous queen of Israel was vilified and made into the very embodiment of wanton wickedness by her political and religious enemies Jezebel brings readers back to the source of the biblical story a rich and dramatic saga featuring evil schemes and underhanded plots war and treason false gods and falser humans and all with the fate of entire nations at stake At its center are just one woman and one man the sophisticated Queen Jezebel and the stark prophet Elijah Their epic and ultimately tragic confrontation pits tolerance against righteousness pragmatism against divine dictates and liberalism against conservatism It is in other words the original story of the unholy marriage of sex politics and religion and it ends in one of the most chillingly brutal scenes in the entire Bible Here at last is the real story of the rise and fall of this legendary woman a radically different portrait with startling contemporary resonance in a world mired once again in religious wars **The Queen's Fall: Jezebel's Final Day** Ahmed Musa, 2024-12-13 A powerful queen A wicked reign The dramatic downfall of the most infamous woman in Israel Jezebel the infamous Phoenician queen ruled with iron fisted cruelty seducing a nation into idolatry and wickedness But her reign of terror came to an explosive end on a fateful day that sealed her destiny The Queen s Fall Jezebel s Final Day tells the gripping story of how the ruthless queen who had manipulated her husband Ahab and slaughtered God s prophets met her grim fate as the judgment of God came crashing down This book unravels the tragic arc

of Jezebel's life from her rise to power through deceit and violence to her ultimate and spectacular downfall a sobering reminder of the consequences of pride wickedness and defiance against God In The Queen's Fall Jezebel's Final Day you will discover The sinister rise of Jezebel a foreign princess who married King Ahab and used her influence to bring Baal worship into Israel leading the nation into spiritual ruin How Jezebel's wicked schemes including the murder of God's prophets and the persecution of Elijah stirred up the wrath of God setting the stage for her eventual destruction The powerful prophecy of her downfall spoken by the prophet Elijah and how it came to pass in stunning detail fulfilling God's judgment on her and her house The dramatic final moments of Jezebel's life her death at the hands of Jehu the prophetic fulfillment of her downfall and how her body was trampled by horses and devoured by dogs as foretold by God The deep spiritual lessons her story teaches about the consequences of pride manipulation and the rejection of God's authority and how wickedness always meets with divine judgment Jezebel's fall from power wasn't just the end of a queen's life it was a public display of God's justice a divine warning that no one can escape the consequences of defying God Despite her power wealth and cunning she could not outrun the judgment that had been decreed Her end was a stark reminder to all that God's Word is not to be mocked and His justice will ultimately prevail What does Jezebel's story teach us about the danger of unchecked power manipulation and pride How can we learn from her fall to avoid the pitfalls of self exaltation and disobedience to God Jezebel's final day is a powerful testament to the fact that no one can stand against the judgment of God Her story is a warning to all who choose to walk in defiance of His will Step into The Queen's Fall Jezebel's Final Day and witness the tragic end of a woman who once held the power to sway nations only to be brought low by the God she so relentlessly opposed No kingdom built on wickedness can endure God's justice is certain and His judgment is final

Jezebel Carole M. Lunde,2020-12-28 Jezebel was the daughter of King Ethbaal of the city states of Sidon and Tyre They were Phoenicians a sea faring people Baal was their god Astarte was their goddess Because she was a Phoenician Princess Jezebel was educated well traveled talented and quick witted Researchers wonder why she is so reviled in the Hebrew Testament Was it because she was a woman of royal power having vast legal and business knowledge Other objections were her devotion to Baal and Astarte All foreign wives of kings were allowed to bring their religion with them But she did not bring her gods to Israel King Omri and his son Ahab were Baal worshippers before she arrived The Bible authors avoided giving her the title of Queen even though she was the queen being married to King Ahab And there is no evidence she was ever unfaithful to King Ahab Queen Jezebel ,2009 They say there were some baaad babes back in Bible days Yeah a bunch a baaad babes way back in Bible days Some were baaad for a moment Some were baaad for a season But each of those baaad babes was baad for a reason **Jezebel's Puppets** Jennifer LeClaire,2016 Many charismatic Christians are familiar with the biblical character of Jezebel yet they do not know the demonic spirit by that name that still wreaks havoc today The Jezebel spirit characterizes anyone who acts in the same manner as Jezebel did engaging in immorality idolatry false teaching and unrepentant sin Its manifestations are conniving and destructive dwelling in she who desires to have her way no matter who is destroyed in the process You can t defeat what you can t see While most people are hyper focused on Jezebel and are basing their warfare on a misunderstanding of what Jezebel really is fewer understand the workings of Jezebel s demonic partners in crime The spirit of Jezebel couldn t execute all its wicked plots without the spirits of Ahab the false prophets and the eunuchs This book will fully expose this destructive team s plan teaching readers how to discern each spirit and defeat them From Ancient Writings to Sacred Texts S. A. Nigosian,2004-10-29 Nigosian explores the diverse literary antecedents of the Old Testament as well as the Apocrypha books excluded from the canonical Hebrew text but included in the Septuagint **Naboth's Vineyard** Clemence Dane,1925 *Bridging the Racial & Political Divide* Alice Patterson,2010-10 Some would say Now is not the time to talk about race in politics America is divided and needs to be united Alice Patterson demonstrates that now is the time to discuss what has divided us and how to bring transformation to our nation In this book you will find reconciliation and racial healing in an unlikely place the political arena Is God interested in politics Does He want you to get involved Can ordinary citizens have real power instead of just influence Can we empower evil powers without even realizing it Is tolerance a virtue or a sin These answers and more are found in *Bridging the Racial Political Divide* **Jezebel's War with America** Michael L. Brown,2019 In 21st century America Jezebel is not a person But it s as if the spirit of Jezebel is alive again today This eye opening book not only unveils the satanic plot to destroy America beginning with an all out assault on the church but it will equip every believer with tools to defeat the enemy in their own personal lives as well as in the nation **A Feminist Companion to the Apocalypse of John** Amy-Jill Levine,2010-05-05

The thirteenth volume in this landmark series examines the Revelation of John through the categories of post colonial thought deconstruction ethics Roman social discourse masculinization virginity and violence The reach of this volume therefore goes beyond that of most feminist studies of Revelation which frequently focus on the female imagery the Thyatiran prophet called Jezebel the Woman Clothed with the Sun the Whore of Babylon and the Bride the Heavenly Jerusalem The symbols of Revelation remain open and interpretations continue Some readers will refuse to rejoice at the dismemberment of the Woman who is Babylon they will resist the masochistic infantile self abasement before this imperial Deity who rules by patriarchal domination Others will conclude that these descriptions are only metaphors separate form from substance and worship the transcendent to which the metaphors imperfectly point Some readers will understand if not fully condone John s rhetoric by seeking his political and social location others will condone if not fully understand how the Apocalypse can provide comfort to those undergoing persecution or deprivation Some readers may reject the coercive aspects of a choice between spending eternity in praise of the divine or being tortured with fire and sulfur others may rejoice in their own salvation while believing that those being tortured deserve every pain inflicting upon them still others may use mimicry or parody or anachronistic analogy to challenge defang or replace John s message What we find behind the veil may be beautiful or terrifying or both but we cannot avert our eyes John s vision is too influential today in our own political climate not to look for ourselves The Feminist Companion to the Apocalypse of John includes contributions by David L Barr Mary Ann Beavis Greg Carey Adela Yarbro Collins Lynn R Huber Catherine Keller John Marshall Stephen Moore Jorunn kland Hanna Stenström Pamela Thimmes and Carolyn Vander Stichele There is an introduction by Amy Jill Levine and a comprehensive bibliography

Revelation 12-22 (ITC) Peter J. Leithart, 2018-02-22 The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of the book Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation s cryptic nature has ensured that it would always be a source of controversy This commentary focuses on the theological content gleaned the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition **Watching God Woo the World** Ruth E. Correll, 2022-06-02 Do you wonder how a thick book with thin pages of fine print written centuries ago remains the world s all time best seller Matchless stories occupy nearly half the Bible but you need to know they exist and

where to find them In *Watching God Woo the World* author Ruth E Correll brings the Bible's great story to life through accounts that include both genders This guidebook features more than seventy selected Bible stories of the all encompassing human male and female linkages in the family of origin sexual encounter s and other functional affiliations in the wider community In the book they are labeled like this BLOOD father daughter FD mother son MS brother sister BS SEX husband wife HW not married NM or PEERS peers in the plot PP with no blood or sexual ties These three kinds of bonds flow from the triune God's all encompassing love that offers a true family identity ready mercy to heal and to bless and graceful guidance into a life of good will and service Correll who has witnessed Bible stories stir and inspire adults for over fifty years presents keen insights into the Bible which gives witness to the character actions and purposes of God *Inhabiting the Promised Land* Margreet L. Steiner, 2019-09-16 For many people it is clear the actions and beliefs of Ancient Israel are described in the Bible The stories about its peoples and kings struggles and wars deities and shrines are supposed to have been told and retold throughout the ages and recorded in ancient archives At a certain moment in time these stories have been assembled in the Bible which becomes history However from the 19th century at least scholars have doubted the historical reliability of many biblical stories and archaeological research has hardly been able to confirm their historicity The aim of this book is to describe the often complicated relationship between archaeology and the Bible It is not a book on biblical archaeology and archaeology is not used to illustrate the biblical stories let alone to prove that the Bible is right On the contrary it focuses on the information that archaeology can provide of the lives and beliefs of the ancient peoples that inhabited the land in which the Bible was written and on the question of how this information relates to the biblical stories It aims at providing some examples of how this interplay of archaeology and biblical stories works and how to interpret the discrepancy that may exist between the results of archaeological research and the biblical narrative It thus offers an introduction into the field from the standpoint of an archaeologist The book is intended for the general public and will also be of interest to biblical scholars historians and teachers as well as archaeologists in other fields It differs from the average non scholarly book on this subject in that it is more personal more eclectic more archaeological Reviews of the Dutch edition praise the passionate style and the way it focuses on the scientific process of researching problems instead of on finding answers and presenting the solution
