Queen Marys Photograph Albums:

Queen Mary's Photograph Albums Queen Mary (consort of George V, King of Great Britain), 1989 Queen Mary James Pope-Hennessy, 2019-02-21 The official biography of Queen Mary grandmother of the current Queen originally commissioned in 1959 with a new foreword by Hugo Vickers When Queen Mary died in 1953 James Pope Hennessy was commissioned to write an official biography of her unusual for a Queen Consort Queen Mary's life contrary to popular belief was essentially dramatic and she played a far more important and influential role in the affairs of the British monarchy than her public image might have otherwise suggested Using material from the Royal Archives private papers and Queen Mary's personal diaries and letters Pope Hennessy's biography was a remarkable portrait of a remarkable woman and received rave reviews across the press Long out of print this new edition of Queen Mary will be accompanied by a new foreword from royal biographer and writer Hugo Vickers

The Photograph Album David McGlone, 2023-11-07 If memories are films about ghosts these pictures were the story of a haunted relationship There is a thin line between love and hate For over twenty one years Maria and John had criss crossed the boundary Now on the morning of their anniversary they are selecting photographs from their time together Silently evaluating their past while trying to decide if they have a future David McGlone's THE PHOTOGRAPH ALBUM takes each picture as a starting point for an evaluation of the day the year and beyond A tale of love hate trust heartbreak and death it is ultimately a story of redemption that elicits laughter as much as it does tears

The Quest for Queen Mary James Pope-Hennessy, Hugo Vickers, 2018-09-20 A delightful insight into an eclectic life The Daily Telegraph Very funny and astute a loathly feast for royal watchers Hilary Mantel New Statesman Books of the Year 2018 A complete delight conjuring up with a few sharp strokes of the pen a mad exotic species from a world gone by Craig Brown Mail on Sunday Gloriously indiscreet the best royal book ever Harry Mount Financial Times When James Pope Hennessy began his work on Queen Mary's official biography it opened the door to meetings with royalty court members and retainers around Europe The series of candid observations secrets and indiscretions contained in his notes were to be kept private for 50 years Now published in full for the first time and edited by the highly admired royal biographer Hugo Vickers this is a riveting often hilarious portrait of the eccentric aristocracy of a bygone age Giving much greater insight into Queen Mary than the official version and including sharply observed encounters with among others the Duke and Duchess of Windsor the Duke of Gloucester and a young Queen Elizabeth The Quest for Queen Mary is set to be a classic of royal publishing

The Rhinoceros of South Asia Kees Rookmaaker, 2024-04-30 The rhinoceros is an iconic animal Three species once inhabited South Asia two of which disappeared over a century ago This survey aims to reconstruct the historical distribution of these large mammals resulting in new maps showing the extent of their occurrences Thousands of sources varied in time and nature are used to study the interactions between man and rhinoceros The text is supported by over 700 illustrations and 38 maps showing the importance of the rhinoceros in the scientific and cultural fabric of Asia and beyond

Historical

Dictionary of the British Monarchy Kenneth J. Panton, 2011-02-24 The monarch is the United Kingdom's head of state exercising powers that are circumscribed by common law convention and statute law Nowadays many of the sovereign's functions are ceremonial but in the past the balance between ceremony and decision making was very different The foundations of the modern monarchy were laid more than a millennium ago in Anglo Saxon and Celtic Britain so its modern form is a stage in an evolution that has been shaped by attitudes towards divorce the changing role of women the democratization of society dynastic intermarriage financial demands religious convictions struggles for economic and political power and territorial aggrandizement Covering some of the most famous figures in world history including William the Conqueror Henry VIII and Queens Victoria Elizabeth I and Elizabeth II the Historical Dictionary of the British Monarchy provides a chronology starting with the year 495 and continuing to the present day an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on significant persons places events institutions and other aspects of British culture society economy and politics This book is a must for anyone interested in the British monarchy

Her Majesty Queen Mary Louis Wulff, 1949 **Working for Victory?** Diana Condell, Jean Liddiard, 2022-08-24 Women kept the home fires burning while their men went off to war This is the usual image of the part played by women in the First World War reinforced through countless posters government exhortations and even popular songs It is very far from the truth As this remarkable book shows originally published in 1987 the truth was that women showed themselves capable of undertaking many roles hitherto the sole prerogative of men a position accepted during the emergency of war but quickly righted once peace was restored the women who had helped to win the war were displaced by the returning heroes from the Front Diana Condell and Jean Liddiard selected more than 150 superb contemporary photographs and these unique pictures with extended captions and accompanying text illustrate the many and varied roles played by women in the First World War Many of the photographs had never been published before and they reveal dramatically the extent to which women took over the day to day running of society during the war Fulfilling these roles helped to change women's perceptions of themselves and their place in the social fabric the photographs are arranged thematically to reveal this and how society's own view of women was altered as a result The book also tells the story of the war from the female viewpoint assessing its effect on the women involved It focuses in a neglected but vital part of the history of the emancipation of women and also raises questions about what sort of victory they had worked for In quality and range this was a pioneering study More than that through the haunting quality of its images it creates a pathway into the mind and world of the past **For King and Country** Heather Jones, 2021-09-23 This is a ground breaking history of the British monarchy in the First World War and of the social and cultural functions of monarchism in the British war effort Heather Jones examines how the conflict changed British cultural attitudes to the monarchy arguing that the conflict ultimately helped to consolidate the crown's sacralised status She looks at how the monarchy engaged with war recruitment bereavement gender norms as well as at its political and military powers

and its relationship with Ireland and the empire She considers the role that monarchism played in military culture and examines royal visits to the front as well as the monarchy's role in home front morale and in interwar war commemoration Her findings suggest that the rise of republicanism in wartime Britain has been overestimated and that war commemoration was central to the monarchy's revered interwar status up to the abdication crisis

The Queen Matthew Dennison, 2021-06-03 Matthew Dennison's elegant and magisterial biography of Her late Majesty updated following the death of Elizabeth II and the accession of King Charles III A worthy and balanced overview of the Queen's life Dennison is especially good on her childhood quietly tactfully tastefully reverent The Times The death of Queen Elizabeth II on 8 September 2022 was more than just a moment of profound sadness her passing marked the end of an era in our national life and the final closing of the Elizabethan Age For millions of people both in Britain and across the world Elizabeth II was the embodiment of monarchy Her long life spanned nearly a century of national and global history from a time before the Great Depression to the era of Covid 19 Her reign embraced all but seven years of Britain's postwar history up to the accession of her son King Charles III she was served by fifteen UK prime ministers from Churchill to Truss and witnessed the administrations of fourteen US presidents from Truman to Biden In this brand new biography of the longest reigning sovereign in British history Matthew Dennison traces her life and reign across an era of unprecedented and often seismic social change Stylish in its writing and nuanced in its judgements The Queen charts the joys and triumphs as well as the disappointments and vicissitudes of a remarkable royal life it also assesses the achievement of a woman regarded as the champion of a handful of British values endorsed if no longer practised by the bulk of the nation service duty steadfastness charity and stoicism

Queen Mary, 1867-1953 James Pope-Hennessy, 1959 Biografie van Mary koningin van Engeland 1867 1953

The Diva & the Rancher Jennifer Hamblin, David Finch, 2006 Big dreams dashed hopes and romance are at the heart of this biography of Norma and George Pocatererra The story begins in 1903 when George Pocatererra left Italy and came to the Canadian Rockies with hopes of striking it rich George is best known for establishing the Buffalo Head Ranch in the foothills of Alberta He developed a close friendship with members of the Stoney Indians and was one of the first non Natives to explore much of what is now called Kananaskis Country In 1933 he returned to Italy where he met and fell in love with Norma Piper a young Calgary singer who had moved to Italy to study opera They eventually married and George took over the management of Norma's rising operatic career World War II forced a return to Canada in 1939 In Calgary Norma became part of the local music scene giving concerts and teaching singing at Mount Royal College In 1955 she started her own studio and over the next 25 years became one of Calgary's most loved music teachers George meanwhile continued with his coal mining ventures although he suffered bitter disappointments Drawing on personal diaries and correspondence the authors have created an intimate portrait of these remarkable Albertans who became each in their own way legends in their lifetimes

Young Elizabeth Kate Williams, 2015-11-15 We can hardly imagine a Britain without Elizabeth II on the throne

It seems to be the job she was born for And yet for much of her early life the young princess did not know the role that her future would hold She was our accidental Queen Elizabeth s determination to share in the struggles of her people marked her out from a young age Her father initially refused to let her volunteer as a nurse during the Blitz but relented when she was 18 and allowed her to work as a mechanic and truck driver for the Women s Auxiliary Territorial Service It was her forward thinking approach that ensured that her coronation was televised against the advice of politicians at the time Kate Williams reveals how the 25 year old young queen carved out a lasting role for herself amid the changes of the 20th century Her monarchy would be a very different one to that of her parents and grandparents and its continuing popularity in the 21st century owes much to the intelligence and elusive personality of this remarkable woman **Imperial Requiem** Justin C. Vovk, 2014-06 Augusta Victoria Mary Alexandra and Zita were four women who were born to rule In *Imperial Requiem* Justin C Vovk narrates the epic story of four women who were married to the reigning monarchs of Europe s last empires during the late nineteenth and early twentieth centuries Using a diverse array of primary and secondary sources letters diary entries and interviews with descendants Vovk provides an in depth look into the lives of four extraordinary women who stayed faithfully at their husbands sides throughout the cataclysm of the First World War and the tumultuous years that followed At the centers of these four great monarchies were Augusta Victoria Germany s revered empress whose unwavering commitment to her bombastic husband made her a national icon Mary whose Cinderella story and immense personal strength made her the soul of the British monarchy through some of its greatest crises Alexandra the ill fated tsarina who helped topple the Russian monarchy through her ineffective rule and Zita the resolute empress of Austria whose story of loss and exile captivated the world s attention for seven decades *Imperial Requiem* shares the fascinating story of four princesses who married for love graced imperial thrones and watched as their beloved worlds were torn apart by war revolution heartache and loss *Diverse Voices in Photographic Albums* Mary Trent, Kris Belden-Adams, 2022-07-29 Through a variety of case studies by global scholars from diverse academic fields this book explores photographic album practices of historically marginalized figures from a range of time periods geographic locations and socio cultural contexts Their albums stories span various racial ethnic gender and sexual identities nationalities religions and disabilities The vernacular albums featured in this volume present narratives that move beyond those reflected in our existing histories Essays examine the visual material and aural strategies that album makers have used to assert control over the presentation of their histories and identities and to direct what those narratives have to say a point of special relevance as these albums move out of private domestic space and into public archives institutions and digital formats This book does not consider photographic albums and scrapbooks as separate genres but as a continuum of modern creative practices of photographic and mass print collage aimed at self expression and narrative building that co evolved and were readily accessible The book will be of interest to scholars working in art history history of photography visual culture material culture media studies and cultural studies

The Many Deaths of Mary Dobie David Murray Hastings, 2015-09-28 Dreadful murder at Opunake said the Taranaki Herald Shocking outrage cried the Evening Post in Wellington when they learned in November 1880 that a young woman called Mary Dobie had been found lying under a flax bush near Opunake on the Taranaki coast with her throat cut so deep her head was almost severed In the midst of tensions between Maori and Pakeha in 1880 the murder ignited questions Pakeha feared it was an act of political terrorism in response to the state's determination to take the land of the tribes in the region Maori thought it would be the cue for the state to use force against them especially the pacifist settlement at Parihaka Was it rape or robbery was the killer Maori or Pakeha In this book David Hastings takes us back to that lonely road on the Taranaki coast in nineteenth century New Zealand to unravel the many deaths of Mary Dobie the murder the social tensions in Taranaki the hunt for the killer and the lessons that Maori and Pakeha learnt about the murder and about themselves

Philip Gyles Brandreth, 2021-04-27

THE SUNDAY TIMES TOP 10 BESTSELLER It is a beautifully written book about a unique and extraordinary man who was the longest serving consort to the longest reigning monarch in British history I have read many other books about Philip but this is the best DAILY EXPRESS Gloriously witty and incisive DAILY MAIL It's bloody brilliant totally inspiring it's a joy to read a book that comes from a perspective of fondness There are whole pages I want to read to the kids and stick to the fridge KIRSTIE ALLSOPP THE TIMES As a sparkling celebration of Prince Philip the book will be hard to beat THE TELEGRAPH Brandreth explores a temperament on the brink of anger and agitation with immense tact even affection THE SPECTATOR This affectionate biography of Prince Philip is stuffed with entertaining anecdotes so readable and refreshing even after the millions of words that have been written about Prince Philip in the past couple of weeks THE TIMES Brilliant there is so much in this book you won't find anywhere else LORRAINE A stately respectful and joyful tribute It is an extraordinary story told with unique insight and authority by an author who knew him for more than 40 years EDINBURGH EVENING NEWS A warm affectionate portrait of the much missed Duke a rich source of insights and anecdotes SAGA MAGAZINE

This is the story of Prince Philip Duke of Edinburgh the longest serving consort to the longest reigning sovereign in British history It is an extraordinary story told with unique insight and authority by an author who knew the prince for more than forty years Philip elusive complex controversial challenging often humorous sometimes irascible is the man Elizabeth II once described as her constant strength and guide Who was he What was he really like What is the truth about those gaffes and the rumours of affairs This is the final portrait of an unexpected and often much misunderstood figure It is also the portrait of a remarkable marriage that endured for more than seventy years Philip and Elizabeth were both royal by birth both great great grandchildren of Queen Victoria but in temperament and upbringing they were two very different people The Queen's childhood was loving and secure the Duke's was turbulent his grandfather assassinated his father arrested his family exiled his parents separated

when he was only ten Elizabeth and Philip met as cousins in the 1930s They married in 1947 aged twenty one and twenty six Philip The Final Portrait tells the story of two contrasting lives assesses the Duke of Edinburgh s character and achievement and explores the nature of his relationships with his wife his children and their families and with the press and public and those at court who were suspicious of him in the early days This is a powerful revealing and ultimately moving account of a long life and a remarkable royal partnership **The Autobiography of a Maverick Christian** Davion Maurice

Woodman,2021-04-27 When I was a young baby boomer growing up in Los Angeles and Inglewood California I felt the maverick in me My favorite TV shows were the westerns of the 1950s and 1960s I always admired the cowboys and gunslingers for their strong character and courage Like them I also was unconventional and independent and did not think or behave in the same way as my peers or others Occasionally I was rebellious and did not take orders readily As I grew and became a man I always felt confident in myself as a leader and I rarely regarded others especially my peers as being my even change or equivalent However to become a real man I needed leadership where I was weakest So I often sought from adult men righteousness truthfulness boldness faithfulness loyalty and authenticity I needed a man with good strong character who told the truth and spoke to me in a language that I understood not to discourage me or criticize me unfairly but to elicit from me my best traits Honestly I needed another maverick Christian to lead me away from destruction and into life Perhaps you feel the maverick in you Whether life is currently good bad or ugly I invite you to experience my Christian journey of aligning with the ultimate high priest for all mavericks Pray to God right now and ask Jesus to be your Savior He is able to inspire the wildest of us My Mother and I Ingrid Seward,2024-02-15

The story of the real relationship between King Charles III and his mother by the esteemed royal biographer Ingrid Seward The relationship between the late Monarch and her son the King has long been a subject of fascination The upbringing of an heir is especially important and places an extra burden on top of all the cares of motherhood The demands placed on the monarch are unique and there was no one better placed to know this than the late Queen She knew that not only must they be figureheads but they must be seen to care for others less fortunate than themselves They are also expected to uphold family values Princess Elizabeth made it a point of maternal honour to try and build her routine around her young son while doing her duty When she became Queen it was a more delicate balance but one which she eventually learnt to sustain Unlike his self contained mother who always put duty above personal happiness King Charles needed love and support to function properly This is the story of how Charles was shaped and moulded by his heritage His mother was the woman he always loved but could never be close to As Queen she held the Pandora s box of the crown and all he could do was wait and learn In his mother s old age he finally received the affection and respect from her he had craved for so long This book documents his life through many personal anecdotes from his family and his friends from the moment the guns saluted his birth to the day he was officially declared as the King at his Coronation *It Started in a Cupboard* Kenneth Calman,2019-08-15 Sir Kenneth Calman s extraordinary life story is based on a passionate love of

learning and it all began with him doing his homework by candlelight in a cupboard of his mum's Glasgow council house. He went on to be at the forefront of three different medical revolutions: oncology, palliative care, and the use of the arts in medical education, and to help guide the country through the BSE, VCJD health crisis. As Scotland's and then England's Chief Medical Officer, the reforms he pushed through saved many lives by improving both cancer care and the training of doctors. Few people know as much about learning, laughter, health, and happiness or come to that, sundials, beagles, cathedrals, and cartoons. And few people have touched so many lives, especially those of the seriously ill and dying, with quite as much grace, humour, and humanity.

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Queen Marys Photograph Albums**

In some sort of inundated with monitors and the cacophony of quick conversation, the profound energy and psychological resonance of verbal beauty usually disappear in to obscurity, eclipsed by the continuous barrage of noise and distractions. However, located within the lyrical pages of **Queen Marys Photograph Albums**, a fascinating function of literary brilliance that impulses with natural emotions, lies an wonderful trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, that exciting opus guides readers on a psychological odyssey, delicately exposing the latent potential and profound influence stuck within the complicated internet of language. Within the heart-wrenching expanse with this evocative examination, we will embark upon an introspective exploration of the book is central subjects, dissect their charming writing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
