corpses reminiscent of the gruesome practices of the Picts whom they fought so many years ago The Empress Helena summons her secret agent Claudia in a bid to resolve these macabre occurrences But Claudia has problems of her own The perfectly preserved corpse of a young Christian woman has been disinterred in her uncle s garden and it falls to her to investigate this mystery too Now she must track her way through a murky tangle of politics religion and murderous violence ever aware that the slightest mistake could cost her life What readers are saying about Paul Doherty A good example of historical fact and fiction mixed together the past comes to life in front of your eyes Paul Doherty s books are a joy to read The sounds and smells of the period seem to waft from the pages of Paul Doherty s books
