GAY CULTURE IN STRAIGHT SOCIETY

DAVID VAN LEER

Queening Of America

David William Foster

Queening Of America:

The Queening of America David Van Leer,1995 Since at least the end of the nineteenth century gay culture its humour its icons its desires has been alive and sometimes even visible in the midst of straight American society David Van Leer puts forward here a series of readings that aim to identify what he calls the queening of America a process by which rhetorics and situations specific to homosexual culture are presented to a general readership as if culturally neutral The Queening of America examines how the invisibility of gay male writing especially in the popular culture of the 1950s and 1960s facilitated the crossing of gay motifs in straight culture Van Leer then critiques some current models of making homosexuality visible the packaging of Joe Orton the theories of Eve Kosofsky Sedgwick the rise of gay studies before concluding more optimistically with the possible alliances between gay culture and other minority discourses **Befriending the Queer**

Nineteenth Century Michael Borgstrom,2020-12-14 *Befriending the Queer Nineteenth Century* Curious Attachments addresses a longstanding question in literary and cultural studies how can a case be made for the ongoing value of the humanities without an articulation of that field s social effects In response this book examines how readers befriend works of literature overtures that are based in a curiosity about the world that help those readers to appreciate the world anew As an instance of this dynamic it examines how the contemporary social interest in queerness can be contextualized through encounters with texts produced during an earlier era of queer flux the U S nineteenth century The book offers first hand accounts of such meetings weaving within its analysis reports on readers engagements with literature and the consequences of those connections It frames such dynamics as central to a new politics or to finding a vocabulary for a familiar politics that has not received its due *Restoring Women's History Through Historic Preservation* Gail Lee Dubrow,Jennifer B.

Goodman,2003-01-28 This essay collection draws upon work presented at three national conferences on women and historic preservation held at Bryn Mawr College in 1994 Arizona State University in 1997 and at Mount Vernon College in 2000

Critical InQueeries Steven Angelides,Craig Bird,1995 **The Oxford Handbook of Music and Queerness** Fred Everett Maus,Sheila Whiteley,Tavia Nyong'o,Tavia Amolo Ochieng' Nyongó,Zoe C. Sherinian,2022 Explores ways that music and queerness interact to create unique meanings Includes perspectives on music making from many times and places Innovative queer research and interpretation take exciting new directions Book jacket [Latin American Writers on Gay and Lesbian Themes](#) David William Foster,1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author s writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing

North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe

The Ambivalent Art of Katherine Anne Porter Mary Titus, 2012-02-01 During a life that spanned ninety years Katherine Anne Porter 1890 1980 witnessed dramatic and intensely debated changes in the gender roles of American women Mary Titus draws upon unpublished Porter papers as well as newly available editions of her early fiction poetry and reviews to trace Porter's shifting and complex response to those cultural changes Titus shows how Porter explored her own ambivalence about gender and creativity for she experienced firsthand a remarkable range of ideas concerning female sexuality These included the Victorian attitudes of the grandmother who raised her the sexual license of revolutionary Mexico 1920s New York and 1930s Paris and the conservative ordered attitudes of the Agrarians Throughout Porter's long career writes Titus she repeatedly probed cultural arguments about female creativity a woman's maternal legacy romantic love and sexual identity always with startling acuity and often with painful ambivalence Much of her writing then serves as a medium for what Titus terms Porter's gender thinking her sustained examination of the interrelated issues of art gender and identity Porter says Titus rebelled against her upbringing yet never relinquished the belief that her work as an artist was somehow unnatural a turn away from the essential identity of woman as the repository of life as childbearer In her life Porter increasingly played a highly feminized public role as southern lady but in her writing she continued to engage changing representations of female identity and sexuality This is an important new study of the tensions and ambivalence inscribed in Porter's fiction as well as the vocational anxiety and gender performance of her actual life

That Furious Lesbian Robert A Schanke, 2016-09-06 In this first book length biography of Mercedes de Acosta theatre historian Robert A Schanke adroitly mines lost archival materials and mixes in his own interviews with de Acosta's intimates to correct established myths and at last construct an accurate detailed and vibrant portrait of the flamboyantly uninhibited early twentieth century author poet and playwright Born to wealthy Spanish immigrants Mercedes de Acosta 1893 1968 lived in opulence and traveled in the same social circles as the Astors and Vanderbilts Introduced to the New York theater scene at an early age her dual loves of performance and of women informed every aspect of her life thereafter Alice B Toklas's observation Say what you will about Mercedes she's had the most important women in the twentieth century was well justified as her romantic conquests included such internationally renowned beauties as Greta Garbo Marlene Dietrich Isadora Duncan and Eva Le Gallienne as well as Alla Nazimova Tamara Karsavina Pola Negri and Ona Munson More than a record of her personal life and infamous romances this account offers the first analysis of the complete oeuvre of de Acosta's literary works including three volumes of poetry two novels two film scripts and a dozen plays Although only two of her plays were ever published during her lifetime four of them were produced featuring such stage luminaries as John Gielgud Ralph Richardson and Eva Le Gallienne Critics

praised her first volume of poetry *Moods* in 1919 and predicted her rise to literary fame but the love of other women that fueled her writing also limited her opportunities to fulfill this destiny. Failing to achieve any lasting fame, she died in relative poverty at the age of seventy-five. De Acosta lived her desires publicly with verve and vigor at a time when few others would dare, and for that she paid the price of marginalized obscurity. Until now, *With That Furious Lesbian* Schanke at last establishes Mercedes de Acosta's rightful place as a pioneer and indeed a champion in the early struggle for lesbian rights in this country. Robert A. Schanke has edited a companion to this biography, *Women in Turmoil: Six Plays by Mercedes de Acosta*, also available from Southern Illinois University Press.

Frederick Douglass and Herman Melville Robert S. Levine, Samuel Otter, 2012-09-01 Frederick Douglass 1818-1895 and Herman Melville 1819-1891 addressed in their writings a range of issues that continue to resonate in American culture: the reach and limits of democracy, the nature of freedom, the roles of race, gender, and sexuality, and the place of the United States in the world. Yet they are rarely discussed together, perhaps because of their differences in race and social position. Douglass escaped from slavery and tied his well-received nonfiction writing to political activism, becoming a figure of international prominence. Melville was the grandson of Revolutionary War heroes and addressed urgent issues through fiction and poetry, laboring in increasing obscurity. In eighteen original essays, the contributors to this collection explore the convergences and divergences of these two extraordinary literary lives.

Developing new perspectives on literature, biography, race, gender, and politics, this volume ultimately raises questions that help rewrite the color line in nineteenth-century studies.
