Oueens Warriors:

Women Warriors Pamela D. Toler, 2019-02-26 Discover the incredible stories of warrior women throughout history from Vikings and African queens to cross dressing military doctors and WWII fighter pilots Who says women don t go to war These exhilarating accounts finally put to rest the tired old arguments that only men are fit for combat Adrienne Mayor author of The Amazons The woman warrior is always cast as an anomaly Joan of Arc not GI Jane But women it turns out have always gone to war In this fascinating and lively world history Pamela Toler not only introduces us to women who took up arms she also shows why they did it and what happened when they stepped out of their traditional female roles to take on other identities These are the stories of women who fought because they wanted to because they had to or because they could Spanning from ancient history to the 20th century you ll meet a cast of powerful women that includes Tomyris ruler of the Massagetae who killed Cyrus the Great of Persia when he sought to invade her lands Amina of Hausa the West African ruler who led her warriors in a campaign of territorial expansion for more than 30 years Boudica who led the Celtic tribes of Britain into a massive rebellion against the Roman Empire to avenge the rapes of her daughters The Trung Sisters who led an untrained army of 80 000 troops to drive the Chinese empire out of Vietnam The Joshigun a group of 30 combat trained Japanese women who fought against the forces of the Meiji emperor in the late 19th century Lakshmi Bai Rani of Jhansi who was regarded as the bravest and best military leader in the 1857 Indian Mutiny against British rule Maria Bochkareva who commanded Russia's first all female battalion the First Women's Battalion of Death during WWII Buffalo Calf Road Woman the Cheyenne warrior who knocked General Custer off his horse at the Battle of Little Bighorn Juana Azurduy de Padilla a mestiza warrior who fought in at least 16 major battles against colonizers of Latin America and who is a national hero in Bolivia and Argentina today By considering the ways in which their presence has been erased from history Toler reveals that women have always fought not in spite of being women but because they are women Warrior Queens Antonia Fraser, 2014-04-30 In this panoramic work of history Lady Antonia Fraser looks at women who led armies and empires Cleopatra Isabella of Spain Jinga Mbandi Margaret Thatcher and Indira Gandhi among others Warrior Oueens Daniel Allen Butler, 2002 The outbreak of the Second World War created a critical need for Britain to assemble her troops from all corners of her far flung empire As the world's greatest maritime power the passenger liners of her merchant fleet were transformed into troopships able to carry thousands of troops The great Cunarders Queen Mary and Queen Elizabeth were indisputably the crown jewels of this fleet because of their speed size and elegance Each could ferry more than 16 000 troops during a crossing the equivalent of an entire army division Capable of speeds more than twice as fast as the quickest convoys the Queens always sailed alone defying German U Boats Such attractive targets were they that Hitler even placed a bounty on them Together they carried over one million military personnel Most important of all they lived on to tell the tale and enjoy more days of glory post war Alien Barbarian's Queen Miranda Martin, 2020-05-12 I do not desire death but if that is my destiny to protect my Queen then so be it Eve After the fall homeless folks like I became were shut out of the safe Rruk I left our home world looking for action and adventure What I found was the Queen of my heart with a tiny queen of her own Though I had dreamed of battle scars to mark me as a warrior of worth instead I got wounds to my heart as these two cleave their way into my affections I am a foolish male to make myself their protector during times of war Their world is under siege by vicious parasites and their Moltan handlers Every day is filled with endless fighting danger looms near the Queens of my heart as my comrades fall around us I am the only thing that stands between my Queens and a fate worse than death I don t want to die but I will do whatever it takes to protect my Queens If death is to be my destiny then so be it Legacy of a Warrior Queen Maria Herring, 2014-12-12 The women to take on a variety of roles namely palace guards guerrillas and war leaders and to what extent their experiences were different to those of men The reader is taken on an almost 1 500 year long journey through a crossroads region well known for the diversity of its peoples and cultures but also their ability to creatively graft foreign ideas onto existing ones. The book also explores the re integration of women into post conflict Southeast Asian societies including the impact or lack thereof of newly established international norms and the frequent turn towards pre conflict gender roles in these societies. Written by an international team of scholars this book will be of interest to academics working on Southeast Asian Studies.
