Twenty Million New Customers! Steven M Kates, 2013-12-19 Most of the world s population is in the dark when it comes to the consumer patterns of gay men But in *Twenty Million New Customers Understanding Gay Men s Consumer Behavior* you ll leave all the dark homophobic myths behind where they belong in the closet and come out into the light In its

colorful and informative chapters you'll see why gay men are a vital consumer lifeline to today's clothing industries as you tap into revealing psychological characteristics that will benefit any business manager. A scholarly yet personal poignant study, *Twenty Million New Customers* is a mixed shopping bag taking you on a day in the life tour of the buying patterns of 44 gay men. As an up-to-date catalog of scholarly data, it helps you see how mainstream businesses can tailor their marketing methods to this rapidly expanding demand in a competent professional and ethical manner. As a commentary on lifestyle, it transports you to unexplored consumer behavior territory that most people still consider deviant. Specifically, you'll read about in-depth personal interviews from gay consumers, real-life problems and market needs of gay men, consumer behavior as political protest, self-concept, identity, community and culture, the creation and maintenance of gay consumer subculture, research methods and managerial implications of the study. A recent survey estimates that over six percent of U.S. consumers openly acknowledges themselves as gay, clearly a priceless niche. So if you're a gay man trying to get the skinny on the latest bodysuit trends, a marketing scholar involved in quantitative methods research, or a manager interested in retiring your old outdated business savvy to the closet and exchanging it for a flashy new informed sense of marketing pizzazz, read *Twenty Million New Customers*. It'll shut the closet on the harmful myths surrounding gay consumerism and open the door to success.

Foundations of Social Work Practice with Lesbian and Gay Persons Gerald P. Mallon, 2013-09-13. Focusing on the pragmatic aspects of social work with gay and lesbian persons, this book offers a knowledge base of practice that will better prepare students and practitioners for working more competently and effectively with lesbians and gay men. Written by scholars and practitioners in the social work profession, *Foundations of Social Work Practice with Lesbian and Gay Persons* teaches you how to develop practice approaches that are sensitive to issues of sexual orientation as well as how to work with this population in the contexts of practice with individuals, couples, families, groups, communities, and organizations.
