Querido Diegote Abraza Quiela:

Querido Diego, Te Abraza Quiela Elena Poniatowska, 1978 **Continental, Latin-American, and Francophone Women Writers: 1986-1987** Eunice Myers, Ginette Adamson, 1987 *Querido Diego, Te Abraza Quiela* by Elena Poniatowska Elena Poniatowska, 2011-03-15 One of the threads that runs through Elena Poniatowska's oeuvre is that of foreigners who have fallen in love with Mexico and its people. This is certainly the case of Querido Diego te abraza Quiela, a brief novel so short it was originally published in its entirety in Octavio Paz's literary magazine Vuelta. The Russian exile and painter Angelina Beloff writes from the cold and impoverished post-war Paris to Diego Rivera, her spouse of over ten years. Beloff sends these letters to which there is no response during a time when the emancipation of women has broken many of the standard models and the protagonist struggles to fashion her own. Elena Poniatowska has re-created these letters and within them one finds the unforgettable testimony of an artist and her lover during the valuable crossroads of a new time when Diego Rivera was forging a new life in his native country. In this edition, Nathaniel Gardner comments on the truth and fiction Poniatowska has woven together to form this compact yet rich modern classic. Using archives in London, Paris, and Mexico City, including Angelina's correspondence held in Frida Kahlo's own home, as well as interviews from the final remaining characters who knew the real Angelina, Gardner offers a mediation of the text and its historical groundings, as well as critical commentary. This edition will appeal to both students and scholars of Latin American Studies, as well as lovers of Mexican Literature and Art in general.

Through Their Eyes Nathaniel Gardner, Nathaniel Eli Gardner, 2007 Even though Elena Poniatowska is considered to be one of the most important female writers in present-day Mexico, few book-length studies have been dedicated to her work. This book focuses on the writings of Elena Poniatowska and also on the work of her former students Silvia Molina and Rosa Nissén. A brief history of the literary workshop that links the three together is also provided. Although the three writers are quite different in several respects, they share one common element that is central to their writings: the depiction of marginal members of society. With reference to Subaltern Studies, this study analyses how the subaltern is represented in the works of each writer.

Dear Diego Elena Poniatowska, 2012-06-01 When Diego Rivera's biographer Bertram Wolfe was sifting through the painter's jumbled collection of correspondence, he encountered a series of Parisian letters from Angelina Beloff.

The Effects of the Nation Carl Good, John V. Waldron, 2009 What is the effect of a nation? In this age of globalization, is it dead, dying, or only dormant? The essays in this groundbreaking volume use the arts in Mexico to move beyond the national and the global to look at the activity of a community continually re-creating itself within and beyond its own borders. Mexico is a particularly apt focus, partly because of the vitality of its culture, partly because of its changing political identity, and partly because of the impact of borders and borderlessness on its national

character The ten essays collected here look at a wide range of aesthetic productions especially literature and the visual arts that give context to how art and society interact Steering a careful course between the nostalgia of nationalism and the insensitivity of globalism these essays examine modernism and postmodernism in the Mexican setting Individually they explore the incorporation of historical icons of vanguardism and of international influence From Diego Rivera to Elena Garro from the Tlateloco massacre to the Chiapas rebellion from mass market fiction to the film *Aliens* the contributors view the many sides of Mexican life as relevant to the creation of a constantly shifting national culture Taken together the essays look both backward and forward at the evolving effect of the Mexican nation **Dear Diego** Elena Poniatowska,2012
