**Unique Romance of Love** Nestor Julio Cordero, 2013-01-07 All my years through high school I used to see how everyone argues about how love should be and how they blame others for everything they do I started to analyze everyone though including mine I started analyzing why we feel this way when falling in love Why every time we are in a relationship with someone we end up blaming that particular person instead of looking at our self So I decided to write about how love should be shown how we need to look at each other before referring to others in any way We need to start looking deep inside and think about what we really want We all need to really stop choosing and start to look for who really deserve us through our heart not our mind Everything might seem confusing at first but if you think it through it really isn't It is better taking your time eating a meal than rushing and ending up having bad day What I am referring is to take our time to learn about others take our time to see beyond that person take our time to feel what the other person is feeling instead of blocking their heart It is easy to run away but what you're really doing is just ignoring what can be confronted and taken care of If love was as simple as a blink of an eye the world would have no sense of living a simple life I hope you all enjoy my poetry and have a better understanding of what is to love and deserve your present sight Papá acércate soy un adolescente Oscar Suarez, 2002 En su sentido etimológico adolescencia proviene del latín adolescere que significa crecer De allí que esta pueda tomar como un proceso constante y permanente del ser humano Expertos psicólogos han considerado que es una etapa que merece ser orientada *Mi vida con los santos* James Martin, 2010-03-01 Para el padre James Martin SJ los Santos son mucho más que estatuas de yeso son amigos personales En *Mi vida con los Santos* James Martin nos presenta una conmovedora experiencia respecto a su relación con los Santos desde María la madre de Jesús hasta San Francisco o la Madre Teresa y la manera personal en la que ha sido dirigido por los héroes de la Iglesia a lo largo de toda su vida El padre James nos presenta varios y encantadores relatos de los Santos más populares permitiéndonos ver no solo su santidad sino su humanidad A partir de esta experiencia descubrimos la llamada y posibilidad de vivir la santidad en nuestra propia humanidad James Martin has led an entirely modern life from a lukewarm Catholic childhood to an education at the Wharton School of Business to the executive fast track at General Electric to ministry as a Jesuit priest to a busy media career in Manhattan But at every step he has been accompanied by some surprising friends the saints of the Catholic Church For many these holy men and women remain just historical figures For Martin they are intimate companions They pray for me offer me comfort give me examples of discipleship and help me along the way he writes The author is both engaging and specific about the help and companionship he has received When his pride proves trouble some he seeks help from Thomas Merton the monk and writer who struggled with egotism In sickness he turns to Therese of Lisieux who knew about the boredom and self pity that come with illness Joan of Arc shores up his flagging courage Aloysius Gonzaga deepens his compassion Pope John XXIII helps him to laugh and not take life too seriously Martin's inspiring witty and always fascinating memoir

encompasses saints from the whole of Christian history from St Peter to Dorothy Day His saintly friends include Francis of Assisi Ignatius of Loyola Mother Teresa and other beloved figures They accompany the author on a lifelong pilgrimage that includes stops in a sunlit square of a French town a quiet retreat house on a New England beach the gritty housing projects of inner city Chicago the sprawling slums of Nairobi and a gorgeous Baroque church in Rome This rich vibrant stirring narrative shows how the saints can help all of us find our way in the world *Libro segundo de lectura* Ellen M.
