Dick, Evelyn Burry, 2003 Designed for leaders Quest offers concepts and tools for assessing your congregation and suggests how to implement change Christian Education Myrtle Felkner, 2001 Felkner covers such key areas as enlisting and training teachers selecting curriculum finding and using places and spaces barriers and opportunities and locating and inviting students An excellent resource list for future reference is included as well as questions for discussion The New Way Tâm T. T. Ngô, 2016-07-01 In the mid 1980s a radio program with a compelling spiritual message was accidentally received by listeners in Vietnam's remote northern highlands The Protestant evangelical communication had been created in the Hmong language by the Far East Broadcasting Company specifically for war refugees in Laos The Vietnamese Hmong related the content to their traditional expectation of salvation by a Hmong messiah king who would lead them out of subjugation and they appropriated the evangelical message for themselves Today the New Way Kev Cai Tshiab has some three hundred thousand followers in Vietnam Tam T T Ngo reveals the complex politics of religion and ethnic relations in contemporary Vietnam and illuminates the dynamic interplay between local and global forces socialist and postsocialist state building cold war and post cold war antagonisms Hmong transnationalism and U S led evangelical expansionism The Leadership of Civilization Building Richard J. other area churches in order to increase its reach in a community that desperately needed God's light and aid. This partnership has grown to a network of nearly 150 churches that are bringing kingdom transformation to Atlanta. For instance, on just one weekend in 2007, 6,000 volunteers from over 60 churches in metro Atlanta gathered to work on 250 service projects inside the ten-mile radius around Perimeter Church. Thirty welcome baskets were delivered to refugees, a dozen homes were repaired, a thousand Bibles were given away, 750 encourage-a-teacher gift bags were distributed. And that's not all: volunteers orchestrated 20 block parties in low-income apartment communities and 65 neighborhood food drives that collected 25,000 pounds of food. Chip Sweney shows Christian leaders how they too can discover the power of this new kind of big to pool their resources, energy, and time to minister to their communities no matter how long or short their membership rolls.

Your Church in Rhythm Bruce B. Miller, 2011-03-01 A gentle new way for church leaders to survive stress and burnout. Bruce Miller debunks the idea of balance, basically trying to have it all all the time. Most churches and their pastors try to do everything at once and feel guilty if any one aspect—worship, ministries, outreach, etc.—is neglected. He replaces the exhausting concept of balance with the idea of rhythm: churches like people need to give attention to different programs and ministries at different times, basically by attending to their seasons and cycles. Offers an innovative new model for church leaders. Miller has been influential in the formation and promotion of Church-Based Training as an international movement. Offers a proven method for avoiding burnout for church leaders and members by doing the right things at the right time. The author offers much-needed help to overwhelmed leaders and shows them how to apply Miller's seasonal cyclical approach to church life.

Humor in the Gospels Terri Bednarz, 2015-05-05 *Humor in the Gospels* is the most comprehensive resource on Gospel humor to date. Terri Bednarz reviews and critiques a 150 years of biblical scholarship on the subject from little-known journal articles and out-of-print books to the most well-respected classical works of today. She covers a range of scholarly discussions on the various forms and functions of Gospel humor from frivolity to witty allusions to satirical barbs. She examines the barriers of associating humor with the Gospel depictions of Jesus, the difficulties of identifying humor in ancient biblical texts, and the advances of

literary contextual and rhetorical approaches to recognizing Gospel humor This important work includes an extensive bibliography for further study of Gospel humor in particular and Biblical humor in general

Church Transfusion Neil Cole, Phil Helfer, 2012-09-19 Just as our life is in our blood the life for Christ's body is in His blood Changing a church is more than a new goal or direction Our churches need more than an organizational transition we need a full transfusion of Jesus blood His life within every disciple Anything less than that will only perpetuate more of the dysfunction and unhealthy church practices that have already plagued us for too long We are in desperate need of the internally transforming power of the gospel of grace and the presence of Christ so that our salvation is then worked out in a way the rest of the world will notice It isn't enough that we believe in the facts contained in the gospel we must allow the gospel itself to infect our souls and transform us from within The DNA of Jesus lifeblood is needed in our churches and nothing shy of a full transfusion that touches every cell will be sufficient In this book Neil Cole author of Organic Church Church Transfusion and Journeys to Significance and Phil Helfer co founders of Church Multiplication Associates will first point out that change is possible with God but only with God In the second half of the book they will lay out some of the actual practical considerations to weigh if you want to release real organic health in your church Using multiple examples of very different kinds of churches that have been through the process the authors present ways that leadership and practices need to change in order to release organic church movements from their midst Chapters cover Leadership shifts necessary Detoxification from dependence issues How to ignite change virally How to grandparent movements How to measure success in movements This book another in the Leadership Network series applies organic life principles to established churches with practical help that is holistic and natural The content in this book will be helpful whether you are pastor of an established church or wanting to revitalize a small organic church Jesus didn't die and rise from the dead so that we can be like everyone else in the world Our faith is more than just a better doctrine or a bigger goal with a capital giving campaign it is a better life Jesus is the difference and what a difference he makes don't be satisfied with less

Subject Guide to Books in Print, 1971

Journey into Faith and Fidelity Nadine Foley, 1999-01-10 This book is a collection of related stories by members of the Adrian Dominican congregation that

reflects the creative movement that has taken place in religious life as women have responded to the inspiration of Vatican Council II as well as to the impact of contemporary culture While the impetus to renewal came directly from the Church authority adaptation and change far exceeded what was originally envisioned by those who authorized the process particularly when the institutes responded to the directive to consult all the members The contributors to this book trace the most critical influences that moved religious congregations toward a renewed religious life They embraced a God who does not remain static but who moves in human history a loving God who relates to us in care and compassion a Holy Spirit who dwells within and inspires through discernment the decisions and directions that are to be taken a sense of personal worth and empowerment as women baptized into gospel mission and ministry a response to Church teaching that action on behalf of justice is constitutive of Gospel mission In renewing their religious life women have an important experience to offer the Church for ongoing renewal in the future as reflection upon these essays and continuing dialogue will reveal I Love Mormons David L. Rowe, 2005-08-01 David L Rowe asserts that many Mormons view Christian witnessing as Bible bashing What Christians need to understand he suggests is that Latter day Saints are an entirely separate ethnic group with their own history values and customs Evangelizing Mormons can be so much more effective if Christians first know understand and respect Mormon heritage With helpful illustrations and discussions of Mormon values and theology Rowe calls Christians away from confrontational evangelism and instead suggests active listening and respect as a way to bridge Christian beliefs and Mormon culture A glossary in the back of the book and discussion questions at the end of each chapter will help readers apply these concepts in their own witnessing experiences In the end Christians will be more approachable representatives of Christ **The Fall of Asgaard** J. Stephen Lowe, 1974 **In Pursuit of Great AND Godly Leadership** Mike Bonem, 2011-11-15 Is it possible for church leaders to use biblical and secular leadership concepts in a way that keeps Christ not the marketplace at the center of their mission Drawing on biblical material and business wisdom In Pursuit of Great AND Godly Leadership explores the critical leadership decisions and practices that shape the success of Christian organizations These decisions are illustrated in compelling interviews with over forty leaders of churches universities denominational bodies and international ministries Mike Bonem leverages his background as an MBA trained manager and an experienced church leader to bridge the gap between the analytical and structured world of business and the faith driven approach that is essential for healthy churches Written to offer practical solutions for senior pastors executive pastors key laypeople and leaders of other Christian entities In Pursuit of Great AND Godly Leadership clearly shows the ways that secular practices can be imported into their organizations Bonem addresses a variety of topics such as planning finances personnel management measurement team dynamics and organizational change In doing so he points to the AND that every spiritual organization should strive to achieve **The 2024 Canterbury Preacher's Companion** Catherine Williams, 2023-06-09 This longstanding annual favourite brings a wide variety of preaching voices together to offer a resource for preaching at the

principal and the second service for which preaching resources are scarce every Sunday of the coming year plus on principal feast days and seasonal services Ideal for preachers wherever the 3 year lectionary is used it also includes sermons for holy days major saints days and special occasions such as Mothering Sunday harvest rogation and Christmas services Hymn suggestions are provided throughout It also includes an introductory essay to help build preachers skills and confidence this year by Mark Oakley If preparation time is short the sermons are complete and can be used as they are but they will also act as a springboard or framework for creating your own sermon texts A boon for hard pressed clergy readers and local preachers everywhere

Revisioning Christian Unity Huibert van Beek, 2009-11-01 We have here what might be described as a new Pentecost Cecil M Robeck Fuller Theological Seminary The Most important aspect of the forum is that in deep and direct human encounters we have found Christ in each other It has confirmed to me that we are being led by the Holy Spirit to deepen our commitment to unity This is the hour of His grace if only we would listen Bishop Brain Farrell Pontifical Council for Promoting Christian Unity We believe this table brings greater understanding and breaks stereotypes Geoff Tunnicliffe pontifical Council for Promoting Christian Unity This wasn't a conference that produced papers We prayed together This wasn't a conference that debated doctrines We Shared our faith stories with one another This wasn't a legislative body that voted creating winners and losers We listened to one another That is why we gathered Bishop Jessica Crist Evangelical Lutheran Church in America If the Global Christian Forum continues for a couple of decades this gathering will some day be viewed as a watershed in twenty first century Christianity Larry Miller Mennonite World Conference Some would have said this event is not possible but here we are Rev Samuel Kobia World Council of Churches The forum enriched my faith and expanded my view of Christian diversity as I came to a deeper realization that the Christian faith is so much bigger than any one denomination or fellowship Bishop James Leggett Pontecostal World Fellowship This meeting has been a milestone setting an example and suggesting standards for dialogue among Christians It has built up momentum that will now be felt in many other places Rev John Mathews Malankara Orthodox Syrian Church My participation in the forum will help me to understand where other traditions are coming from and why they do what they do I had never before had the opportunity to sit and listen to an Orthodox priest for instance Rev Judy Mbugua Malankara Orthodox Syrian Church
