*Reason's Inquisition* Christopher A. Colmo, 2023-08-29 *Reason's Inquisition On Doubtful Ground* is an exploration in the literature of political philosophy before and after Alfarabi and ranging from Thucydides to Leo Strauss and Eric Voegelin. These studies, most of them previously unpublished, open inquiries into theory and practice: reason and revelation and the relation between thinkers ancient and modern. Readers may be surprised to see the Platonist Alfarabi presented as a critic of Plato's theory in the name of practice, while Alfarabi and Hobbes are shown to have a common interest in a theory commensurate with action. Strauss, Voegelin, and Lucien Febvre all explore the problem of reason and revelation in relation to the limits of human knowledge. An ambitious study of Shakespeare's *Macbeth* explores the ambiguity of both nature and knowledge in relation to male and female, good and evil, present and future. The contrast between ancients and moderns is explicit in questions of the modern aspects of Marlowe's *Doctor Faustus* and of Rousseau's reversal of Plato. Kierkegaard and Heidegger bring radical modernity into focus against a Platonic background in the closing essay. These diverse essays attempt to follow the thinkers and themes explored in turning a critical gaze upon reason itself.

*The Quest for Mature Masculinity* Taylor Ellwood, 2024-09-10 In *The Quest for Mature Masculinity*, Taylor Ellwood asks the question: What does it mean to be a man? and takes readers on a quest to find the answer. Taylor shares his own ongoing journey to answer this question while also drawing on spiritual, embodied, and primal aspects of the masculine to share how

men can move out of the toxic patterns of macho masculinity or nice guy syndrome toward an embodied and present masculinity Traditional and patriarchal systems of masculinity have taught men to push their emotions down while putting on a front that everything is fine but its not fooling anyone and its leaving men behind and alone Taylor shares why we need to deconstruct the traditional narratives of masculinity and in the process step into embodied awareness and leadership and spiritual connection with ourselves and the people around us In this book you will learn To define your own relationship with your inner masculine from a conscious and embodied perspective To explore how ancestral family patterns have contributed to the masculine experience and why these patterns need to be dissolved How to recognize and undo Toxic masculine patterns of behavior How to develop a self love practice that enables you to validate and empower yourself This book shows men how they can help create a safer and better world by working on themselves connecting with other men and showing up for the important relationships in their lives with a fully present awareness of themselves The goal of this book is to help men unlock their hearts be honest about their desires and fears and in the process find meaningful purpose that contributes to the world
