

The image features a central, stylized eye logo. The iris is a vibrant blue with a white spiral pattern. The pupil is a solid white circle. The eye is set against a dark blue background. Surrounding the eye are various geometric shapes in shades of blue, orange, and yellow, some of which appear to be floating or falling. Below the eye is a white banner with a wavy, torn-edge effect. The banner contains the text "Question Quest" in a black, cursive-style font.

Questions and Information Systems Thomas W. Lauer,Eileen Peacock,Arthur C. Graesser,2013-04-15 The design and functioning of an information system improve to the extent that the system can handle the questions people ask Surprisingly

however researchers in the cognitive computer and information sciences have not thoroughly examined the multitude of relationships between information systems and questions both question asking and answering The purpose of this book is to explicitly examine these relationships Chapter contributors believe that questions play a central role in the analysis design and use of different kinds of natural or artificial information systems such as human cognition social interaction communication networks and intelligent tutoring systems Their efforts show that data structures and representations need to be organized around the questioning mechanisms in order to achieve a quick retrieval of relevant useful information
